BOARDMAN RIVER REVITALIZATION
A comprehensive vision for the future of Traverse City’s river

KATIE DENNIS    AARON FARGO    ADAM FERCHO    CHRISTINA STRASSER
1. Design a riverwalk that improves **pedestrian circulation** along the Boardman River, knits the river into the **identity** of the community, and becomes a **destination** for Traverse City residents and visitors.

2. Develop a **cohesive plan** for the Lower Boardman River that incorporates the vision and goals of the City of Traverse City.

3. Create and enhance **community gathering spaces** and **recreational opportunities** that respond to the adjacent neighborhood’s character.

4. Incorporate **ecological interventions** that improve the health of the river and provide opportunities for environmental education.
