The City of Traverse City

Communication to the City Commission

TO: CITY COMMISSION
DATE: APRIL 12, 2013
FROM: R. BEN BIFOSS, CITY MANAGER
SUBJECT: 2013/2014 BUDGET

As requested by the City Commission, this year's budget is again presented earlier than in previous years. The City Commission has met in Study Session to discuss budget priorities. The top two budget priorities identified remain infrastructure spending and possible capital improvements in the City's parks. The latter item is under separate consideration with the Brown Bridge Trust Fund.

Tax Levy

The proposed General Fund tax levy remains constant at 11.1167 mills, the same levy as the two previous years. The levy is expected to generate approximately \$8.1 million, an increase of \$142,285 or 1.8 percent. This increase is due to growth in the tax base.

It is important to recall that the General Fund tax levy was reduced by 0.7 mills in the 2011/12 budget; an approximate \$500,000 impact on the General Fund. That tax reduction saves the average residential property owner approximately \$55 per year.

The Act 345 levy is 2.32 mills, the same as the 2012/13 levy. By Charter, this is a dedicated levy that may only be used for Act 345 pension benefits for Police/Fire. Please recall that this levy is a voted levy independent of the General Fund levy.

Infrastructure

The proposed General Fund Budget includes \$1.25 million in infrastructure spending. This amount is leveraged with other funds for an anticipated construction spending this season of between \$7 and \$7.5 million, depending on actual bids. Please see the attached project list that summarizes projects from 2004 through the 2013/14 budgets.

This budget includes an estimated \$125,000 on one of the five identified corridors; West Front Street. This funding leverages a MDOT grant in the amount of \$375,000. This budget also includes \$100,000 that would be “set aside” for future Division Street work. Please recall that Capital Improvement Fund spending does not expire at the end of the Fiscal Year so these funds can be supplemented in future budgets.

Labor Costs

While the budget anticipates one fewer positions in the Fire Department, we currently have two vacancies due to retirements. The Fire Chief and I believe we have reached the point where, under the current model, it is unsafe and cost prohibitive to not replace one of these positions. If we do not replace one position, our overtime costs will significantly exceed the cost of the new officer and will result in an excessive number of double shifts. If the position is not filled it will not result in a budget reduction. In fact, an estimated \$20,000 should be added to the budget to cover the additional overtime costs if the position is not filled.

Candidates for the vacancy will be made fully aware of the ongoing discussion regarding changing the way that fire services are provided in Traverse City. Even after filling this one position, Fire Department staffing has been reduced by 8 positions since the 2008/09 budget. That is approximately 26% of department personnel.

For the first time in a decade, the budget anticipates an increase in departmental staffing with the addition of one police officer. That position would bring staffing at the Police Department to 30 full time employees; still down 17% from five years ago. While the contract with TBAISD is not yet final, under the terms anticipated TBAISD would pay 87% of the cost of the officer to be assigned to their campus for 10 months and be available during July and August for the City (in addition to any emergency needs during the year). The inclusive City cost for the position is approximately \$12,600. While that position is in this budget, if the contract is not finalized, this new position would not be added.

Even with the addition of this position, total City employment is scheduled at 144 full time employees, down 18% from the 2005/06 budget. In my opinion, staffing for the City of Traverse City is “right sized” pending resolution of Fire Department issues.

Most City employees had a wage freeze during the current budget year. Labor agreements anticipate an inflation based wage increase beginning July 1, 2013. An identical increase is anticipated for the City’s non-union labor force.

Health insurance premiums will increase at a double digit pace on July 1, 2013, about a 10% increase. Some of this increase may be attributed to the unknowns associated with the implementation of the federal Affordable Care Act; some of this increase is associated with severe health issues for some of our employees. Most employees cost share on an 80/20 basis.

Legacy costs are being addressed in a meaningful way. Since July 2009 all new hire general City employees are at the 1.5% multiplier; all new hire police/fire employees are at the 2.0% multiplier (recall that police/fire employees do not receive Social Security under the City). These are down from 2.25% and 2.8% respectively. On Wednesday April 10 the GME union ratified a new labor agreement based on the City’s last offer. That is scheduled for City Commission action at a Special Meeting on April 22 at 7:00 PM before the Study Session. Effective July 1, 2014 all current general employees will earn future pension credit at the 1.5% multiplier. That change should significantly impact our accrued unfunded liability; the amount of impact will not be known until the next actuarial report.

Effective June 30, 2014 current Police Patrol employees will earn future pension credit at a 2.5% multiplier rather than the current 2.8%. That change should significantly impact our accrued unfunded liability; the amount of impact will not be known until the next actuarial report.

General Fund Revenue

Total General Fund Revenue is expected to increase \$394,550 to \$13,607,650. As earlier noted, about \$140,000 of this is attributed to growth in the tax base. State Revenue Sharing is stabilizing; adding \$136,900 in Intergovernmental Revenue. There is however significant added legislative burden on EVIP paper work, adding no value.

The City fee is the 5% charged all enterprise funds for administrative overhead: it is expected to increase by almost \$120,000 to \$2,321,850. Interest income is

budgeted at only \$25,000. As recently as Fiscal Year 2007/08, interest income to the General Fund was \$469,061.

Reimbursements are expected to increase based on current projects including the anticipated TBAISD contract. Other revenue changes are incrementally changed either increasing or decreasing based on current expectations.

General Fund Expenditures

Significant General Fund expenditure changes by department are identified below:

Human Resources	Change is adding .5 FTE completely funded by Light and Power to reintegrate HR services between the City and L&P.
Police Department	TBAISD additional officer.
Fire Department	One fewer officer by attrition.
Engineering	Additional contracted part time personnel to monitor construction.
Parks and Rec	One position reallocated from Streets to Parks. A \$30,000 increase for Clinch Park improvements for water chemicals, maintaining new restroom and dedicated seasonal employee.
Cemetery	Significant reduction; we believe we can save money by not renewing our maintenance contract and undertaking the same work with seasonal employees. We effectively bid against the private contractor. If the performance is not equal to what was being provided, we will contract again next year.
DPS/Street Admin	This line item needs to be combined with the “Transfer out – Other” line item for an accurate comparison. When combined there is an actual decrease of about \$11,000. These variances are the result of the interplay between the three dedicated Street Funds and the General Fund.

Appropriations	There is a \$20,000 item reflecting the CRA contract for the dams; inadvertently omitted in the current budget and funded through a budget amendment. There are other offsetting reductions.
Other	There are no significant changes in other operating departments.

Other Capital Costs

There are two additional locations in the General Fund Budget that include Capital Outlay. In the “Transfers Out-Capital Projects” line item is the \$1,250,000 for infrastructure in addition to \$30,000 for the annual computer upgrades, \$15,000 to begin replacing Overhead garage doors at the Fire Station 1 for improved energy efficiency, \$10,000 to begin a City Wide Bench Elevation Survey and \$10,000 to begin replacing camera’s in Police Cars.

Under the Capital Outlay line item are several Police and Fire equipment purchases, identified on the page following that budget.

Other

Please recall that this is the last budget where we expect to include major funding for Hickory Hills. Please recall that this budget includes no funding for the History Center. The expectation is that the DDA will provide transitional funding for the History Center to 2014. The City of Traverse City is, generally speaking, funding core services only.

Fund Balance

The projected Fund Balance for June 30, 2013 is \$4,433,193 or 33% of total General Fund expenditures. With a target Fund Balance of 25% of expenditures, there is approximately \$1.08 million of Fund Balance that should be spent down over the coming years. This budget anticipates spending down approximately one-half of that amount, \$529,435. Fund Balance can be spent down again next year. New revenues are expected in 2016 with the expiration of TIF 2 so the current spending pattern should be long term sustainable.

Water and Sewer Rates

Attached please find recommendations from the City Treasurer regarding water and sewer rates: reflecting no rate increase for water and a small rate increase for

sewer. I support those recommendations. Procedurally, adoption of the proposed rates would be part of the Budget Resolution.

Other Funds

The Enterprise Funds (Water, Wastewater, Marina, and Traverse City Parking System) reflect ongoing operations with associated capital improvements. There are no changes in the number of personnel for these operations. However there is early discussion regarding a possible organizational change that may reflect creating a Utilities Director position that could reduce the scope of operations for the DPS Director. That discussion will be left for my successor.

Special Revenue Funds, Debt Service Funds, Permanent Funds and Internal Service Funds likewise reflect ongoing operations without significant changes. As earlier noted, the Capital Projects Funds anticipate another very active year.

Component Unit Fund budgets (L&P and DDA) are included. Both include active Capital Improvement Plans that the City Commission will review and ultimately approve/reject.

City Commission Budget

While the above and following are my recommendations for the budgets, they are only recommendations. The City Commission is the only body with decision making authority. All of the budget recommendations are open to discussion.

The April 22, 2013 Study Session is dedicated to your review of applicants for the City Manager position. I suggest a Study Session dedicated to budget review on Monday April 29, 2013; that is the fifth Monday in April. Because the draft budget reflects relatively modest changes, the City Commission may believe only one Study Session is necessary. In that event, the May 13 Study Session is available. Individual meetings with City Commissioners are also welcome to review any specific questions or concerns regarding the budget.

A Public Hearing on the budget will be scheduled for May 6, 2013. By Charter, the budget may not be adopted prior to May 20 nor later than June 3, 2013.

Thank you.

**Resolution Adopting The City of Traverse City
Fiscal Year 2013-2014 Comprehensive Annual Budget Report
including the Capital Improvements Plan**

- Because, the City Manager has caused a budget document, including the Capital Improvements Plan, to be prepared and presented to this City Commission covering the fiscal year commencing July 1, 2013, and ending June 30, 2014; and
- Because, this document has been placed on file in the Office of City Clerk and made available for public examination; and
- Because, a public hearing upon the adoption of this document has been held as required by the City Charter; and
- Because, as a result of this public hearing and its own study, the City Commission has caused certain changes to be made; now, therefore, be it
- Resolved,** that the proposed budgets listed below as amended by the City Commission of Traverse City entitled City of Traverse City 2013-2014 Comprehensive Annual Budget Report of the City of Traverse City, Michigan, for the fiscal period of July 1, 2013, through June 30, 2014, including an inflation increase for employees of the Administrative, Confidential, and Technical Group be approved, excluding the budgets for Traverse City Light and Power and the Downtown Development Authority, which shall be adopted by separate resolution and that the City Manager be, and is hereby authorized to make expenditures provided for in said budget, providing said expenditures be made according to law; further be it
- Resolved,** that the budget be placed on file in the Office of the City Clerk and be made a permanent record of the City of Traverse City and is made part of this resolution by reference; further be it
- Resolved,** that to defray the costs of the appropriations contained in said budget the estimated sum of \$7,978,000 based on the rate of 11.1167 mills shall be raised in the City of Traverse City, Michigan, by taxation for municipal purposes for the fiscal period of July 1, 2013, through June 30, 2014 inclusive, in accordance with the Charter of the City of Traverse City and the laws of the State of Michigan relative to the taxation of real and personal property; further be it
- Resolved,** that to defray the costs of the appropriations contained in said budget the estimated sum of \$1,641,000 based on the rate of 2.32 mills shall be raised in the City of Traverse City, Michigan by taxation for, defraying the cost of supporting

the retirement plan for qualified personnel of the Department of Public Safety of the City of Traverse City, Michigan pursuant to the provisions of ACT 345 of the Public Acts of 1937, as amended, as approved by a vote on November 3, 1970;

Resolved, that the following appropriations be and are hereby authorized for the fiscal year beginning July 1, 2013.

**Resolution Certifying Tax Levy
for The City of Traverse City for Fiscal Year 2013-2014**

Resolved, by the City Commission of the City of Traverse City, Michigan, that the City Assessor of Traverse City, shall as soon as the City Clerk shall certify to her the amount of the tax levy fixed by the City Commission, which is established at 11.1167 mills, and within three (3) days after adoption by the City Commission, the budget for fiscal period of July 1, 2013, to June 30, 2014, inclusive, proceed to ratably assess to all persons and pieces of property on the assessment roll accordingly, and in proportion to the valuation entered thereon, the amount of tax with all delinquent special assessments and delinquent wastewater, electrical and water charges, as recorded by the City Treasurer and on file with the Office of the City Treasurer, such record to be a permanent record of the City of Traverse City.

I hereby certify that the above Resolution was adopted by the City Commission on May 20, 2013, at a regular meeting of the City Commission held in the Commission Chambers, Governmental Center, 400 Boardman Avenue, Traverse City, Michigan.

**Resolution to Waive Traverse City Property Tax Administration Fee
for Fiscal Year 2013-2014**

- Because, the City Commission of the City of Traverse City, Grand Traverse County and Leelanau County, Michigan, adopted a resolution on May 2, 1983, which authorized the imposition of a property tax administration fee; and
- Because, that resolution reserved the right and authority to waive all or part of the property tax administration fee imposed by that resolution for a specific tax levy and collection period by the adoption of a resolution to that effect; now, therefore be it
- Resolved,** by the City Commission of the City of Traverse City, Grand Traverse County and Leelanau County, Michigan, that no property tax administration fee be collected on any property tax levied within the City for Fiscal Year 2013-2014.

I hereby certify that the above Resolution was adopted by the City Commission on May 20, 2013 at a regular meeting of the City Commission held in the Commission Chambers, Governmental Center, 400 Boardman Avenue, Traverse City, Michigan.

RESOLUTION ESTABLISHING WATER RATES, WATER SERVICE CHARGES, AND SEWER RATES

Because, the City Commission shall from time to time determine the water service charges for City users of water from the City water distribution system; and

Because, the City Commission desires to provide enough funds for the operational expenses and the debt service of the water system; and

Because, the City Commission desires to provide enough funds for the capital improvement to the water system; therefore, be it

Resolved, that the City Commission of the City of Traverse City does hereby establish the following rate schedule for users of the city sewer collection system in accordance with the Traverse City Code of Ordinances, effective July 1, 2013:

Inside City Limits

\$34.00 per first 600 cubic feet

\$40.00 per thousand for each additional thousand cubic feet

Customers outside City limits are charged 1 ½ times the City rate; and further, be it

Resolved, that the City Commission of the City of Traverse City does hereby establish the following water rates and charges schedule for users of water from the city water distribution system in accordance with the Traverse City Code of Ordinances, effective July 1, 2013:

First 600 Cu. Ft or less	Inside City Limits	Outside City Limits
5/8 Inch or 3/4 Inch(Avg, Residence)	\$ 12.00	\$ 18.00
1 Inch	\$ 24.00	\$ 36.00
1 ¼ Inch	\$ 36.00	\$ 54.00
1 ½ Inch	\$ 48.00	\$ 72.00
2 Inch	\$ 72.00	\$ 108.00
3 Inch	\$ 96.00	\$ 144.00
4 Inch	\$ 144.00	\$ 216.00
6 – 12 Inch	\$ 240.00	\$ 360.00
Next 3,400 Cu. ft./1,000 Cu. ft.	\$ 15.00	\$ 22.50
Next 16,000 Cu. ft./1,000 Cu. ft.	\$ 15.00	\$ 30.00

All over 20,000 Cu. ft.

\$ 15.00

\$ 30.00

The following are rates for the various services provided by the Water and Sewer Maintenance Division:

Service Lines:

City Resident cost 1 inch service lead = \$1,000

Township Resident cost for 1 inch service lead = \$1,500

Exceptions: (A) All service connections installed on State Highways or through reinforced concrete pavements will be charged on a time and material basis; and (B) All service connections installed during the period of November 15 to May 15 will be charged on a time and material basis

Any necessary road restoration costs will be added to the listed charge for water taps or service connections.

Tap Only:

1"	\$200.00
1 1/2"	\$225.00
2"	\$250.00
4"	\$550.00
6"	\$750.00
8"	\$950.00
10"	\$1,150.00
12"	\$1,350.00

Meter Changes:

New meter installations or changes in meter size requested by customer.

<u>Size</u>	<u>Cost to Install</u>
3/4"	\$400.00
1"	\$500.00

Greater than 1 inch diameter = time and material cost basis.

Service Turn-Ons and Turn-Offs:

During scheduled work hours	\$20.00
During non-scheduled working hours	\$70.00

Initial and Final Readings

Initial reading (without turn off or turn on)	\$ 10.00
Final reading (without turn off or turn on)	\$ 10.00

Fire Suppression Connection Fee:

4 inch and smaller	\$20.00 per year
6 inch	\$50.00 per year
8 inch	\$100.00 per year
10 inch	\$200.00 per year
12 inch	\$300.00 per year

Inspection Fee:

Sewer/water cut & caps	\$50.00
------------------------	---------

Repeat Calls for Services:

No show, not ready, re-freeze	\$50.00
-------------------------------	---------

Bulk Water Sales:

Fill tankers at our shop – 1 st 600 cu ft	\$50.00
Next 1,000 cu ft	\$10.00
Est. cost \$45/\$54	

Dewatering:

Cost to dewater	\$300.00
-----------------	----------

Bacteriological Testing:

Cost for labor, materials and equipment	\$15.00
---	---------

I hereby certify that the above Resolution was adopted by the City Commission on May 20, 2013, at a regular meeting of the City Commission held in the Commission Chambers, Governmental Center, 400 Boardman Avenue, Traverse City, Michigan.

