I. Purpose:

The purpose of this policy is to administer the Traverse City Code of Ordinances Chapter 881, which establishes a class of housing developments pursuant to State Housing Development Authority Act of 1966 (1966 PA 346, as amended; MCL 125.1401 et seq.; MSA 16.114(1) et seq.) which are exempt from payment of property taxes, and as an in lieu thereof pay a service charge. It is acknowledged that it is a proper public purpose of the State of Michigan and its political subdivisions to provide housing for its citizens of low income and to encourage development of such housing by providing for a service charge, in lieu of property taxes, in accordance with State Housing Development Act of 1966. City of Traverse City is authorized by this Act to establish or change the service charge to be paid in lieu of taxes (PILOT) by any or all classes of housing exempt from taxation under this Act at any amount it chooses, but not to exceed taxes that would be paid by for if not for this Act.

It is further acknowledged that such housing for persons of low income is a public necessity, and as the City of Traverse City will be benefited and improved by such housing, the encouragement of the same by providing certain real estate tax exemption for such housing is a valid public purpose. Further, that the continuance of the provisions of this article for tax exemption and the service charge in lieu of taxes during the period contemplated in this article are essential to the determination of economic feasibility of this housing development, which will be constructed and financed in reliance on such tax exemption.

It is further acknowledged that while this housing is a public necessity, so too is the proper development of the community in general. It is the duty of the City Commission, with help from the City Planning Commission, that this community is developed in a manner consistent with the adopted Comprehensive (Master) Plan. Therefore, each application must be considered for its consistency with the overall goals and objectives of the future planning and development for the City of Traverse City. The existence of this policy and the Tax Exemption Ordinance in no way infers
