A statement of the Contractor's previous experience and professional qualifications:

We have provided services for multiple facilities for the City of Traverse City with
minimal complaints for the last 6 years. We have a thorough understanding of what
is required. We removed years of dirt from the floors and other areas in the first
month of service. All facilities have been maintained to the highest standards.

Specify any items not possible to accomplish within the above specifications:

Marina floors are not recommended to be waxed due to the type of flooring.

DPS wet scrub is applicable to the lobby and hallways (ceramic tile).