Benjamin C. Marentette, CMC, City Clerk

**Resolution Adopting the Downtown Development Authority Budget
for Fiscal Year 2013-2014**

Resolved, that to defray the cost of appropriations contained in the Downtown Development Authority budget portion of said document, the estimated sum of \$64,900 based on Resolution Adopting Budget on a rate of 1.8038 mills shall be raised by taxation within the area of the Traverse City Downtown Development Authority District as described in Chapter 298.04 of the Traverse City Code of Ordinances, in accordance with the Charter of the City of Traverse City and the laws of the State of Michigan relative to the taxation of real and personal property; further be it

Resolved further, that the following appropriations be and are hereby authorized for the fiscal year beginning July 1, 2013.

- | | | |
|----|--|-----------|
| 1. | DOWNTOWN DEVELOPMENT AUTHORITY FUND | 666,100 |
| 2. | TAX INCREMENT FINANCING DISTRICT 97 FUND | 2,461,000 |
| 3. | TAX INCREMENT FINANCING DISTRICT II FUND | 1,914,700 |

I hereby certify that the above Resolution was adopted by the City Commission on May 20, 2013, at a regular meeting of the City Commission held in the Commission Chambers, Governmental Center, 400 Boardman Avenue, Traverse City, Michigan.

**City of Traverse City, Michigan
City Commission
Mission Statement**

The Mission of the Traverse City Commission is to guide the preservation and development of the City's infrastructure, services, and planning based on extensive participation by its citizens coupled with the expertise of the City's staff.

The Commission will both lead and serve Traverse City in developing a vision for sustainability and the future that is rooted in the hopes and input of its citizens and organizations, as well as cooperation from surrounding units of government.

Adopted: February 22, 2000

City of Traverse City, Michigan Organizational Chart

Fund Descriptions

General Fund – is the government’s primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

Special Revenue Funds – account for the proceeds of specific revenue sources (other than permanent trust or major capital projects) that are set aside for a specific purpose.

Debt Service Funds – account for the accumulation of resources set aside to meet current and future debt service requirements on general long term debt.

Capital Project Funds – account for financial resources to be used for the acquisition or construction of major capital facilities other than those financed by proprietary funds.

Permanent Funds – account for resources that are legally restricted to the extent that only earnings and not principal, may be used for purposes that support the reporting government’s programs, that is, for the benefit of the government or its citizenry.

Enterprise Funds – account for the operations that are financed and operated in a manner similar to a private business enterprise, where costs are primarily recovered through user charges.

Internal Service Funds – account for fleet and equipment management provided to other departments or agencies of the government, on a cost reimbursement basis.

Component Unit Funds – account for operations maintained and operated by related entities of the City created through State Statute or City Charter.

Expenditure/Expense Line Item Descriptions

Salaries and Wages – record payment of salaries and wages to unit officials and employees.

Fringe Benefits – record expenditures for employees’ social security, health, dental and vision insurance, employees’ life insurance, unemployment, retirement fund contributions and worker’s compensation.

Office/Operating Supplies – record expenditures for supplies normally used in the operation of an office such as stationary, pencils, publications and postage. Additionally, operation supplies of a department such as blankets, chemicals, street salt, and cleaning supplies.

Professional Services – record outside service such as audit fees, computer services, consulting fees, contractual fire services, legal fees, witness and jury fees, and memberships.

Communications – record the cost of telephone services and dispatch radios.

Transportation – record the costs associated with automobile expenses such as mileage reimbursements, gas, oil, also train, boat, bus and plane fares.

Professional Development – record the costs associated with employee education, seminars, organization dues, lodging, meals, and certification requirements.

Community Promotion – record expenditures for holiday decorations, civic betterment and public relations.

Printing and Publishing – record expenditures for advertising, legal notices, copies and printing and publishing.

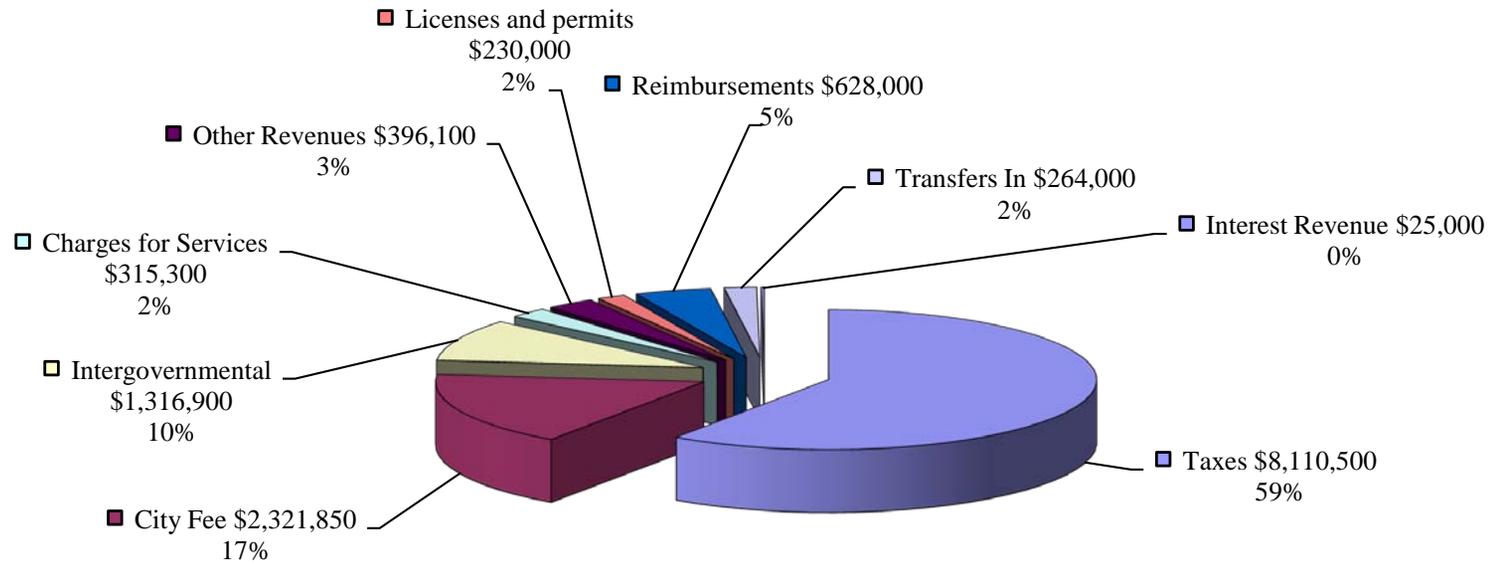

Insurance and Bonds – record expenditures for all insurance and bonds, such as surety bonds.

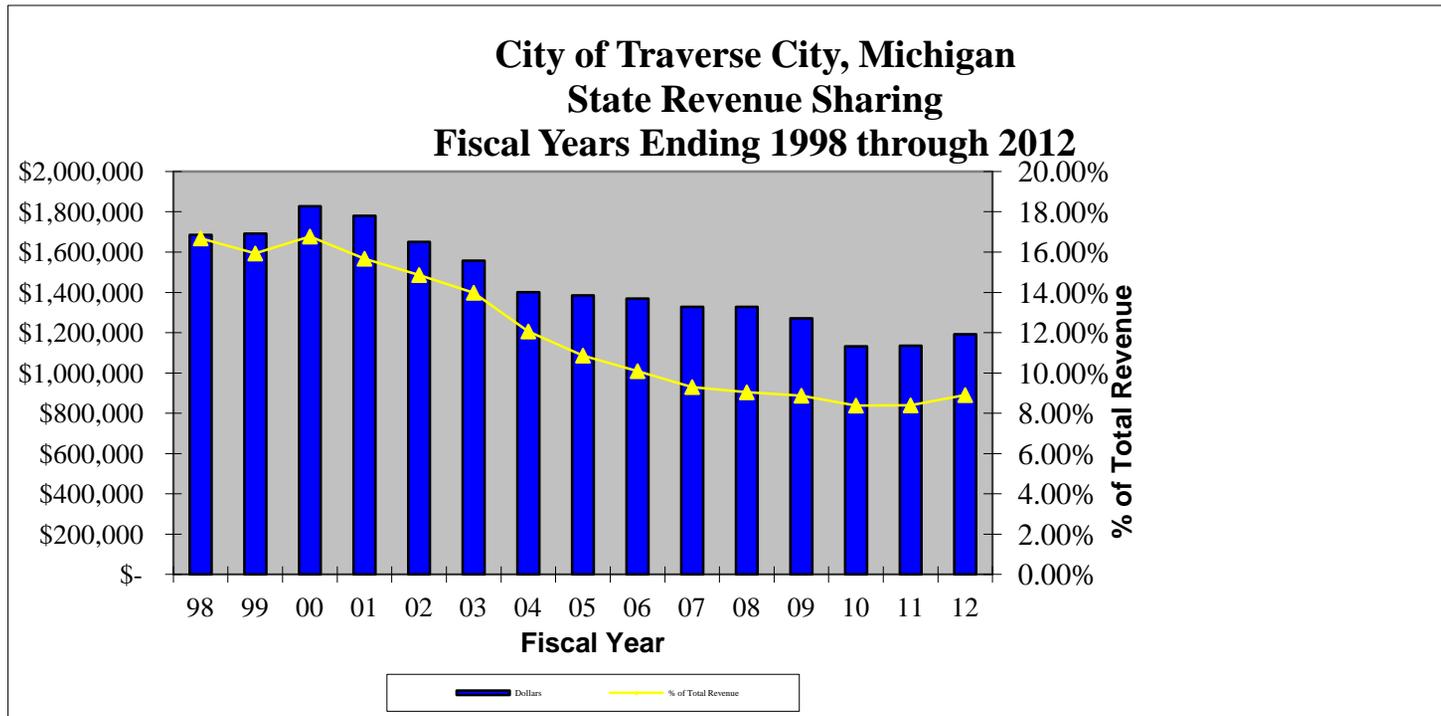

Repairs and Maintenance – record expenditures used for repair and maintenance, such as seeding and painting supplies. Also, the expenditures for repairs and maintenance to buildings, office equipment and vehicles.

Rentals – record the rental costs for office space, equipment and vehicles.

Miscellaneous – record costs not provided elsewhere.

City of Traverse City, Michigan General Fund 2013-14 Budgeted Revenues

A major source of General Fund Revenue is from revenue sharing payments made by the State of Michigan to local units of government. Revenue sharing consists of two components. The first component is a constitutional allocation based on a formula taking into consideration population, type of government, and sales tax receipts for the State. The second component is based on a similar formula but is primarily a statutory appropriation by the legislature.

The economy in the State of Michigan has been challenging over the past decade. As a result, revenue sharing has declined both in nominal terms and as a percentage of total general fund revenue. At one time revenue sharing made up over 16% of the City’s General Fund revenue. Today it comprises a little over 9% of the City’s General Fund revenue. It is expected that this trend will continue for the next few years.

SUMMARY OF BUDGET CHANGES – General Fund Revenue

Real Estate/Personal Property – Real Estate/Personal Property revenue increased overall because of a 1.8 % increase in taxable value.

Federal Grants - Federal grants decreased because of an expected reduction in the Byrne's grant relating to narcotics enforcement.

State Sales and Use Taxes – The City's state shared revenues increased relating to meeting the State's EVIP (Economic Vitality Incentive Program) requirements.

Use and Admission Fees – Use and admission fees decreased because the City in the prior year expected to raise cemetery related costs relating to burials.

Intragovernmental – City Fee – Intragovernmental city fee, which is five percent of gross revenues of the Enterprise Funds (including Light and Power) except for the Autoparking Fund, which is ten percent, increased based on higher revenues budgeted by the Enterprise Funds.

Interest Revenue - Interest revenue decreased based on actual past experience and the expectation interest rates will remain low.

Reimbursement - Reimbursement revenue increased relating to the new contractual agreement with TBAISD for reimbursement of costs relating to 1 FTE for the months of September through June. In addition, there was an increase in ambulance revenue to account for the first full operational year.

Transfers in – Transfers in overall decreased primarily because of there is an expected decrease in interest revenue in the Brown Bridge Fund, which results in a lower transfer to the General Fund.

CITY COMMISSION

Mission Statement: *To guide the preservation and development of the City's infrastructure, services, and planning based on extensive participation by its citizens coupled with the expertise of the City's staff. The Commission will both lead and serve Traverse City in developing a vision for sustainability and the future that is rooted in the hopes and input of its citizens and organizations, as well as cooperation from surrounding units of government.*

Jeanine Easterday, Mike Gillman, and Michael Estes

The City Commission is the legislative body for the City of Traverse City. The primary function of the City Commission is to establish the direction and policies by which the City operates through its boards, commissions and departments.

The goals and priorities of the Commission are reflected through the adopted budget in keeping with the policy of maintaining the economic well being of the City.

The City Commission consists of six (6) members and a Mayor, all elected at large. Commissioners each have four-year terms of office and the Mayor has a two-year term of office. At the annual organizational meeting, the City Commission meets and chooses one of its members as Mayor Pro Tem for one year until the following organizational meeting. The City Commission elected terms are arranged so that not more than four members shall be retired at any one time.

The Mayor presides at the meetings of the City Commission and has a voice and a vote in its proceedings, but no veto power. The Mayor authenticates by signature such instruments as the City Commission, City Charter or the laws of the State require.

The City Commission meetings are held in the Commission Chambers on the 2nd Floor of the Governmental Center, 400 Boardman Avenue, Traverse City. Regular Meetings are held the first and third Monday of each month. Possible Study Sessions are held on the second and fourth Monday of each month. Special meetings are scheduled as needed.

Within this portion of the budget is included the salaries paid to the City Commissioners, funds for the General Fund portion of the City Audit, and membership to the Michigan Municipal League.

SUMMARY OF BUDGET CHANGES

No significant changes.

CITY MANAGER DEPARTMENT

Mission Statement: *To work in partnership with the City Commission to achieve the City's mission and goals.*

The Manager's Department is the hub of the City and is responsible for overseeing all departments, implementing the policies and programs established by the City Commission, and handling the administrative duties addressed in the City Charter, City Code of Ordinances and State statutes, including recommending and implementing the City budget.

This Department specifically includes the functions of:

- Labor relations
- Intergovernmental relations
- Purchasing and contract administration
- Traffic management
- ADA Coordinator
- Web site development, maintenance and support
- Information technology
- Neighborhood partnerships
- Media relations
- Economic development
- Grant writing
- Asset management system implementation, condition rating and support
- Oversee the Human Resources office, Museum, Wastewater Treatment Plant, Opera House, Human Rights Commission and Brown Bridge Advisory Committee
- Monitor the activities of the Downtown Development Authority and Light and Power

The City Manager's department is staffed by:

R. Ben Bifoss, City Manager

Makayla Vitous, Assistant City Manager

Julie Dalton, Executive Assistant to the City Manager/Purchasing Agent

GOALS

1. Continue Boardman River Dams removal.
2. Implement Economic Vitality Incentive Program.
3. Continue review of savings and revenue options.
4. Increase information on City website providing up to date information on City projects.
5. Continue to monitor condition of City owned assets and broaden scope of data to monitor all asset types.

Budgeted in this department is \$5,500 for the Human Rights Commission which may be used for community activities.

HUMAN RESOURCES OFFICE

Mission Statement: *To recruit, retain, develop and assist our employees through excellent customer service, while striving to maintain the City's strategic vision.*

The Human Resources office provides personnel management, benefit administration and payroll services for 146 City full-time employees and 39 Light and Power employees. Payroll services are also provided for approximately 60 part-time, temporary and seasonal positions during the fiscal year. In addition, retiree benefit services are provided to 123 retirees. Human Resources assist the City Manager in representing the City's interests in collective bargaining and on-going labor agreement interpretation and administration with its seven bargaining units.

Responsibilities of the Human Resources function include:

- Employment recruiting and interviewing
 - Internal promotional processes
 - Temporary workforce coordination
- Compensation
 - Wage and salary administration
 - Payroll administration
- Benefits Administration
 - Medical Insurance
 - Dental Insurance
 - Vision Insurance
 - Life Insurance
 - Short Term Disability
 - Long Term Disability
 - Flexible Savings Account
 - Health Care Savings Plans
 - Deferred Compensation Plans
 - MERS Retirement Plan
 - COBRA Administration
 - Educational Reimbursement Plan
- Employee Relations
 - Equal Employment Opportunity Coordinator
 - Labor Relations
 - Labor Agreement Administration
- Personnel/Human Resource Records
 - Personnel record keeping
 - HR Information Systems
 - Legal compliance
- Health and Safety
 - Workers Compensation Administration
 - Fire Health and Fitness Program
 - Drug Free Workforce Testing

The Human Resource function is staffed by:

Kelli Springer, Human Resources Specialist
Cindy Laurell, Part-Time Human Resource Assistant

GOALS

1. To assist management in making informed decisions regarding benefit options that are inline with the City's strategic vision.
2. To provide timely and accurate responses to employee/retiree questions and/or concerns.

