TRAFFIC IMPACT

IRONMAN 70.3 Traverse City will be one of the most beautiful races on the IRONMAN 70.3 circuit. The race will showcase 2,500 amateur athletes and some of the top professional triathletes in the world. In order to protect the participants and thousands of volunteers, there will be partial and full road closures along the race route.

We recognize the potential inconvenience this may have on your travel plans. Thank you for your help and support as we showcase our area through world-class sports. IRONMAN has become a signature event for our communities, bringing positive media exposure and economic impact throughout the year.

If you are interested in volunteering, please email traversecity70.3@ironman.com

For more information regarding traffic detours, please call 800. 872.8377

Thank you Traverse City Tourism & IRONMAN 70.3 Traverse City Staff.
