#### **Traverse City Police Department West End Beach Cherry Festival Operations**

**June 29, 2016**

I want to welcome all of our visitors to our city and to the National Cherry Festival (NCF). Here are some reminders from the Traverse City Code of Ordinances regarding our beaches.

- Possession and consumption of beer and wine at Clinch Park Beach are prohibited.
- Glass Containers are prohibited from the Open Space to the West to M-72 on the beach.
- Canned beverages are allowed from the Open Space to the West to M-72 on the beach.
- Animals are not allowed on any beach within the city.
- Any other questions about ordinances can be found at [www.traverscitymi.gov/ordinances](http://www.traverscitymi.gov/ordinances).

In an effort to make this an enjoyable experience for everyone the Traverse City Police Department has asked the assistance from the Michigan State Police in patrolling West End Beach. The emphasis is on an increased uniform presence and undercover operations.

The undercover operations will focus on minors in possession of alcohol, Traverse City Noise and Public Disorderly Crimes. The area around the volley ball nets will be under camera surveillance through the NCF. We will be monitoring all boat activity in West Grand Traverse Bay.