CITY ASSESSOR DEPARTMENT

Mission Statement: *To provide professional assessment services in compliance with local and state laws and in accordance with the standards established by the State Tax Commission.*

Our purpose is to appraise all real and personal property within the City of Traverse City as prescribed by the City Charter and State Law.

The City Assessing Office is responsible for maintaining an inventory of and assessing all taxable property within 49-50% of market value for each class of property. Each year we attempt to physically inspect targeted neighborhood properties, new construction and recently sold properties. During these site visits photos are taken, new information is recorded and sketches are revised. Sales analysis and mapping are then created in order to establish area value trends. Improved property and vacant land sales are reviewed to establish area value trends. Improved property and vacant land sales are reviewed to establish new economic factors for residential, commercial and industrial properties. Finally, new values are generated for each parcel of property. These values are then used as the base to generate revenue for Grand Traverse County, Leelanau County, the City of Traverse City, TCAPS, TBAISD, Northwestern Michigan College, BATA, the Recreation Authority and the Library.

Additionally, it is our goal to maintain and enhance the public understanding of the taxation process as well as the public dissemination of individual property data, property tax forms and the values associated with each parcel. We are continually increasing the availability and ease of on-line information through the City's Web site and the tax parcel viewer application.

We must also meet the requirements of State law and the City Charter as well as the policies of the State Tax Commission. These include:

- Meet/exceed annual state certification educational requirements
- Physically inspect and record all new construction
- Processing of deeds/transfers of ownerships, property transfer affidavits, principal residence exemptions/rescinds, boundary line adjustments/splits, verification of tax/legal descriptions
- Staff Board of Review meetings
- Defend property assessment appeals

Currently the Department administers over 9,300 active parcels.

The Assessment Department is staffed by:

Polly Cairns, City Assessor, MAAO

David Brown, Deputy Assessor, MAAO

Vacant, Senior Assessor

Assessment Clerk/Appraiser I

GOALS

1. Update property record card information.
2. Update photo and sketch attachments.
3. Make more data available to the Public via the web.
4. Review and inspection of 20% of each class of property (per State recommendation).

CITY ATTORNEY DEPARTMENT

***Mission Statement:** The Office of the City Attorney is committed to providing the highest quality legal services to the City Commission, administrative staff, departments, boards and commissions of the City of Traverse City, on matters that affect the conduct of City business. City Attorney also strives to provide the City with timely topical legal advice concerning staff recommendations, commission policies, administrative procedures, and developing issues.*

The City Attorney's Department is responsible for providing legal advice and services to the City Commission, City staff, and City boards and commissions on matters that affect the conduct of City business. The City Attorney's role as the chief legal advisor is to interpret and apply relevant laws with the primary goal of protecting the interests of the City.

The City Attorney provides the City with professional legal advice and services so City activities, staff recommendations, commission policies and administrative procedures are undertaken after consideration of all appropriate laws. The City Attorney also provides representation of the City in all legal proceedings. Additionally, the City Attorney is legal counsel for the Downtown Development Authority (a component unit of the City).

The City Attorney Department's budget is continually being streamlined to properly reflect budget cost reductions provided by striving to become a "paperless" office and being creative in reducing personnel costs while increasing accessibility.

This Department specifically:

- Provides timely and topical legal advice to city staff and all its officials.
- Reviews, revises, and prepare legal documents.
- Defends the City in litigation.
- Represents the City before judicial or administrative boards and agencies.
- Prosecutes violations of the City Code.
- Provides legal counsel at City Commission meetings.

The City Attorney Department consists of the City Attorney, Lauren Tribble-Laucht, Esq., and a part-time assistant.

GOALS

1. Identify the number of contracts reviewed as to form.
2. Identify the number of issues researched.
3. Identify the number of legal services requested.

CITY CLERK DEPARTMENT

Mission Statement: *To serve community residents and business owners, the City Commission, the City Manager and City departments rendering equal service to all, providing top-level enthusiastic, accurate and courteous service.*

The City Clerk's Office serves as the legislative and corporate office of the City in accordance with and upholding the City Charter, ordinances, policies and federal and state law.

Some of our primary responsibilities are:

- Clerk to the City Commission - legislative process and administration; preparing business packets for all official sessions of the City Commission, tracking and expediting all City Commission business items, including various contractual terms
- Federal, State and local elections administrator - planning, organizing and executing all aspects of elections in the city
- Liability insurance and risk administrator (protecting over \$132M in city assets; managing the city's multi-faceted property and liability policy, administering all liability claims; and tracking and auditing nearly \$500M annually in insurance coverage required of others in order to protect the city's financial poise)
- Corporate office – approving, along with the City Treasurer/Finance Director all financial disbursements, including Traverse City Light and Power which totals approximately \$60 million annually; executing official legal documents, including contracts, leases and various permissions and tracking contractual terms and various business touch points/transactions
- License and permit authority - managing all phases of the city's 30 key licenses and permits, including all special events
- Administrator of vital city records - cataloging and preserving the city's vital records
- FOIA (Freedom of Information Act) Coordinator - ensuring compliance with public requirements disclosure requirements
- Administrators for all Fire Department entry-level and promotional lists - managing the process in compliance with applicable rules
- HIPAA (Health Insurance Portability and Accountability Act) Privacy Official - managing access to all HIPAA - protected records under the City's care
- Ordinance amendment preparation - managing and updating the City Charter and City Code of Ordinances
- Open Meetings Act compliance officer
- Parliamentary and policy advisor to various City boards
- Public liaison
- Joint Staff to City Commission ad hoc committees - coordinating the recruitment and appointment process for all Mayoral and City Commission appointments; and staffing other special City Commission Ad Hoc Committees as requested

Our team members

Benjamin C. Marentette, CMC, City Clerk
Katie Lowran, Deputy City Clerk
Kate Stroven, Administrative Specialist
Kim Lautner, Registration/Licensing Clerk

GOALS

1. Continued implementation and deployment of Document Management System and authenticated digital signature tools for the city's vital records.
2. Cemetery lot management software implementation.
3. Implementation of individual and collective team objectives and work plans for 2013.

* As a result of the city-wide redistricting and voter registration process, a significantly higher volume of transactions were processed and not quantified.

SUMMARY OF BUDGET CHANGES

Salaries and Wages/Fringe Benefits – Salaries and wages/fringe benefits increased relating to overall wage increase tied to inflation rates and employee step increases.

Professional Services – Professional services decreased because this fiscal year only one general election is anticipated and in the prior fiscal year two elections were held. Most election related charges are paid from this line item including election inspector wages, tabulator and AutoMark programming costs and Board of Canvassers certification costs.

CITY TREASURER DEPARTMENT

Mission Statement: *To provide competent and comprehensive financial services to the City and its residents.*

The City Treasurer's Office is responsible for the collection and disbursement of all monies for the City and maintaining appropriate accounting and financial records to document these transactions.

This office handles:

- Billing and collection of payments for over 11,500 utility customers monthly.
- Payments on over 8,000 tax parcels in both the summer and winter.
- Invoicing of over 1,000 individuals and businesses for miscellaneous services performed by City departments.
- Collection of assessments on about 500 parcels, which have special improvement districts.
- Payroll is processed and disbursed from the department on a bi-weekly basis for approximately 150 full-time employees.
- The Department pays all City expenses and writes an estimated 7,200 voucher checks per year.

In addition to the accounting functions, this Department is responsible for:

- Preparation of the City's budget, assisting various departments on key aspects of budget preparation and guidance on treatment of certain budget matters.
- Preparation of the City's annual financial statements.
- The City's financial reporting for both internal and external purposes. Includes, but is not limited to federal and state agencies, nationally recognized municipal securities information repositories.
- Investment of excess funds.
- Assisting with monitoring the internal control of the City as a whole.
- Administering an independent and state authorized retirement system for its police and firefighters with 51 active members and 58 retired members or beneficiaries.
- Reporting to bond rating agencies.

The Treasurer Department/Utility Accounting Department has the following positions:

City Treasurer/Finance Director

Deputy City Treasurer/Assistant Finance Director

Financial Analyst/Compliance Officer

Accounting Assistant

Utility Billing Clerk

Accounts Payable Clerk

Collections Clerk

Customer Service Representative (3)

GOALS

1. Implement document management system, which will increase efficiencies through online claim approval and provide departments online access to paid claims, receipts, and other financial documentation.
2. Implement procedures with grant/project administrators to assure all grant compliance requirements are met required by the grantor and OMB Circular A-133.

POLICE DEPARTMENT

Mission Statement: *In cooperation with our community, is to protect life and property, and enhance the quality of life for all citizens.*

As a part of the entire City services, the Police Department continues to put forth the organizational strategy of being customer-based with unlimited partnerships in a unified effort to solve problems. The primary function of serving and protecting the citizens of this City has evolved to a service level where we are part of a team that serves our citizens and works to raise the quality of life in our City.

Currently, the Police Department consists of the Police Chief, Administrative Assistant, 2 Captains, 1 part-time Administrative Clerk, 6 Sergeants, 3 Detectives, 1 School Liaison Officer, 15 Patrol Officers, 1 narcotics officer and a highly trained 17 member reserve unit.

GOALS

1. Reduce the occurrence of crime.
2. Identify, arrest and assist in the prosecution of people who commit crimes.
3. Recover lost or stolen property, identify its owner, and ensure prompt return.
4. Facilitate the safe and orderly movement of people and vehicles.
5. Assist those who cannot care for themselves or arrange for such assistance. Provide, on an emergency basis, services the police are particularly equipped to provide.
6. Ensure the taxpayers of the City receive the greatest benefit for their dollars.
7. Create and maintain a feeling of confidence in and support for the Department on the part of the organizations with which we come in contact, particularly those organizations that are a part of the total criminal justice system.
8. Establish and maintain mutual trust through community partnerships.
9. Train and encourage police officers to make appropriate decisions and to perform their duties in a professional, productive and efficient manner.
10. Mobilize the City resources needed to address citizen concerns and problems.
11. Encourage community involvement in identifying and resolving problems.
12. Maintain our Commission on Accreditation for Law Enforcement Agencies (CALEA) standards through a formal staff inspection process.

SUMMARY OF BUDGET CHANGES

Salaries and Wages/Fringe Benefits – Overall salaries and wages/fringe benefits increased because of an additional FTE position added. TBAISD is funding this position for the months from September through June and the officer will work on their four City campuses during that period.

County Records Contract - County records contract decreased because of the Police and Sheriff department implementing a new software program, which led to increase efficiencies in recording police reports.

Insurance and Bonds – Insurance and bonds decreased to reflect past actual experience.

FIRE DEPARTMENT

Mission Statement: *To reduce deaths, injuries and property loss from fire, hazardous materials incidents, water accident and other disasters or emergencies. Our proactive services will be state of the art and pace setting, while providing life safety services, property preservation, and emergency services in a professional and cost effective manner. These services will be unhampered by tradition while recognizing and treating our members as our most valuable resource along with being the key to our success.*

The Traverse City Fire Department (the “TCFD”) is a 24/7 all-risk response agency providing emergency and non-emergency services to the Traverse City Community and its visitors. Our mission is to rescue victims, aid the sick and injured, and preserve property. Our dedicated personnel are the reason for our success. Their commitment to the community and the fire service is our most valuable resource. The capabilities of the highly skilled firefighters are a direct result of a comprehensive, performance-based training program requiring hundreds of hours of annual training and also the support from the Community through the General Fund.

Services the Traverse City Fire Department provides:

- **Fire Suppression** – TCFD personnel are trained in all aspects of fire suppression including: industrial, commercial, residential, aircraft, chemical, vehicle, boat and wild lands.
- **Advanced Life Support** – 16 of our 23 responders are serving as Paramedics, providing to our Community the highest level of pre-hospital care available in the nation. With our new Rescue 01, we can treat and transport patients to Munson Medical Center when North Flight is unavailable.
- **Fire Prevention/Inspection:** – Fire code compliance and safety inspections performed in the City of Traverse City are under the Fire Prevention/Inspection Section. Plans for all new construction/re-modeling within the City are reviewed for fire/life safety concerns.
- **Public Education** - Students in grades K-6 in schools located within the City of Traverse City have at least one fire safety presentation by the T.C.F.D. annually. Public Education includes fire safety awareness classes for various organizations and businesses, tours of our fire stations, an annual "Fire Safety Open House," a Juvenile Firesetter Counseling Program, and certified child car seat installation.
- **Aircraft Rescue Fire Fighting** – Contracted on-site staffing at Cherry Capital Airport.
- **Hazardous Materials and Weapons of Mass Destruction (WMD) Teams** - Every firefighter is HazMat and WMD trained. Due to financial support received through a subscription fee process, the HazMat team responds to HazMat incidents in a 4-county area. The WMD team covers the 17 county Michigan Region 07 for terrorism incidents.
- **Technical Rescue** – Personnel are cross-trained in varying aspects of technical rescue. This includes: Confined Space Rescue, High Angle Rope Rescue, Water and Ice Rescue, and Vehicle Extrication.
- **Other “Extras” we offer** - Free blood pressure checks at the fire stations and Senior Center, host semi-annual blood drives, coordinate a Christmas Toy Program, participate in the “Fill the Boot” program for MDA, give antique fire truck rides at Friday Night Live and “Special Kids Day” at the Cherry Festival, attend Career Days at the Jr. and Sr. High Schools, and a free Smoke Alarm Program with alarms installed by fire fighters at your home by appointment.

Currently, the Fire Department consists of the Fire Chief, 4 Captains (1 who serves as Fire Marshal), 4 Lieutenants (1 who serves as Training Officer), and 14 Firefighters.

GOALS

1. To meet the NFPA Standard 1710, response for EMS to be less than eight minutes ninety percent of the time.
2. To install 100 smoke alarms in Traverse City homes per year.

PERFORMANCE MEASUREMENTS

	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13

Percent of employees who training hours exceed department goal of 360 hours		57.14%	61.54%	62.50%	95.30%	Not Available

SUMMARY OF BUDGET CHANGES

Salaries and Wages/Fringe Benefits – Overall salaries and wages and fringe benefits decreased because the department is less 1 FTE position and the actuarial required contribution for retiree health care was significantly reduced from prior year.

Rentals – Rentals increased relating to charges being recouped for repairs costs relating to the 1994 Engine 01 and the 2004 Engine 02. Engine 01 is scheduled for replacement in the 2013-2014 Budget. This increase will be reduced by the acquisition of a 2012 F-550 Rescue Support Unit, which will permit the retiring of 2 vehicles currently in service.

ENGINEERING DEPARTMENT

***Mission Statement:** To develop, implement, supervise, inspect and coordinate all public improvements constructed by or for the City.*

The work performed by the Engineering Department includes utility reviews in conjunction with land use permits, right-of-way permits, stormwater drainage and soil erosion permits, historical information, traffic counting and studies and design, construction engineering and contract administration work related to various service areas. The Department maintains historic records for City utility locations including sanitary sewer, watermain and storm sewer. The Department participates and works in several areas and is involved with projects identified in the Public Improvement Plan. These activities are listed below.

- *Water System Reliability Plan*
- *Ordinance Compliance*
- *Economic Development Projects*
- *Regional Bridge Council and Bridge Scour Committee (MDOT)*
- *Regional Transportation Planning and Traffic Assessment (TC-TALUS)*
- *Asset Management*
- *Sidewalk Improvements*
- *Bike Paths and Trails*
- *Street Reconstruction and Resurfacing*
- *Storm Water Quality*
- *Sewer and Water Systems*
- *Budgeted Capital Improvements*
- *Bridge and Dam Inspections*
- *Pine and State Street Reconstruction*
- *West End Trail and Beach Access Project*
- *West Front Parking Deck and Surface Parking*
- *Boardman Lake Avenue and Trail Extension*
- *Division Street*
- *Grand Traverse Commons Infrastructure*
- *Bayfront Improvements*

The Department is staffed by:

City Engineer
Assistant City Engineer
Engineering Public Services Assistant
Engineering Assistant
Engineering Technician
Engineering Aide
Planning and Engineering Assistant (0.4 FTE)

GOALS

1. Provide greater emphasis on addressing traffic impacts within neighborhoods.
2. Implement budgeted capital improvement projects in a timely manner.
3. Seek grants and outside funding sources for capital improvements.

PLANNING AND ZONING DEPARTMENT

Mission Statement: *To guide the City with land use and planning in order to enhance the quality of the community and ensure it remains a place where both citizens and businesses love to call home.*

In order to do this, the Planning Department:

- Helps to administer the City of Traverse City Master Plan, a document that guides City zoning, land use, urban design and physical improvements, such as buildings, streets and parks.
- Provides administrative staff for the Planning Commission, Grand Traverse Commons Joint Planning Commission, Board of Zoning Appeals, and Historic Districts Commission.
- Administers and enforces the zoning, sign, and historic districts ordinances and other land use laws.
- Reviews building site plans and prepares reports and recommendations to the Planning Commission for zoning map amendments, zoning laws, special land use permits and planned unit developments.
- Answers zoning and land use questions and interprets land use principles, and planning and zoning laws.
- Works with property owners and developers, other agencies and City departments to ensure that building plans are consistent with the Master Plan and laws regarding size and placement of buildings, signs, parking areas and landscaping requirements.
- Inspects multi-family rental dwellings, rooming houses, proper anchoring of boats on the near shore of Grand Traverse Bay and property maintenance code violations.

The Planning Department is staffed by:

Russ Soyring, Planning Director
David Weston, Zoning Administrator
Missy Luick, Planning and Engineering Assistant
Loyd Morris, Code Enforcement Officer

GOALS

1. Write and administer grant(s) to implement the Bayfront Plan and other City projects.
2. Currently Clinch Park Phase 1 and Phase 2 are underway with June 2013 completion dates. The Planning and Engineering Departments are working on implementing the projects and administering the grants in 2013.
3. Once all Planning Elements are approved, they will be prepared for publication using a unifying graphic design to stylize the Elements in a format that conforms to the Master Plan. The Elements will be printed, bound and incorporated as Sub Plans of the Master Plan.
4. In 2011, the City passed a local ordinance that requires drivers to stop for pedestrians in marked and posted crosswalks. In 2012, City Staff formed a committee to establish a process to work toward implementation. Staff will launch a public education effort and begin enforcement in 2013.

GOALS (Continued)

5. In 2012, the City received a Natural Resources Trust Fund grant for the next phase of the Boardman Lake Trail (multi-use trail extension to 14th Street with connections to the neighborhood and a recreation area along Boardman Lake). The Planning Commission approved the project to be consistent with the Master Plan. The Planning Department will be working with the Engineering Department implementing the project and administering the grant in 2013-14.
6. The Planning Department applied for and received the Bicycle Friendly City designation in 2009 at the Bronze level. Reapplication in 2013 is required to sustain our designation and possibly increase our status to Silver or a higher designation level.
7. The Planning Department will be working with the Engineering Department on implementing the West End Beach Trail and Access Project and administering the project grants in 2013-2014.
8. The Planning Department will be working with the Engineering Department on implementing the Boardman River Boat Launch and Lot D Project and administering the project grants in 2013-14.
9. The Planning Department continues to work on drafting a Zoning Ordinance in cooperation with the Garfield Township Planning Department and the Grand Traverse Commons Joint Planning Commission.

PARKS AND RECREATION DEPARTMENT

Mission Statement: *To create community through people, parks and programs.*

The Parks and Recreation Division maintains the City's parkland, open spaces and urban forest, operates Oakwood Cemetery and Hickory Hills Ski Area and administers recreation programs. The Park Maintenance responsibilities include:

- Maintaining 385 acres of parkland in 34 City Parks.
- Managing the urban forest: 9,000 street trees, 2,000 park trees, and 3,000 cemetery trees. This includes pruning street trees on a 10-year cycle; 100 removals a year; and 100 – 150 plantings a year.
- Caring for all plantings: 4,500 shrubs, 114 flowerbeds and 50 perennial beds. This includes pruning, mulching, dividing and the planting of 10,000 annual flowers each year.
- Mowing 70 acres of lawns plus the parkway and other grassy City right-of-ways.
- Snow removal at various City parking lots, the fire stations, Oakwood Cemetery, Water Treatment Plant and History Center.
- Cleaning City beaches twice a week during summer.
- Maintaining and repairing 7 restroom facilities.
- Maintaining playground equipment in 11 parks.
- Creating and maintaining 3 outdoor ice rinks.
- Installing and repairing 30 picnic grills, 90 park benches, 100 picnic tables, 130 park trash cans and 85 downtown trash cans.
- Collecting trash from parks and the downtown area.
- Programming, monitoring, repairing, locating and winterizing 32 automatic irrigation systems and 6 manual systems in 17 parks and along the parkway.
- Maintaining the boardwalks along Boardman Lake and the Boardman River, to include annual removal and installation of floating docks at Hull Park.
- Brush chipping during spring cleanup.
- Christmas tree chipping.
- Selecting, cutting, placing and decorating the downtown community Christmas tree.
- Cleaning, monitoring and maintaining the Union Street Dam.
- Assisting City Clerk with delivery of election equipment.

Recreation includes:

- Operating Hickory Hills Ski Area, which includes 8 downhill runs and 4 kilometers of cross country ski trails.
- Maintaining tennis courts and playgrounds.
- Hiring, training and testing lifeguards for Clinch Park beach.
- Placing ropes and buoys to designate swim areas at four beaches.
- Operating Summer Day Camp.
- Managing an adult volleyball program in which 40 teams participate in 3 to 6 leagues.
- Hosting the local Hershey Track and Field Meet.

The Parks and Recreation Department is staffed by: A full time staff of 12 including: 1 supervisory position that works 4 months as manager of Hickory Hills and 8 months as Marina Dockmaster; 2 full-time maintenance employees whose time is shared in the winter with the Streets division and a departmental secretary shared among 4 Department of Public Services divisions. The seasonal staff includes 8 parks maintenance workers and nearly 40 seasonal personnel on various parks and recreation programs and facilities.

GOALS

1. To determine the effects on the adult volleyball program of increased gym rental fees and reduced gym availability.
2. To continue offering the adult volleyball program and to run the program with a cost neutral or better financial status.

PERFORMANCE MEASUREMENTS

	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13

Net income from operations of the volleyball program		\$ 580.53	\$ 895.36	\$ 888.07	\$ 828.27	Not available
Cost to operate by number of skiers		\$ 10.98	\$ 6.38	\$ 6.91	\$ 6.55	\$9.62

SUMMARY OF BUDGET CHANGES

Salaries and Wages/Fringe Benefits – Salaries and wages/fringe benefits increased relating to in the prior year 2 less FTE positions were budgeted while in the current year the department actually had one less FTE position with the other FTE position decrease occurring in the Streets Department.

Professional Services – Professional services increased because of an additional manpower employee during the summer to monitor the activities at Clinch Park and to assure the Park area is in premium condition. Additionally, there is an expected increase in the restroom cleaning contract.

Utilities - Utilities increased to reflect the additional electrical and water consumption expected at Clinch Park.

Rentals - Rentals decreased because some of the Park's equipment is moving from fleet to non-fleet status.

OAKWOOD CEMETERY

Oakwood Cemetery, administered by the Parks and Recreation Division, provides burial and other services along with conducting sales of burial rights for in-ground plots, cremation niches and mausoleum crypts for future and present need. In addition, the Cemetery staff continues to assist genealogy inquiries, places monument foundations and perform the grounds maintenance.

The staff includes the Sexton, Office Clerk (24 hours per week) and 4 seasonal maintenance employees. In addition, a portion of two administrator's time and benefits is charged to this budget.

SUMMARY OF BUDGET CHANGES

Salaries and Wages/Fringe Benefits – Salaries and wages increased because the City is hiring seasonal staff to do the grounds maintenance beginning this year.

Professional Services - Professional services decreased by a large amount because there will be no cemetery maintenance contractor this year.

Transportation - Transportation increased relating to the City taking over the grounds maintenance.

DPS DIRECTOR AND STREETS ADMINISTRATION

Mission Statement: *to maintain all the City's streets, sidewalks, and trails to ensure safe travel for residents and visitors.*

The Director of Public Services oversees the activities of six departments/divisions that provide a variety of services to the public. They include Parks and Recreation, Streets, Garage, Water and Wastewater Maintenance, Water Treatment, and Marina.

The Director coordinates departmental activities with other City staff and synchronizes projects between divisions and departments. The Director works with employees and supervisors to develop policies, procedures and programs and oversees contracts, collective bargaining agreements, budgets, training, safety and infrastructure maintenance.

The Streets Division is responsible for an array of maintenance programs. This includes, but is not limited to:

- Snow removal.
- Repairing and cleaning of 28.3 miles of Major Streets, 48.3 miles of local streets, 8.7 miles of State Highways, 40.2 miles of Alley's and 79.9 miles of sidewalk and 5.1 miles of bike trails.
- Cleaning and repairing of 1,250 catch basins and 650 storm manholes including all connecting lines.
- Fall leaf collection and composting program.
- Mowing large amounts of non-parkland property along our City's right-of-ways.
- Installing and maintaining all signs on City property and parking lots.

Two administrators, one asset management technician and 13 equipment operators staff the Streets Division. In the winter months there is someone working 24 hours per day on weekdays, and from 4:00 a.m. to 8:00 a.m. on the weekends and Holidays. Additional personnel will be called out on weekends to do plowing and sanding, depending on the weather.

GOALS

1. Stabilize deteriorating infrastructure by increasing preventive maintenance techniques using infrared process, grind and pave and crack sealing.
2. Reduce amount of cold patch purchased (\$120.00 per ton) by 98% and recycle virgin asphalt (\$70.00) using our Asphalt Recycling Hot Patcher.

PERFORMANCE MEASUREMENTS

This budget reflects salary, benefits and expenditures for the Office of the DPS Director associated with those activities relating to the Departments under the Director's supervision within the General Fund. The balance of expenditures for the DPS Director and Assistant is reflected within the Marina, Water, Wastewater and Garage Fund.

This budget also reflects expenditures of the City's streets, alley's, sidewalks, and bike paths. Major, Local or State Trunkline special revenue funds are charged labor, benefits, and equipment rental fees (at state equipment rates) based on actual time dedicated to those activities. Spring clean-up, and fall leaf pick-up are charged to the Local Streets Fund.

This fund was approved by City ordinance pursuant to Public Act 30 of 1978. The only revenues are transfers from the General Fund and interest on investments of the fund. Such transfers can only be made when a surplus exists in the General Fund from an excess of revenues over expenditures. The money in the Budget Stabilization Fund cannot exceed the smaller of 15% of the City's General Fund budget for the most recent year or an average of the five most recent years. Monies in this fund may be used to cover a General Fund deficit, prevent a reduction in the level of public services or to cover the expenses of a natural disaster. However, these monies are not to be used as part of a general capital improvement program.

SUMMARY OF BUDGET CHANGES – Street Funds

REVENUES

State Sources –State sources in the Trunkline increased based on the expectation more maintenance work will need to be completed in the 2013-14 fiscal year.

General Fund/Direct Support - General Fund/Direct Support increased relating to in the prior year it was expected more equipment would be charged out to the Street Funds and other departments/funds causing in the prior year a revenue balance in the rental expense line item. This year it was budgeted more on current year actual to date.

Transfers in – This account is used to balance the Street Funds revenues and expenditures.

EXPENDITURES

Salaries and Wages/Fringe Benefits – Salaries and wages/fringe benefits decreased because the department is less one FTE position.

Office/Operation Supplies – Operation supplies are expected to increase, because of the material costs required to maintain the local streets based on past history.

Professional Services – Professional services increased relate to the cost to dispose of street sweeping and storm basin cleaning with a waste hauler along with other miscellaneous increases with street painting and infrared work repair on the trunkline.

Rentals - Overall rentals decreased, because equipment moving from fleet to non-fleet and expectation more equipment rental will be charged to other funds/departments than the Street Funds.

This fund was created in 2010-11 fiscal year to account for the \$1,000,000 grant received from Great Lakes Fisheries Trust in collaboration with Grand Traverse County to remove the Boardman Dam. In addition to this grant the city is the fiduciary agent for other grants where the Conservation Resource Alliance is the recipient. These grants were awarded from the United States Fisheries Wildlife Service and National Fish and Wildlife Foundation. The purpose of these grants is to reinstate the river to its natural state. The project was completed in the current fiscal year.

The objective of the Heritage Center is to collect, preserve and present the cultural history of the Grand Traverse region. This budget covers the City's allotment to the Friends of the Heritage Center for management and operation of the Museum and its outreach programs in accordance with the Center's purpose. The City's General Fund no longer funds the Heritage Center Fund except for the interest revenue earned from the McCauley Estate Trust Fund. The Friends of the Heritage Center raise additional funds through admission fees, gift shop sales, fund raising activities, grants and donations.

This fund was created to account for the Senior Center management contract between Grand Traverse County and City of Traverse City. The contribution reflects money provided by Grand Traverse County to subsidize salary and fringe benefits of the Director and repairs and maintenance of the building. All other operational costs will be paid for by Grand Traverse County.

This fund was created to reflect the lease revenues and related expenses for the general operation of the City Opera House. In 2005 the Opera House received an inter-fund loan from the Economic Development Fund. That loan was repaid in April 2007. Another inter-fund loan from the Economic Development Fund was granted in 2007 and was converted to a transfer in from the Economic Development Fund to meet the requirements of the deficit reduction plan filed with the Michigan Department of Treasury. In future years when this fund accumulates a large enough fund balance, the transfer will be made back to the Economic Development Fund via City Commission approval.

This fund was created in 1949 to account for the sale of lots in industrial parks developed by the City and funded by federal grants. Currently, the City does not have any industrial parks under development or lots for sale. An inter-fund loan was made originally to the Marina in 2004 for its expansion project in the amount of \$850,000 at 3.58% interest for 5 years. In December 2009, the loan was renegotiated in the amount of \$850,000 at 2.03% interest for five years. Another interfund loan was made to the Opera House Fund in 2007 for \$300,000 at 5% interest for 5 years. The interfund loan to the Opera House was converted to a transfer out from the Economic Development Fund to meet the requirements of the deficit reduction plan filed with the Michigan Department of Treasury. In future years when the Opera House Fund accumulates a large enough fund balance, the transfer will be made back to the Economic Development Fund via City Commission approval. The \$50,000 transfer reflects a City Commission action on November 15, 2012 for contract costs relating to Clinch Park Revitalization Project Phase 2.

This fund is established to account for the sources and uses of the tax exempt portion of a limited tax general obligation bond undertaken for the construction of the Hardy Parking Deck and related projects in the downtown area.

The DDA Board of Directors is planning on expending the funds remaining in the Parking Deck Bond Funds (taxable and non-taxable), rather than holding it for the planned third phase of Radio Centre. The projects remaining are listed below.

Park Street Streetscapes (\$515,000) - This amount reflects half of the cost to complete streetscapes along Park Street. We have support from the property owners for a special improvement district.

East Front Street (\$257,000) - We are hoping to at a minimum repave East Front Street from Boardman to Grandview Parkway. If we gain property owner support for streetscapes that special improvement district

The Recaptured Grant Revolving Loan Fund consists of interest earned from loans for projects relating to economic development in the City as encouraged by the Michigan Small Cities Community Development Block Grant Program. All loans have been paid back to the City and all original grants received by the City from the State have been paid back to the State.

The City sought and received approval from the State to utilize the remaining funds for public infrastructure projects which will meet the national objective of eliminating a blighted area of the City. These public infrastructure projects at the Grand Traverse Commons included looping of a water main on Silver Drive, rebuilding the Cedar Street manhole, designing and constructing Franke Road extension, and construction of sidewalks on Eleventh Street between Division and Elmwood Avenue. Funds were used in FY 02/03 to purchase property at the Commons which was added to the City's parkland inventory and these funds were to be used by the GTCRC for construction of a new roof on the "Barns".

All projects have been completed.

This fund was created to account for financing of various public improvements to benefit specific property owners. The City Commission approves all special assessment projects and specifies the cost to be paid by special assessments to the benefited property owners and the cost to be paid by the City at large. Additional pro-rata assessments can be made by the City Commission for costs in excess of estimates.

Assessment estimates in excess of costs by more than 5% must be refunded pro-rata. The period of payment varies between five to ten years and actual interest rates for an assessment is based 2% above the relevant Treasury bill rate but not to exceed 6%. This fund was established during 1988 when the City implemented the provisions of the Governmental Accounting Standards Board Statement Number 6, which eliminates the special assessment fund type.

Unpaid assessments as of April 1, for the prior year, are added to the City tax roll and become a lien on the property.

**City of Traverse City, Michigan
Parking System Fund Revenues and Expenditures
For the Fiscal Years 2009-10 through 2013-14**

Fiscal Years

PARKING SYSTEM FUND

Mission Statement: *To promote commerce and quality of life in the Downtown, NMC Campus, and Munson Hospital area by effective management of cars and bikes in those areas. We do this with the highest level of customer service, efficient management and effective problem solving.*

The Downtown Development Authority (DDA), on behalf of the City of Traverse City, manages the Traverse City Parking System (TCPS), formerly the Auto Parking System; an enterprise fund. The 2013-14 budget includes revenues and expenses for operation of the entire system, including two parking decks.

Currently, there remains one (1) full time City employee, and a management contract with the DDA for \$252,000/year for staffing of the enterprise fund. Additionally, it is anticipated that the contractual amount will increase in the fiscal year 13/14 to \$330,000/year, as approved by the City Commission on April 1, 2013. This is in recognition of the increased maintenance and other costs related to the Old Town Parking Deck. The DDA has a staff of four (4) full time and seven (7) part time employees who dedicate nearly 100% of their time to TCPS, as part of this agreement. One of the part-time employees is a new addition and will serve as a seasonal parking ambassador to assist with the increased tourist traffic during the busy months. We anticipate this position will increase revenue through assistance with meter collections and enforcement. The remaining four (4) full time employees of the DDA dedicate various percentages of their time to TCPS on an as-needed basis.

The Miscellaneous line item includes \$200,000 for a planned pilot project replacing old parking meters with newer smart meters. This improvement is necessary due to the thefts that occurred last year as well as a move toward greater flexibility in providing customer service and in monitoring the system. The ultimate expenditure will be reviewed by the DDA in advance of actual City Commission approval.

An increase in revenue from meter coin collections is expected due in part from the one-year trial agreement with Parkmobile's pay by cell integration for on-street meters. Furthermore, a slight increase in surface lot permits is anticipated as a result of the late fall 2012 lease agreement for Lot Z and continued growth in the Warehouse District.

The Downtown Parking Committee continues to meet on a regular basis to assess parking accommodations in the system and to provide reports and recommendations to the board as needed.

GOALS

1. Provide a successful, attractive parking environment that supports economic growth and tourism in Downtown
 - a. Have year to year growth in total permits sold
 - b. Have year to year growth in meter revenue
 - c. Foster private investment in the Downtown Development Authority district, which is indicative of confidence in our parking system
 - d. Continually invest in parking infrastructure to maintain a high quality experience.
2. Promote a higher quality of life through reduced reliance on surface parking Downtown
 - a. Reduce the amount of surface space as a percentage of commercial space in the Downtown Development Authority district
 - b. Increase bicycle parking in the Downtown Development Authority district
 - c. Work with the local transit authority to accommodate transit use in the Downtown Development Authority district
3. Promote commerce at the NMC Campus, and Munson Hospital area
 - a. Work with both agencies to serve their specific needs in managing cars
 - b. Make efficient use of resources by partnering with these and other agencies

PERFORMANCE MEASUREMENTS

Output	Performance Indicators	2008/2009	2009/2010	2010/2011	2011/2012	2012/2013
	Number of parking fines issued	12,855	21,531	19,846	18,306	17,800
Estimated number of vehicles processed in the parking decks	153,446	169,776	262,167	290,706	304,000	
Efficiency	Utilization of parking decks at 2 pm	63.4%	65.8%	72.7%	74.5%	80.6%
	Utilization of parking decks Monday through Friday all day	77.9%	86.1%	87.4%	104.4%	115.1%
	% of revenue collected from parking fines	88.9%	90.4%	90.3%	87.6%	81.2%
	Commercial space (sf) per public surface space	not available	666	720	767	778

SUMMARY OF BUDGET CHANGES

REVENUE

Parking Deck Proceeds – Parking deck proceeds increased because of increased utilization at both fully operational parking decks.

Parking Fees-Coin – Expect an increase in revenue from pay-by-cell feature, additional staff person assisting in collections, and no theft problems that were experienced in previous fiscal.

SUMMARY OF BUDGET CHANGES (Continued)

Permits – Surface Lots – Looking towards a slight increase due to acquisition of Lot Z and Warehouse District improvements. Otherwise, sale numbers are remaining flat with most permits being purchased as yearly permits.

Permits – Parking Deck – Increased due to continued permit purchases at the Old Town Parking Deck. Permit purchases at the Hardy Deck are slightly stagnant as companies have been downsizing.

Parking Fines – Increased due to addition of seasonal part-time parking ambassador.

EXPENSES

Professional Services – Professional services increasing due to possible increase in DDA contract. We are also leaning more towards services being performed through contractual agreements.

Utilities - Utilities decreased related to the savings on energy costs from the LED Lighting project at the Hardy Parking Deck.

Repairs and Maintenance – Repairs and maintenance increased because of aging structural and equipment issues at the Hardy Parking Deck, parking lot repairs, and 13/14 Capital Improvement Plans.

Rentals – Rentals overall decreased relating to moving equipment from fleet to non-fleet.

Miscellaneous - Miscellaneous increased related to the purchase of the new parking meters referred to in the budget narrative.

Depreciation - Depreciation increased to become more in align with past year actual expense.

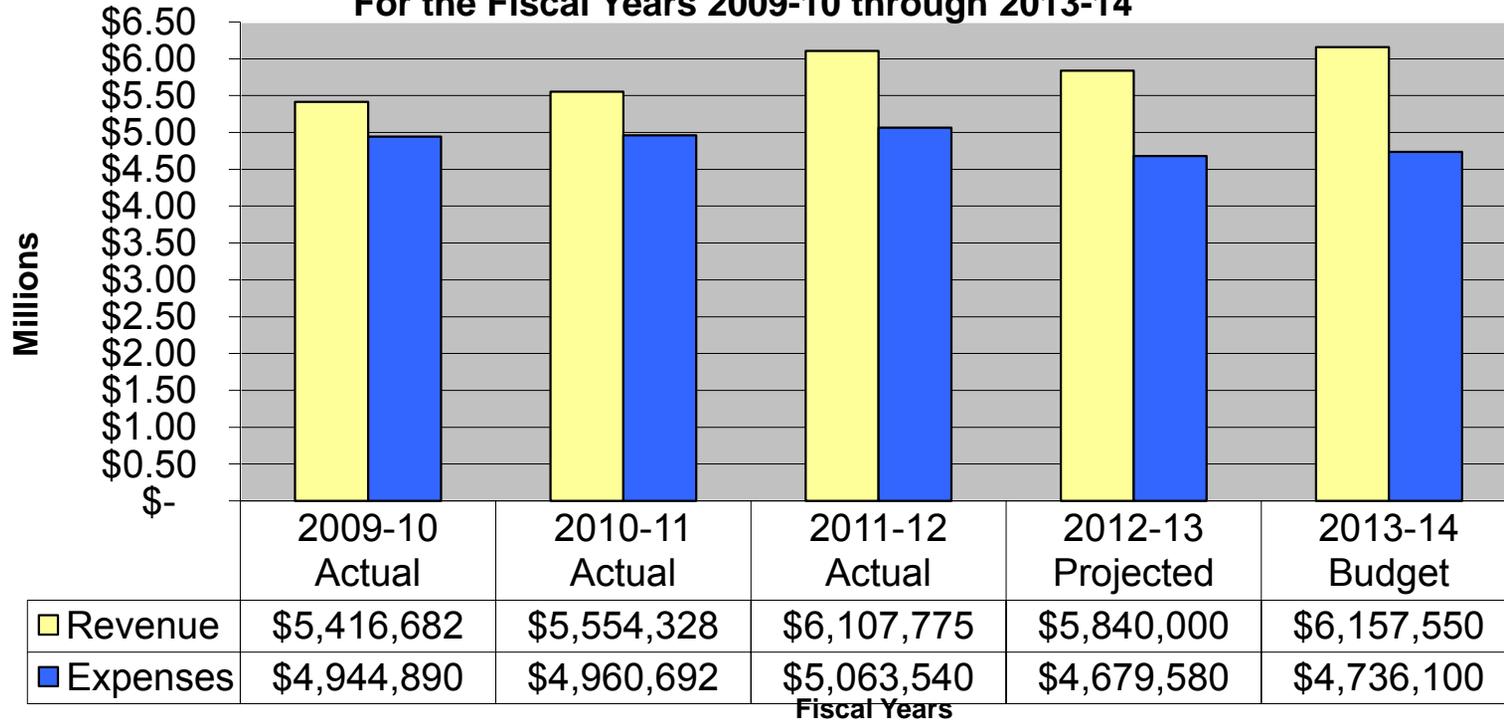

NONOPERATING REVENUES (EXPENSES)

Transfer Out – City Fee – The City fee will remain at the increased rate of 10% because the system is now receiving all parking fine revenue except for the parking tickets and meter coin generated at the college, which is split net expenses between the College Parking Fund and General Fund.

**City of Traverse City, Michigan
Wastewater Fund Revenues and Expenditures
For the Fiscal Years 2009-10 through 2013-14**

WASTEWATER FUND

Mission Statement: *To reliably treat the community's wastewater to a level of quality such that it will have no impact on receiving waters and to do so efficiently, minimizing consumption of energy and resources, carbon footprint, and inconvenience to neighbors.*

Traverse City and the surrounding townships are way out in front in environmental leadership and in executing their responsibility to reflect the local environmental ethic in its policies.

The Wastewater Treatment Plant treats sewage from the City of Traverse City and the townships of Acme, East Bay, Elmwood, Garfield, Peninsula, and Blair. All are parties to the Master Sewer Agreement, original adopted in 1987 and revised in 2001. The City has a unique and central role under that agreement; the plant is located in the City, the City is responsible for its operation, and holds the NPDES permit to discharge to the Boardman River.

The City is also the entity to which the role of “Control Authority” is delegated by the other parties, that is, the City administers the system-wide Industrial Pretreatment Program and enforces township as well as City sewer use ordinances. The above is accomplished through a management contract with CH2M Hill.

The Traverse City Plant was upon start up, the largest operating plant on the continent using membrane bioreactor technology. It has capacity to meet area growth needs into the foreseeable future and produces an effluent of extraordinary clarity so that it will have no impact on the receiving waters.

SUMMARY OF BUDGET CHANGES – OPERATING REVENUES

Sewer Service Charges – Sewer service charges increased, because of an anticipated rate increase to cover future capital costs.

Public Authority – Public authority revenues increased, because management anticipates an increase in the CH2M Hill contract, operator of the Wastewater Treatment Plant. The local surrounding townships participate in the operational costs through the Master Sewer agreement.

Miscellaneous – Miscellaneous decreased, because the expectation on the gain of bond payments will be reduced due to one bond issue retiring in the current fiscal year.

GOALS – WWTP and Pump Stations

1. Finalize strategy for membrane replacement and establish funding for implementation.
2. Complete fire planned facility sustaining capital projects at the Wastewater Treatment Plant.
3. Establish a plan for Wastewater Treatment Plant staff leadership succession.

PERFORMANCE MEASUREMENTS – WWTP AND PUMP STATIONS

	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13
Output	Billions of gallons treated	1.5584	1.5650	1.4619	1.5608	1.5120
	Millions of pounds of BOD treated	3.56M	3.53M	3.43M	3.50M	3.37M
	Recordable safety incidents	0	0	0	0	1
Efficiency	Percentage of effluent in compliance with NPDES permit	100%	100%	100%	100%	100%
	Kilowatt hours used/pound of BOD treated	1.3750	1.2720	1.2980	1.2880	1.3000
	Total recordable rates	0	0	0	0	9%
	Days away restricted transfer	0	0	0	0	0

SUMMARY OF BUDGET CHANGES – WWTP AND PUMP STATIONS

Professional Services – Professional services increased, because management anticipates an increase in the Wastewater operations contract with CH2M Hill.

WASTEWATER FUND – MAINTENANCE AND REPAIRS

Mission Statement: *To maintain the sanitary sewer collection system, keeping in mind at all times the health and welfare of the public.*

Responsibilities include:

- Cleaning, televising and repairing 79 miles of gravity sewer and 19 miles of forced main sanitary sewer.
- Cleaning and maintaining 1,830 sewer manholes.
- Administering the Cross Connection Inspection Program.
- Identifying illicit roof drain connections to the storm water system.
- Locating all water, sanitary and storm lines for MISS DIG.
- Assisting all DPS Divisions with confined space entries.
- Maintaining 11 storm water treatment systems on outfalls

GOALS – MAINTENANCE AND REPAIRS

1. Continue with the implementation plan for changing out meters to the new Sensus meters, which are highly accurate for a longer period of time.
2. Continue with the implementation plan on installing radio reads to promote higher accuracy of reads.
3. Increase efforts to reduce the number of sewer calls.
4. Attempt to clean thirty percent of the sanitary system on a yearly basis.

PERFORMANCE MEASUREMENTS - MAINTENANCE AND REPAIRS

Output	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13
		Sewer maintenance calls	86	54	58	73
	Number of storm sewer filters cleaned with vactor	20	16	25	17	6
	Footage of sewers cleaned	115,453	98,340	39,681	40,466	9,391
Efficiency	Percentage of maintenance calls responded to within one hour	100%	100%	99%	100%	100%
	Percentage of sewer backups that were homeowner responsibility	78%	82%	78%	73%	71%
	Average times cleaned per year	1.8	1.4	2.3	1.5	1.5
	Percentage of annual sewers cleaned	28%	24%	10%	10%	2%

SUMMARY OF BUDGET CHANGES – MAINTENANCE AND REPAIRS

Office/Operation Supplies – Office/operations supplies decreased, because in the prior year a one-time purchase of a pole camera was budgeted.

Rentals - Rentals overall increased, because it is management's intent to rent an additional Vactor Truck this summer from July through September to allow for more sewer lines to be cleaned.

GOALS – ADMINISTRATIVE AND GENERAL

1. Work and coordinate with the Wastewater/Water and Electric Utility Department the implementation of the radio read program.

PERFORMANCE MEASUREMENTS – ADMINISTRATIVE AND GENERAL

	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13
Output	Receivables billed (in millions)	3.283	3.401	3.716	4.160	Not Available
	Initial amount of accounts going through the lien process	Not Available	Not Available	Not Available	111	138
Efficiency	Receivables collected (annual cash receipts/annual billings)	100.24%	100.32%	99.90%	97.60%	Not Available
	Final amount of accounts transferred to the tax roll	Not Available	Not Available	Not Available	32	Not Available

SUMMARY OF BUDGET CHANGES – ADMINISTRATIVE AND GENERAL

No significant changes.

NONOPERATING REVENUES (EXPENSES)

Interest/Finance Charges - Interest/finance charges decreased because of a bond issue retiring in the current fiscal year.

Transfers out - City Fee - Transfers out - City Fee is calculated at five percent of revenues. The increase in budget revenues is a direct correlation to the increase in the transfer out - city fee.

Fiscal Years

WATER FUND – PLANT, STORAGE TANKS AND BOOSTER STATIONS

Mission Statement: *To provide abundant, clean, safe and aesthetically pleasing water to our customers.*

The Traverse City Water Treatment Plant provides quality drinking water to customers in Traverse City, Garfield Township, Peninsula Township and Elmwood Township. The plant currently has a rated capacity of 20 million gallons a day.

Annually, the plant treats and supplies approximately 2 billion gallons of water. Plant personnel also operate a state certified lab to monitor system water quality and to provide bacteriological tests for construction contractors and surrounding municipalities. Approximately, 2000 bacteriological tests are performed annually in the lab in addition to daily plant tests for pH, hardness, alkalinity, chloride, fluoride and suspended solids. Operators are required to attain State licensure through examination and maintain it through continuing education.

The Water Plant is staffed by:

- 1 Superintendent
- 1 Chief Operator
- 4 Water Plant Operators

SUMMARY OF BUDGET CHANGES – OPERATING REVENUES

Water Sales – Water sales increased because of an anticipated increase in consumption.

Public Authority – Public authority sales increased because of more water consumption in the surrounding townships.

GOALS - WATER PLANT

1. Focus on equipment upgrades including five plant capital improvements projects; flouride system upgrade, VFD control on high service pump #4, one filter valve replacement, replace three master meters and upgrading communication by connecting to the fiber optic line in the plant for Internet/GTC communications.

PERFORMANCE MEASUREMENTS – PLANT, STORAGE TANKS AND BOOSTER STATIONS

	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13
Output	Million gallons of water pumped	2083.22	1935.63	1963.27	2232.31	Not available
	Chemical costs	\$ 91,856	\$ 65,345	\$ 72,659	\$ 85,685	Not available
	Electrical demand	2,226,760	2,141,520	2,124,176	2,424,244	Not available
Efficiency	Water demand met	100%	100%	100%	100%	Not available
	Chemical cost per million gallon	\$ 44.09	\$ 33.76	\$ 37.01	\$ 38.38	Not available
	Gal/KWH	935.54	903.86	924.25	920.83	Not available

SUMMARY OF BUDGET CHANGES – PLANT, STORAGE TANKS AND BOOSTER STATIONS

Utilities – Utilities increased based on past actual expenses.

Repairs and Maintenance – Repairs and maintenance increased to account for the lagoon cleaning that occurs approximately every five years.

WATER FUND – DISTRIBUTION

Mission Statement: *To distribute clean, fresh, potable water to our customers, the citizens of Traverse City, and to provide adequate volume of water for fire protection.*

Responsibilities include:

- Maintaining, repairing and flushing 118 miles of water main.
- Maintaining, repairing and exercising 1,756 main line water valves.
- Installing and maintaining 8,205 water services/meters.
- Flushing, repairing and draining 984 fire hydrants.
- Tapping water mains for new service leads as required.
- Administering the Cross Connection Inspection Program.
- Locating all water, sanitary and storm lines for MISS DIG.
- Assisting all DPS Divisions with confined space entries.
- Maintaining 12 storm water treatment systems on outfalls

The Division's staff includes:

- 1 Superintendent
- 1 Chief Water/Sewer Maintenance Operator
- 1 Office Coordinator
- 7 Utility Systems Specialists
- 1 Apprentice

GOALS - DISTRIBUTION

1. Continue with the implementation plan for changing out meters to the new Sensus meters, which are highly accurate for a longer period of time.
2. Continue with the implementation plan on installing radio reads to promote higher accuracy of reads.
3. Continue to progress towards the elimination of all galvanized services.

PERFORMANCE MEASUREMENTS - DISTRIBUTION

	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13
Output	Water meters changed	280	205	356	527	329 to date
	Galvanized services changed	43	66	64	22	15
	Fire hydrants winterized	980	980	980	984	984
Efficiency	% ICE/IPERL/OMNI Meter in system	37%	39%	47%	51%	56%
	Galvanized services remaining	381	315	251	229	214
	Fire hydrants winterized	100%	100%	100%	100%	100%

SUMMARY OF BUDGET CHANGES – DISTRIBUTION

Office/Operation Supplies - Office/Operation supplies increased to reflect the cost of the water meter replacement program.

Rentals – Rentals increased because of replacing the aged vehicles with new vehicles at a higher lease rate.

GOALS - ADMINISTRATIVE AND GENERAL

1. Continue with managing the Water Committee to explore and brainstorm on improving efficiencies in the water system including the reducing the annual amount of water loss.
2. Development of residential cross connection program.
3. Continue working with Light and Power towards implementation of a work order and asset management program.

PERFORMANCE MEASUREMENTS – ADMINISTRATIVE AND GENERAL

	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13
Output	Service orders issued	2,900	3,285	2,346	2,233	2,227 to date
	Water Committee goals established	Not available	Not available	Not available	Not available	15
	Receivables billed in millions	\$ 1.647	\$ 1.811	\$ 2.109	\$ 2.733	Not available
Efficiency	Percentage of service orders completed in less than five days	90.71%	90.90%	85.68%	90.40%	90.30%
	Water Committee goals currently being worked on or completed	Not available	Not available	Not available	Not available	10
	Receivables collected (annual cash receipts/annual billings)	99.82%	98.90%	99.60%	93.94%	Not available

SUMMARY OF BUDGET CHANGES – ADMINISTRATIVE AND GENERAL

No significant changes.

NONOPERATING REVENUES (EXPENSES)

Interest revenue - Interest revenue decreased based on past experience.

Interest/Finance Charges – Interest/finance charges decreased because the outstanding bond will be retired during the current fiscal year.

The cost of providing water services is accounted for in this fund. Revenues are primarily from charges to customers for water usage. Revenues from water sales are used to pay for some improvements with direct contributions to capital required from customers in the form of hookup fees. The water revenues are also used to pay principal and interest on the revenue bonds used to finance improvements.

Fiscal Years

DUNCAN L. CLINCH MARINA FUND

Mission Statement: *To create a quality boating experience for the benefit and enjoyment of the public. Commitment to consistently providing excellent customer service will ensure a clean and safe environment that will meet all customer needs and exceed expectations.*

Clinch Marina provides facilities for the boating public. There are 59 slips for seasonal boaters and 59 for transient boaters. There is also nearly 1,200 feet of broadside dockage that can accommodate up to 30 boats of different sizes, to include boats up to 150 feet. Gasoline, diesel fuel and pump-out facilities are available for boaters. Clinch Marina also operates a boat launch that provides access to West Bay.

The marina is staffed by:

Dockmaster, who also operates Hickory Hills in the winter months

Seasonal Assistant Dockmaster

8 to 10 seasonal dock attendants

3 seasonal night security staff

1 building and grounds maintenance

GOALS

1. Increase marina revenue by adjusting to fluctuations in occupancy.
2. Increase profit margin for gasoline and diesel sales at the marina.
3. Complete Michigan Clean Marina Certification.
4. Provide a clean and safe environment by consistently providing excellent service and facility maintenance.

PERFORMANCE MEASUREMENTS

SUMMARY OF BUDGET CHANGES

REVENUE

Boat Wells – Boat wells increased based on the significant increase in prior year actual revenue earned.

EXPENSES

Repairs and Maintenance - Repairs and maintenance decreased because in the 2012-13 fiscal year, the City repaired the northeast breakwater wall from storms relating to Hurricane Sandy.

NONOPERATING REVENUES (EXPENSES)

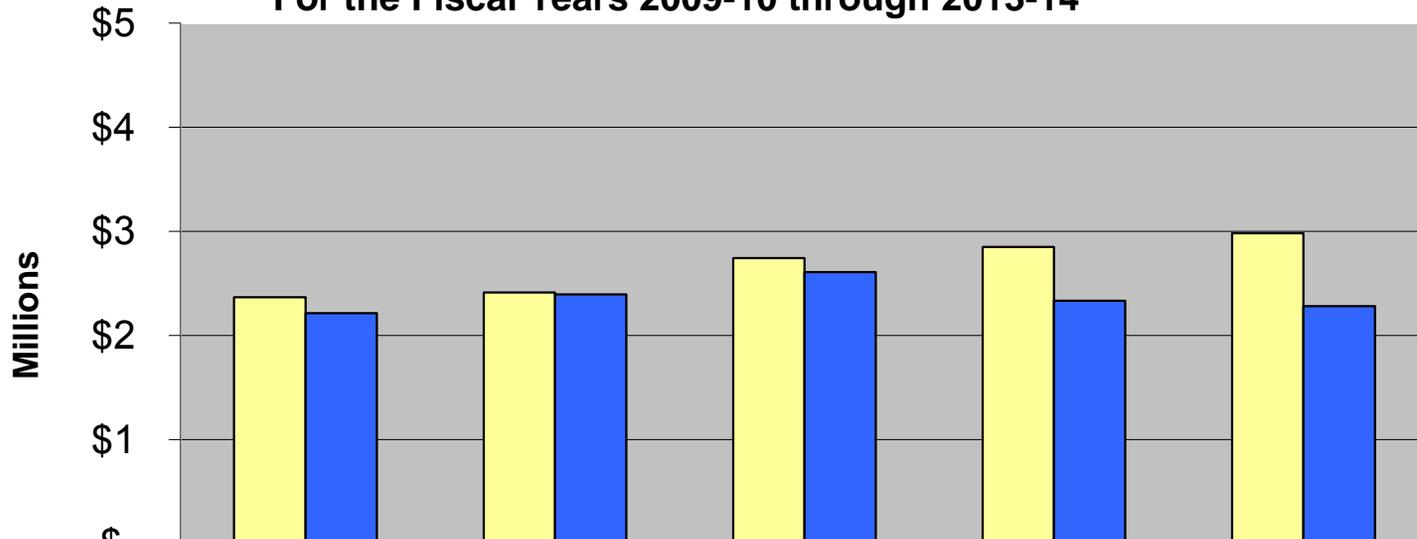

State Grant - The Marina received State funding for reimbursement of repairs to the northeast breakwater wall caused by storms relating to Hurricane Sandy.

GARAGE FUND

Mission Statement: *To provide maximum vehicle and equipment availability to enable City Departments the ability to provide both normal and emergency public services.*

The Garage Division is an internal service fund within the City. We don't make a profit, but charge our internal customers enough to cover costs and meet the current and future equipment and facility needs of the City of Traverse City.

The Garage works with all Departments and Divisions, including Light and Power, to identify the best, most cost-effective equipment necessary to do the job(s) required. This includes writing specifications, bidding, purchasing, repairing/maintaining, and disposing of all cars, trucks, specialty vehicles and heavy equipment. In addition, the Garage Division purchased and maintains the entire Department of Public Works facilities located on Woodmere Avenue. At that location, the Garage not only provides housing and parking for the Streets and Parks Division, but a 24 hour – 7 day a week fueling depot providing gasoline and diesel fuel to all City Departments, and numerous other governmental agencies.

The Garage Division's top priority is keeping the most cost effective equipment on the road at-all-times. To this extent, the Garage operates two shifts and is open 16 hours daily. This allows equipment to be serviced and/or repaired during the evening hours so it is ready for crews in the morning. Extended hours eliminate the need for back-up equipment. Early morning, weekends, holiday and emergency services are offered by request. In addition, the Garage Division operates a Central Storeroom, where automotive and maintenance items are available to all Departments. The storeroom also operates a UPS drop-off and pickup site.

GOALS

1. Replace vehicles/equipment on schedule.
2. Monitor preventative maintenance dollars as a percentage of total maintenance.

PERFORMANCE MEASUREMENTS

	Performance Indicators	2008/09	2009/10	2010/11	2011/12	2012/13

SUMMARY OF BUDGET CHANGES

REVENUES

Rental Motor Pool – Rental motor pool increased to reflect required rental rates for the Garage Fund to finance future equipment purchases.

Interdepartmental Sales – Interdepartmental sales decrease based on the anticipation of lower gas prices.

Rentals - Rentals increased to reflect required rental rates for the Garage Fund to cover the capital and operational costs of the buildings.

SUMMARY OF BUDGET CHANGES (Continued)

EXPENSES

Salaries and Wages - Salaries and wages increased based on the overall wage increase tied to inflation rates.

Office/Operation Supplies - Office operation supplies decreased to become more in align with prior year actual costs.

Cost of sales - Outside - Cost of sales - outside decreased based on the anticipation of lower gas prices.

Cost of sales - Interdepartment - Cost of sales - interdepartment decreased based on the anticipation of lower gas prices.

Insurance and Bonds - Insurance and bonds decreased to become more in align with prior year actual costs.

NONOPERATING REVENUES

Gain on Sale of Fixed Assets - Gain on sale of fixed assets increased based on the anticipation of the sale of various vehicles and pieces of equipment.

Traverse City Light and Power (TCL&P) came into existence in 1912 with the purchase of Queen City Light and Power Company who, at the time, obtained all of its power from one hydroelectric dam on the Boardman River.

From its meager beginnings TCL&P has grown to more than 11,500 customers and now receives electric power from several sources. TCL&P has local generation available from its 75% share of a gas turbine combustion plant near Kalkaska, a wind power generation unit just west of the City limits, along with another 5 wind turbines in McBain. TCL&P also participates in three separate sources of reliable fossil fuel generation from downstate Michigan. This combination of diversified power supply sources has provided low cost electricity. The utility's electric service rates remain the lowest in the state.

TCL&P provides a customer oriented team of employees that has a reputation for listening to customer requests and implementing those requests as soon as possible. System reliability is critical to the customer and TCL&P continues to invest in its system to meet that customer demand. TCL&P customer representatives are available in the field, or in person at the Governmental Center and at the Hastings Street Service Center. The utility provides twenty-four hour, seven day a week power outage emergency service to the city's electric customers and after hours assistance for water & sewer emergencies. Other various customer services are available such as commercial/industrial/residential energy audits, and power quality analysis. In addition, TCL&P also performs several community services such as electrical safety education, tree seedling giveaway, as well as contributions to many other electrical related community projects.

TCL&P is locally-controlled and governed through its City Commission appointed Board of Directors which meets at the Governmental Center on the second and fourth Tuesdays of every month. The public is welcome at all Board Meetings and a portion of the Board agenda is scheduled for Public Comment.

Traverse City Light & Power will continue to be a progressive electric utility, always keeping its customers and the citizens of Traverse City first in our efforts.

Timothy J. Arends, Controller
Interim Executive Director

DOWNTOWN DEVELOPMENT AUTHORITY

The Downtown Development Authority (DDA) Board of Directors will hold a public hearing on the budget Friday, May 17, 2013 at 8 a.m., Commission Chambers, Second Floor, Governmental Center. The Board is scheduled to approve the budget on June 21, 2013.

The DDA is an arm of the City of Traverse responsible for maintaining the vitality of the Central Business District. Working with private developers, land owners and governmental agencies, and armed with public funds to assist in re-development efforts, the DDA is continuing to keep downtown's vibrant environment. The DDA also directly operates the Sara Hardy Downtown Farmer's Market. Through a contract with the City of Traverse City, the DDA manages the Traverse City Parking System (APS). The DDA has a management agreement with the Downtown Traverse City Association (DTCA) the marketing, communication and events arm of downtown. The revenues from these contracts, as well as projected reimbursements from the Tax Increment Financing District funds (TIF), are shown in the Reimbursements revenues line items of the budget.

To meet the obligations of the management agreements remaining, the DDA will have eight full time employees, and seven part time employees. Four of the full time and all seven part time are dedicated almost entirely to the Traverse City Parking System. The Farmers Market is expected to be managed by contract with SEEDS, reflected in the Professional Services line item. The DDA Board has also committed to purchasing and maintaining the flowers in the summer and that is covered under Salaries and Wages, and in Community Promotion in the current fiscal year. The DDA is projected to continue to support Santa's arrival with a \$7,500 agreement with the DTCA.

By sharing our staff members, office space, equipment and other overhead over the various functions of the APS, DTCA, and the TIF projects, we are able to keep costs to a minimum. Furthermore, as in the past (Opera House, State Theatre) we will always be open to partnerships to increase our efficiency and support community efforts. All staff will continue to be cross-trained and flexible, dedicating their time on an as-needed basis to the various projects created by the administrative contracts. With the need to inspire developers; oversee, fund and manage public improvement projects; manage the City's Parking System, the DTCA, and the DDA office.....this operation is extremely efficient.

DDA TAX INCREMENT FINANCING #97 FUND

The DDA Board of Directors will hold a public hearing on the Tax Increment Financing Fund #97 (TIF97) budget for 2013-14 on Friday, May 17, 2013 at 8 a.m., Commission Chambers, Second Floor, Governmental Center. The Board is scheduled to approve the budget on June 21, 2013.

TIF 97 Fund accounts for the public activities in the northern part of downtown. Over the next 14 years this fund will continue to make payments on the Hardy Parking Deck bonds. The budgeted amount for 2013-14 is \$760,000 shown as a Contribution to Other Governments. Other expenses are to compensate the City of Traverse City for engineering and other work and the DDA for administrative and operational costs. As in the past year, the City of Traverse City compensation will be based on .1% of the taxable value in the district, estimated to be \$85,000. While legal costs are still invoiced to the DDA, the City does not invoice for audit and insurance costs as in the past.

The largest expenditures are in capital outlay. While the Capital Improvement Plan (CIP) details as much as \$3,511,000 in expenditures, only \$1,500,000 is budgeted due to the limitations of the fund, and a realization that it is most unlikely all of the listed projects will actually be completed entirely in the coming fiscal year. They also recognized that many of the projects are tied directly with the private sector, and those are notated in the descriptions below:

GARLAND STREET RECONSTRUCTION (\$1,315,000) *Hotel Indigo and adjacent properties.* Because of the design which really has no formal sidewalks and is a street with only partial redevelopment, we are putting the full cost of the project in the CIP. The DDA Board and the City Commission will need to decide but if we complete the work, then any redevelopment would have to restore the work to its original condition. If we do a Special Improvement District the total number from TIF 97 will be much lower.

PINE STREET PEDESTRIAN WAY (\$1,360,000) We hope this project can move forward in conjunction with the Garland Street work.

PUBLIC RESTROOM AT LOT O – (\$316,000) Depending on the DDA's evaluation of our trial public/private partnership, this project could move forward, especially if outside funds are made available for the environmental issues at Lot O.

WIFI (\$300,000) – This project as now envisioned would be a one-time capital expenditure rather than a payment each year to Light & Power.

WEST FRONT BRIDGE REPLACEMENT (\$220,000) Leveraging other funds, the DDA has committed to replacing the vehicular bridge as part of the West State and Pine project.

The revenue line item "Contribution for Other Governmental Entity" includes a planned \$115,000 reimbursement from the Grand Traverse County Brownfield Redevelopment Authority (BRA) for costs associated with the Hardy Parking Deck.

DDA TAX INCREMENT FINANCING FUND #2

The DDA Board of Directors will hold a public hearing on the Tax Increment Financing Fund #2 (TIF 2) budget for 2013-14 on Friday, May 17, 2013 at 8 a.m., Commission Chambers, Second Floor, Governmental Center. The Board is scheduled to approve the budget on June 21, 2013.

TIF 2 accounts for the public activities in the area of Old Town, including River's Edge and the Midtown project. Over the remaining life of the fund, it will make payments on the Old Town Parking Deck bonds. The budgeted amount for 2013-14 is \$1,382,700 shown as a Contribution to Other Governments. Other expenses are to compensate the City of Traverse City for engineering and other costs and the DDA for administrative and operational costs. As in the past year, the City of Traverse City compensation will be based on .1% of the taxable value in the district, estimated to be \$41,000. While legal costs are still invoiced to the DDA, the City does not invoice for audit and insurance costs as in the past. Included in the Capital Improvement Plan is an expenditure of \$150,000 for a share of the cost of installing WIFI in downtown, and \$150,000 for Eighth Street Bridge Repair.

Added to the Professional Services line item this year, is \$75,000 to reflect a contract with the History Center for services in the coming year, if the DDA approves a contract with the History Center for services and/or capital expenditures, which would be more than the \$50,000 expended this year.

Repayment from the Grand Traverse County Brownfield Redevelopment Authority for infrastructure previously paid by the TIF 2 fund is expected in the coming year in the amount of \$450,000.

2012 / 2011	1,345,660	100

SUMMARY OF ACTUARIAL METHODS AND ASSUMPTIONS

The information presented in the required supplementary schedules was determined as part of the actuarial valuations at the date indicated. Additional information as of the latest actuarial valuation follows:

Valuation date	June 30, 2011
Actuarial cost method	Entry-age actuarial cost method
Amortization method	Level percent
Remaining amortization period	20 years open
Asset valuation method	4 years smoothed market
Actuarial assumptions	
Investment rate of return	7.50%
Projected salary increases	4.0-7.0% includes wage inflation at 3.75%
Cost-of-living adjustments	2.5% of original pension for twenty years, payable to Pre-July 1, 1990 retirees, 2.5% of original pension or inflation whichever is less, for twenty years, payable to the Police Captains unit (effective 1/1/1994) and Police Sergeants (effective 8/1/1998) and Police Patrol (effective 1/1/1999) and Firefighters unit (effective 7/1/2000), except that the Firefighters unit is not subject to inflation.

Remaining amortization period	27 years
Asset valuation method	10 year smoothed market
Actuarial assumptions	
Investment rate of return	8.00%
Projected salary increases	4.5-13.00%

Fund: General

Department: Cemetery

Project Name: Oakwood Cemetery Paving of Main Loop in First Addition

Project Description: The roads in this area are dusty gravel and often have rough areas. This project would provide paved connections to all main parts of the cemetery. This would tie together the main cemetery road through Plat 1 to First Addition and Fourth Addition.

Estimated Cost: \$20,000.00

Fiscal Years: Start: 15/16 End: 15/16

Funding Sources: General Fund - \$20,000.00

Project Name: Oakwood Cemetery: Construct New Maintenance Facility

Project Description: We are currently storing equipment in various City buildings including an old shed and garage at the site of the long demolished Cemetery office next to Fire Station Number 2 on 8th St. Both of these buildings are very old, not in the best of shape and should be razed. Locating the maintenance facility near the new office offers a more efficient and safer location in the cemetery. We currently have to drive the backhoe and trucks with trailers across busy 8th St. daily.

Estimated Cost: \$150,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$150,000.00

Project Name: Oakwood Cemetery: Construct New Office

Project Description: We are currently renting an office on Hastings that is not easily found by the public. This project would move the new office into the newest developed portion of the cemetery where it would have better access for the public. We currently pay about \$7,000.00 per year for the rental office. There is currently over \$154,000.00 in the "bank" for this project. Earlier Engineering estimates placed this project at \$420,000.00. We need to look at less expensive alternatives so this project can be done sooner rather than later. The Catholic office was constructed in 2004 for about 1/3 of the Engineering estimate. Allowing for inflation and necessary construction costs, we should be able to build this for \$250,000.00 or less.

Estimated Cost: \$254,270.00

Fiscal Years: Start: 12/13 End: 15/16

Funding Sources: General Fund - \$154,270.00
General Fund - \$100,000.00

Project Name: Oakwood Cemetery: Install Cremation Niches in Mausoleum

Project Description: This project would allow additional burial options for families and utilize an area of the mausoleum that is currently not being used. It would also make the lobby area more attractive and provide more revenue potential.

Estimated Cost: \$20,000.00

Fiscal Years: Start: 16/17 End: 16/17

Funding Sources: General Fund - \$20,000.00

Department: Fire

Project Name: Overhead Garage Doors (FF#1 & FF#2)

Project Description: Replacement of all overhead garage doors at both Station 01 and 02 for a total of 8 doors. Current tracking is residential grade & in poor conditions - repairs needed throughout the year: weather seal system is in poor condition: need heavy duty high cycle lift springs - repairing 2 - 3 times a year: expect improved R-value from new doors (14 to 17)

Estimated Cost: \$30,000.00

Fiscal Years: Start: 13/14 End: 14/15

Funding Sources: General Fund - \$30,000.00

Department: General Government

Project Name: Annual Computers

Project Description: Replace hardware: computers, monitors, printers and software

Estimated Cost: \$180,000.00

Fiscal Years: Start: 13/14 End: 17/18

Funding Sources: General Fund - \$180,000.00

Project Name: City Document Management System

Project Description: Document Imaging various City records. Starting with the Treasurer's office: Image all invoices, journal entries, financial reports, and receipts that support financial transactions. These documents would then be searchable by anyone with inquiry access into the system. Other departments would move order as funds are available, including Assessor, Human Resources, and Manager etc.

Estimated Cost: \$121,500.00

Fiscal Years: Start: 12/13 End: 16/17

Funding Sources: General Fund - \$121,500.00

Project Name: City Wide Bench Elevation Survey - Engineering

Project Description: Update current data base for surveying benchmarks within the City to use on City infrastructure projects.

Estimated Cost: \$25,000.00

Fiscal Years: Start: 13/14 End: 14/15

Funding Sources: General Fund - \$25,000.00

Department: Parks & Rec.

Project Name: Ashton Park Playground

Project Description: Replace existing play equipment with small structure designed for younger children. Larger play structure for older children is available at Willow Hill Elementary School. The new equipment would meet current safety and ADA accessibility standards. There is interest on the part of some neighbors to assist with the cost.

Estimated Cost: \$15,000.00

Fiscal Years: Start: 16/17 End: 16/17

Funding Sources: General Fund - \$12,000.00
Private - \$3,000.00

Project Name: Boon Street Park Playground Improvements

Project Description: This neighborhood park has a mixture of twenty year old and older pieces of play equipment. The slide might be worth keeping but the swings and climber need to be replaced. A portion of the cost (\$4,000.00) will be sought from the neighborhood.

Estimated Cost: \$10,000.00

Fiscal Years: Start: 15/16 End: 15/16

Funding Sources: General Fund - \$6,000.00
Private - \$4,000.00

Project Name: Bryant Park Retaining Wall

Project Description: The retaining wall will greatly reduce the amount of sand that blows up into the turf area during the late fall to early spring period. It will also help to stop the encroachment of the sand and shrinking of the turf areas.

Estimated Cost: \$90,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$45,000.00
Federal / State Grant - \$45,000.00

Project Name: Clancy Park Improvements - Phase 1

Project Description: This project would include installation of an accessible asphalt walking trail around the perimeter of the park with connector trails to park facilities. A large number of mature ash trees were removed in 2012 due to the Emerald Ash Borer beetle. These trees were replaced with a DNR / USDA Grant in the fall of 2012. The neighborhood group is buying into these projects and have helped with labor and is raising money.

Estimated Cost: \$40,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$25,000.00
Private - \$5,000.00
Federal / State Grant - \$10,000.00

Project Name: Clancy Park Phase 2 Improvements

Project Description: Replacement of old play equipment with "natural playscape" pieces or structure to meet current safety and accessibility standards. Preliminary plans were done by Dave Weston for various park improvements. This would be a good continuation from the Phase 1 project from 2013-14. The neighborhood will be challenged to raise \$5,000.00 of the cost.

Estimated Cost: \$30,000.00

Fiscal Years: Start: 15/16 End: 15/16

Funding Sources: General Fund - \$25,000.00
Private - \$5,000.00

Project Name: Hannah Park improvements

Project Description: This project would pave a 6-foot wide path where an informal dirt trail currently exists. The path would run the entire length of Hannah Park from Wadsworth to Union Streets. If amended, partial funding could be derived from the TIF II Fund - would need to check before adding TIF\$. Decorative lights will replace barn style lights. Two track dirt roads will be replaced with turf and grass pavement system. To allow the grass pavers to function efficiently, an irrigation system should also be installed park wide to improve turf quality and reduce erosion.

Estimated Cost: \$40,000.00

Fiscal Years: Start: 15/16 End: 15/16

Funding Sources: General Fund - \$30,000.00
Private - \$10,000.00

Project Name: Hickory Hills Booster Pump and Well

Project Description: In 2009, the booster station and first pump was completed allowing more snowmaking potential beginning with the 2009-10 ski season. The Grand Traverse Ski Club will continue fund raising toward the snow making system and should be able to pay \$20,000.00 toward the second pump and well for the booster pump system. The ski club purchased our sixth snow gun in 2011 and this will fully use the capacity of the current pump and well system. With the addition of the second pump that will be installed in the booster pump building built in 2009, and the second well, we will be able to purchase and use more snow guns and further reduce the total number of hours necessary to make snow each year.

Estimated Cost: \$50,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$30,000.00
Private - \$20,000.00

Project Name: Hickory Hills Lodge Replacement

Project Description: The current lodge does not meet current standard for accessibility along with outdated facilities of every type. Remodeling of the current lodge is not a viable option. Several locations are in consideration for a new lodge but a new one is definitely needed. A joint City and Community effort will be needed to make this happen. We will be able to offer the facility for rent for various events throughout the year to bring in revenue to offset some of the costs. Large scale donations in addition to any the Grand Traverse Ski Club can provide and searching for grant funding will be necessary to make this happen. Combining this structure and one for the proposed tubing park may make sense.

Estimated Cost: \$1,000,000.00

Fiscal Years: Start: 16/17 End: 16/17

Funding Sources: General Fund - \$400,000.00
Federal / State Grant - \$400,000.00
Private - \$200,000.00

Project Name: Hickory Hills Pole Barn

Project Description: A shelter for the snow groomers, snow guns and other equipment. This would then allow the GT Ski Club to take over use of the old pole barn for a coach's equipment room, storing of timing and computer equipment for races and other GT Ski Club functions. The club would be asked for funds to help construct the new structure.

Estimated Cost: \$80,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$75,000.00
Private - \$5,000.00

Project Name: Indian Woods Playground

Project Description: This would replace some of the existing play equipment with a small new structure that would meet current safety and ADA accessibility standards. Some of the existing play pieces could remain as they were replaced and/or added in the past 10 years or so. The neighborhood would be challenged to raise \$5,000.00 of the cost.

Estimated Cost: \$20,000.00

Fiscal Years: Start: 17/18 End: 17/18

Funding Sources: General Fund - \$15,000.00
Private - \$5,000.00

Project Name: Lay Park Improvements

Project Description: Upgrades to Lay Park which will include following: Brick plazas with raised planters. Masonry seat wall along southern border of park (145 l.f.). Concrete sidewalks (393 l.f. 7' wide). Wrought iron fence along Union Street (100 l.f.). Site furniture, 19 benches, 4 trash receptacles, bike racks, drinking fountain. Landscaping, Lighting, 15 wall lights, 10 up-lights, 1 light standard. Light and Power at one time had offered to lend financial assistance to this project. TIF 2 money may also come in to play for a portion of this project.

Estimated Cost: \$130,000.00

Fiscal Years: Start: 15/16 End: 15/16

Funding Sources: General Fund - \$65,000.00
Private - \$65,000.00

Project Name: Park Sign Replacement

Project Description: This project would replace a majority of the main park entrance signs with a different style and color to keep the parks up to date.

Estimated Cost: \$30,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$30,000.00

Project Name: Rose and Boyd Park (Triangle Park)

Project Description: The North Traverse Heights neighborhood group has expressed an interest in seeing some improvements to this park with a small sitting shelter, sidewalks, benches and general landscaping improvements. The group has expressed some interest in assisting with the project.

Estimated Cost: \$10,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$5,000.00
Private - \$5,000.00

Project Name: Union Street Dam: Keep or redesign Union St Dam
Project Description: Bid out a study to evaluate Union St. Dam. Keep current design or replace with a more natural structure spillway dam. These funds may serve as part of the City's match to any grants received toward the project.
Estimated Cost: \$20,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: General Fund - \$20,000.00

Project Name: Union Street Dam: Outlet relining
Project Description: The 10 corrugated metal pipes that create the principal spillway need to be relined. Sliplining will be the preferred method. When and if this project is completed depends on the efforts of the Boardman Dams Implementation Team. If the dam is removed or modified within a reasonable amount of time, then there will be no need to complete this project.
Estimated Cost: \$400,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: General Fund - \$400,000.00

Project Name: Union Street Dam: Toe Drain
Project Description: Engineer and construct a toe drain at bottom of dam embankment to collect seepage. When and if this project is completed depends on the efforts of the Boardman Dams Implementation Team. If the dam is removed or modified within a reasonable amount of time, then there will be no need to complete this project.
Estimated Cost: \$50,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: General Fund - \$50,000.00

Department: Police

Project Name: Police in-car Cameras
Project Description: Current in-car police cameras are no longer available for the updated Mobile Data Computers in the fleet cars for the Police department. The cameras that remain are not compatible with existing operating system upgrades. The manufacturer (OEM Micro Solutions) will not develop software to make them compatible. Camera Systems that are stand alone and not dependent on in car computers or their software are available and have been tested at length by police departments nationwide. This purchase would allow for cameras to be installed in all of the fleet cars as well as replace the OEM systems that are no longer working.
Estimated Cost: \$20,000.00
Fiscal Years: Start: 13/14 End: 14/15
Funding Sources: General Fund - \$20,000.00

Department: Streets

Project Name: Annual Corridor Improvements (E Front, W Front, 8th, 14th and Garfield)

Project Description: Implementation of Corridor Improvement Studies for E. Front, W. Front, Eighth, Fourteenth, and Garfield. Placeholder until actual projects are selected for funding.

Estimated Cost: \$500,000.00

Fiscal Years: Start: 13/14 End: 17/18

Funding Sources: General Fund - \$500,000.00

Project Name: Annual Infrastructure - Annual Crosswalk Maintenance

Project Description: This is an annual program, providing funds to maintain or replace existing crosswalks, as like material or brick print thermoplastic pavement marking material.

Estimated Cost: \$240,000.00

Fiscal Years: Start: 13/14 End: 17/18

Funding Sources: General Fund - \$240,000.00

Project Name: Annual Infrastructure - Annual Streets Program

Project Description: This is an annual program that provides funds to resurface major and minor streets within the city limits. These funds are also to be used for bridge, sidewalk, and storm water system repair and new sidewalk infill projects.

Estimated Cost: \$5,337,700.00

Fiscal Years: Start: 13/14 End: 17/18

Funding Sources: General Fund - \$5,337,700

Project Name: Annual Infrastructure - Division Street
Project Description: Improvements to Division Street in conjunction with MDOT project and current design involvement process.
Estimated Cost: \$15,600,000.00
Fiscal Years: Start: 13/14 End: 17/18
Funding Sources: General Fund - \$600,000.00
 Federal / State Grant - \$15,000,000.00

Project Name: Annual Infrastructure - West Front Street, Elmwood to City limits
Project Description: This project will reconstruct West Front Street from the City Limits to Elmwood including sidewalks, curb and gutter, storm sewers, sanitary sewers, watermain and street reconstruction including a gateway type feature near Madison Street. The City received \$375,000 in funding through the MDOT Small Urban Program which requires a 20% local match and the City to perform engineering on the project.
Estimated Cost: \$556,250.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: General Fund - \$125,000.00
 Inkind - \$56,250.00
 Federal / State Grant - \$375,000.00

Project Name: Grand Travesse Commons Infrastructure
Project Description: For Streets, Sidewalks, Water, Sewer, and Storm Sewer infrastructure supporting Grand Traverse Commons Development
Estimated Cost: \$1,223,095.00
Fiscal Years: Start: 12/13 End: 14/15
Funding Sources: General Fund - \$0.00
 Brownfield - \$1,223,095.00

Project Name: Kids Creek Stormwater Grant
Project Description: This is an ongoing, multi-year, collaborative effort with the City, MDEQ, Grand Traverse Soil Conservation District, Munson Medical Center, The Watershed Center and others to examine impairments, create a restoration plan and implement improvements to improve water quality for Kid's Creek and related tributaries thru available grants.
Estimated Cost: \$196,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: General Fund - \$0.00
 Federal / State Grant - \$196,000.00

Project Name: Traffic Signal Power Backup

Project Description: Provide funding to install battery backup power systems in all signal equipment by 2018.

Estimated Cost: \$112,500.00

Fiscal Years: Start: 13/14 End: 17/18

Funding Sources: General Fund - \$112,500.00

Project Name: Traffic Signal Upgrades

Project Description: This is an annual program that will fund traffic signal consulting and design for upgrade to the Garfield/Hannah, Parsons traffic signal and the Parsons/Hastings intersection signal.

Estimated Cost: \$148,900.00

Fiscal Years: Start: 13/14 End: 15/16

Funding Sources: General Fund - \$148,900.00

Project Name: Utility Truck Replacement

Project Description: Funds to replace two twenty year old utility trucks with very high maintenance costs and down time when needed for street maintenance, construction and emergency repairs.

Estimated Cost: \$56,800.00

Fiscal Years: Start: 14/15 End: 15/16

Funding Sources: General Fund - \$56,800.00

Department: Walkways/Bike Paths

Project Name: Annual Boardwalk/Streetscape Maintenance

Project Description: These funds will ensure the upkeep of the investment in the Streetscape projects and boardwalks previously installed. Next year existing funds could be used to replace some of the older sections and then continue in 2014-15 with more replacement of deck boards.

Estimated Cost: \$118,500.00

Fiscal Years: Start: 12/13 End: 17/18

Funding Sources: General Fund - \$118,500.00

Project Name: Annual Infrastructure - Annual Sidewalk Improvements

Project Description: The Infrastructure Strategy Policy outlines 10% of total infrastructure spending is for sidewalk and bike-way improvements.

Estimated Cost: \$654,900.00

Fiscal Years: Start:12/13 End: 17/18

Funding Sources: General Fund - \$654,900.00

Project Name: Boardman Lake Trail - West - Transportation Alternate

Project Description: Alternate transportation trail along railroad corridor on west side of Boardman Lake; need to acquire MDOT property.

Estimated Cost: \$144,500.00

Fiscal Years: Start: 13/14 End: 13/14

Funding Sources: General Fund - \$0.00
Brownfield - \$144,500.00

Project Name: Boardman Lake Trail - West (10th - 16th)

Project Description: Construct West Boardman Lake Trail from current terminus to 16th Street with connection at 12th Street. Trail falls on the edge of a TC 3 Neighborhood that calls out for sidewalks and bike lanes. The adjacent TC 4 Neighborhood calls out for a network of sidewalks and trails.

Estimated Cost: \$392,000.00

Fiscal Years: Start: 12/13 End: 13/14

Funding Sources: General Fund - \$0.00
Brownfield - \$392,000.00

Project Name: Boardman Lake Trail-West (16th to S. Airport)
Project Description: Continue Boardman Lake Trail from 16th Street to South Airport Road. Two and one half mile multi-use trail; part of the trail is within Garfield Township. Land acquisition is currently included in the Boardman Lake Avenue Project #8.
Estimated Cost: \$2,793,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: General Fund - \$0.00
Brownfield - \$2,743,000.00
Local / Foundation Grant - \$50,000.00

Project Name: Boardman River Walk south of 8th Street Bridge
Project Description: Boardwalk and trail along Boardman River from the 8th Street bridge underpass to the Boardman Lake trail.
Estimated Cost: \$460,000.00
Fiscal Years: Start: 12/13 End: 13/14
Funding Sources: General Fund - \$0.00
Brownfield - \$460,000.00

Fund: Bayfront Plan NON-TIF

Department:

Project Name: Bay St Parking Division-Oak St. & east of Oak (+APS +SID)

Project Description: Includes parking areas and a new sidewalk along the southside of Grandview Parkway.

Estimated Cost: \$510,000.00

Fiscal Years: Start: 13/14 End: 16/17

Funding Sources: General Fund - \$100,000.00
Parking System - \$200,000.00
Special Assessment Fund - \$160,000.00

Project Name: Clinch Park Improvements

Project Description: This project will transform the former Clinch Park Zoo into a new inter-generational recreational area: - Natural resource protection through bank stabilization, Increased water access with universal access to the water, the beach and the small boat/kayak launch; Increase recreational activities through splash pad, natural playground and enhanced shaded picnic areas; additional promenades and trails, beginning the connection of recreational spaces from M-72 east along the shoreline to the Senior Center.

Estimated Cost: \$1,000,000.00

Fiscal Years: Start: 12/13 End: 13/14

Funding Sources: General Fund - \$0.00
Light & Power - \$1,000,000.00

Project Name: Hall to Oak Street Promenade

Project Description: Components include a promenade, stormwater treatment structure, stairs, ramps, landscaping, picnic tables and bike racks.

Estimated Cost: \$863,740.00

Fiscal Years: Start: 16/17 End: 16/17

Funding Sources: General Fund - \$563,740.00
Federal / State Grant - \$300,000.00

Project Name: Holiday Inn Phase - Bayfront Plan

Project Description: The proposed Holiday Inn promenade consists of a 10-foot expansion of the existing seawall. Preliminary cost projections for the promenade seawall are conditioned on assumptions made without design wave conditions analysis, soil borings and determination of regulatory constraints.

Estimated Cost: \$2,318,500.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$0.00
Federal / State Grant - \$1,854,800.00
Brownfield - \$463,700.00

Fund: Bayfront Plan NON-TIF

Department:

Project Name: Murchie Bridge Underpass and Walks to East

Project Description: Wider pedestrian underpass at Murchie Bridge. Walkways, stairs, ramps and a promenade are other key elements of the project.

Estimated Cost: \$716,509.00

Fiscal Years: Start: 16/17 End: 16/17

Funding Sources: General Fund - \$143,302.00
Federal / State Grant - \$573,207.00

Project Name: Public Pier

Project Description: The proposed public pier would extend out into Grand Traverse Bay/Lake Michigan adjacent to the Boardman River outlet. The pier would provide universal access for fishing from the shore. It would consist of a 15-foot wide pier projecting 550-feet into Grand Traverse Bay and includes a 30'x30' platform with large tensile structure. Interpretive signage, connection with the TART Trail and other amenity features to be explored.

Estimated Cost: \$332,568.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: General Fund - \$83,142.00
Federal / State Grant - \$249,426.00
Federal / State Grant - \$0.00

Project Name: Senior Center Bayfront Phase

Project Description: Sidewalks, Parking Lot Improvement and Stormwater Treatment Structure are key elements of the project.

Estimated Cost: \$146,478.00

Fiscal Years: Start: 16/17 End: 16/17

Funding Sources: General Fund - \$96,478.00
Federal / State Grant - \$50,000.00

Project Name: Sunset Beach Bayfront Phase

Project Description: A picnic shelter, playground equipment, promenade and storm water treatment are key elements of this project.

Estimated Cost: \$535,362.00

Fiscal Years: Start: 17/18 End: 17/18

Funding Sources: General Fund - \$235,362.00
Federal / State Grant - \$300,000.00

Project Name: TART Trail Division to Hall Street

Project Description: Key components involve replacing 8 foot asphalt trail with a 12 wide concrete trail (six inches thick) and installing a stormwater treatment structure. Smaller components include a drinking fountain, bike racks and benches.

Estimated Cost: \$311,550.00

Fiscal Years: Start: 16/17 End: 16/17

Funding Sources: General Fund - \$100,000.00
Federal / State Grant - \$211,550.00

Fund: Bayfront Plan NON-TIF

Department:

Project Name: West End Beach Phase- Bayfront Plan

Project Description: Promenade in front of the existing parking lot, steps and ramps to make beach access easier, shade structure and a new ADA compliant restroom are components of the project. The project will connect the existing TART trail and the proposed bayfront trail west of the parking lot that is planned for construction in 2013.

Estimated Cost: \$675,405.00

Fiscal Years: Start: 16/17 End: 16/17

Funding Sources: General Fund - \$375,405.00
Federal / State Grant - \$300,000.00

Project Name: West End Beach Trail Extension and Access

Project Description: Extend the bayfront trail 1,100 feet and a new mid block crossing of Grandview Parkway near Elmwood Avenue. A barrier free ramp to the beach along with benches and bike racks are also included. Crossing will be lighted for high visibility at night. Storm drain near Spruce Street will be retrofitted with an oil/grit separator chamber.

Estimated Cost: \$398,900.00

Fiscal Years: Start: 12/13 End: 13/14

Funding Sources: General Fund - \$225,000.00
Federal / State Grant - \$173,900.00

Department: Brown Bridge Maintenance Fund

Project Name: Brown Bridge Master Plan

Project Description: Following the removal of the Brown Bridge Dam a recreational master plan of the area is needed to address the new uses that are going to result from dam removal. How much new access to the river is needed or desired. What options are there for the future.

Estimated Cost: \$18,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: Brown Bridge Fund - \$18,000.00

Project Name: Brown Bridge: Bottomlands Trail

Project Description: Currently the north trail at the Brown Bridge Quiet Area follows a high, forested ridge. With the removal of Brown Bridge Dam, there will be a great demand for a trail along the river. The layout will need to wait until the bottomland has stabilized. Once this area is stable construction of the trail can begin. A looped trail would fit into the goals of the Management Plan and create more opportunities for nature enthusiasts to enjoy this beautiful area.

Estimated Cost: \$35,000.00

Fiscal Years: Start: 14/15 End: 16/17

Funding Sources: Brown Bridge Fund - \$35,000.00

Project Name: Brown Bridge: Upper and Lower Connector Bridges

Project Description: The Brown Bridge Quiet Area is an unique parkland because of its large acreage and recreational opportunities. An extensive trail system currently exists on both sides of the pond. However, these two trail systems do not connect. There is a great opportunity to add a loop trail system for users that would create an eight-mile loop through the entire Quiet Area. In order to accomplish a loop trail, two-foot bridges are needed to cross the river. Both bridges are included in the Brown Bridge Management Plan.

Estimated Cost: \$130,000.00

Fiscal Years: Start: 14/15 End: 15/16

Funding Sources: Brown Bridge Fund - \$130,000.00

Six Year Public Improvement Plan

Fund: Special Assessment

Department: Special Assessment Fund

Project Name: Bay Street Parking Division to Oak St. and east of Oak (+General Fund +Auto Parking)

Project Description: Includes parking areas and new sidewalk along the south side of Grandview Parkway.

Estimated Cost: \$510,000.00

Fiscal Years: Start: 13/14 End: 16/17

Funding Sources: Special Assessment Fund - \$160,000.00
Parking System - \$200,000.00
General Fund - \$100,000.00

Project Name: East Front Streetscapes (Boardman to Grandview Parkway)

Project Description: New curbs, street trees, benches, bike racks, and sidewalk along East Front between Boardman Avenue and Grandview Parkway.

Estimated Cost: \$515,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: Special Assessment Fund - \$257,500.00

Fund: Traverse City Parking System

Department: Parking System

Project Name: Bay Street Parking Division to Oak St & east of Oak (+General Fund + Special Assessment)

Project Description: Includes parking areas and new sidewalk along the south side of Grandview Parkway

Estimated Cost: \$510,000.00

Fiscal Years: Start: 13/14 End: 16/17

Funding Sources: Parking System - \$200,000.00
General Fund - \$100,000.00
Special Assessment Fund - \$160,000.00

Project Name: Lot B Rehab

Project Description: Reconstruct Lot B per Farmers Market Plan. Could include the replacement of meters with pay stations.

Estimated Cost: \$92,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: Parking System - \$92,000.00

Project Name: Lot D Reconstruction

Project Description: Reconstruct Lot D.

Estimated Cost: \$368,750.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: Parking System - \$143,750.00
Local / Foundation Grant - \$225,000.00

Project Name: Lot F (south of Chase Bank bldg)

Project Description: Repair/replace asphalt, new curbs, possibly drainage

Estimated Cost: \$20,000.00

Fiscal Years: Start: 14/15 End: 14/15

Funding Sources: Parking System - \$20,000.00

Project Name: Lot G Reconstruction

Project Description: Mill and replace asphalt, replace curbs, install drainage structure

Estimated Cost: \$50,000.00

Fiscal Years: Start: 13/14 End: 13/14

Funding Sources: Parking System - \$50,000.00

Project Name: Lot O Remediation
Project Description: Mitigation of contamination that likely is affecting adjacent properties and the water table in close proximity to the Boardman River.
 Five underground storage tanks exist at Lot O and likely are contributing to soil contamination. This project would remove the tanks and contain soil contamination at the lot.
Estimated Cost: \$430,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: Parking System - \$430,000.00

Project Name: Lot P Reconstruction
Project Description: Repair asphalt
Estimated Cost: \$30,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: Parking System - \$30,000.00

Project Name: Lot R Reconstruction
Project Description: Repair/Replace asphalt
Estimated Cost: \$30,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Parking System - \$30,000.00

Project Name: Lot V Reconstruction
Project Description: Mill and relay asphalt, replace curbs, new drainage structure
Estimated Cost: \$25,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: Parking System - \$25,000.00

Project Name: Lots W and N Restructuring
Project Description: Consolidate parking in these lots in conjunction with the development of the northeast corner of Washington and Cass.
Estimated Cost: \$58,500.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: Parking System - \$58,500.00

Project Name: Warehouse District Parking Enhancement
Project Description: Addition of parking meters in Lot 'X' as well as possible purchase/lease of additional land for parking in Warehouse District.
Estimated Cost: \$70,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Parking System - \$70,000.00

Fund: Waste Water

Department: Sewer Collection System

Project Name: Annual Sewer Rehab/Replace

Project Description: Provide \$450,000 annually in both the water and wastewater funds to continue systematic improvements (repair and replacement) of our underground infrastructure.

Estimated Cost: \$2,700,000.00

Fiscal Years: Start: 13/14 End: 18/19

Funding Sources: Sewer Fund - \$2,700,000.00

Project Name: Annual Storm Water Management Program

Project Description: This line item will guarantee funds to construct and repair city storm sewer lines. Funds may be used to disconnect sanitary sewers as well as undertaking the pilot project in the use of filters in the system; water quality.

Estimated Cost: \$300,000.00

Fiscal Years: Start: 13/14 End: 18/19

Funding Sources: Sewer Fund - \$300,000.00

Project Name: Auto Meter Reading System AMR (+Water)

Project Description: Fixed Base automated water meter reading system, support, software and AMR devices. After installation, should help with water loss/stopped meters and water revenues for water and sewer departments.

Estimated Cost: \$280,000.00

Fiscal Years: Start: 12/13 End: 18/19

Funding Sources: Sewer Fund - \$280,000.00

Project Name: Catch Basin & Manhole Casting Replacement

Project Description: Along with street repair the storm sewer (castings) infrastructure is in disrepair.

Estimated Cost: \$90,000.00

Fiscal Years: Start: 13/14 End: 15/16

Funding Sources: Sewer Fund - \$90,000.00

Project Name: Install Generator Woodmere Pump

Project Description: Provides back up power to sewer pump station utilizing equipment purchased in prior years.

Estimated Cost: \$25,000.00

Fiscal Years: Start: 13/14 End: 13/14

Funding Sources: Sewer Fund - \$25,000.00

Project Name: Water Meters

Project Description: Installation of new meters and automatic reading devices. Approx. 1600 per yr will be replaced.

Estimated Cost: \$375,000.00

Fiscal Years: Start: 13/14 End: 17/18

Funding Sources: Sewer Fund - \$375,000.00

Department: Sewer Plant & Buildings

Project Name: Boiler rehab and digester gas treatment
Project Description: Recondition/replace boiler burners. Also install device to clean and dry digester gas so that it is not as harmful to the boiler
Estimated Cost: \$20,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Sewer Fund - \$10,000.00
 Private - \$10,000.00

Project Name: Front Street Lift Station Communication
Project Description: Install radio communication between Front Street Lift Station and WWTP SCADA to replace leased dedicated data phone lines.
Estimated Cost: \$11,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Sewer Fund - \$5,500.00
 Private - \$5,500.00

Project Name: Mixed Liquor Flow Control Gates at WWTP
Project Description: Replace 16 corroding aluminum mixed liquor flow control gates with stainless steel gates
Estimated Cost: \$124,000.00
Fiscal Years: Start: 13/14 End: 14/15
Funding Sources: Sewer Fund - \$62,000.00
 Private - \$62,000.00

Project Name: Plant - Biosolids recirculation and mixing system improvement
Project Description: Replace digester recirculation pump and biosolids recirculation pump with correctly sized self priming pumps, improve submersible mixers in biosolids storage tank cell number one. Also perform complete rebuild of biosolids loadout piston pump.
Estimated Cost: \$104,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Sewer Fund - \$52,000.00
 Private - \$52,000.00

Project Name: Plant - Membrane Replacement
Project Description: Membranes at the treatment plant may begin to need replacement in 2013 or later. The estimated costs are shown spread out in one possible replacement scenario. Actual replacement timing is still unknown. Membranes were expected to last 8 years at the time of original installation (approx 2004).
Estimated Cost: \$5,130,000.00
Fiscal Years: Start: 13/14 End: 17/18
Funding Sources: Sewer Fund - \$2,565,000.00
 Private - \$2,565,000.00

Project Name: Plant - Primary Chain Drive Replacement
Project Description: These plastic mechanisms operate immersed inside each of the eight primary clarifiers at the WWTP. They were last replaced in 1994
Estimated Cost: \$93,800.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Sewer Fund - \$46,900.00
Private - \$46,900.00

Project Name: Plant - Storage Building
Project Description: The WWTP has no building in which to park or store pressure washer, fork lift, trucks, snowblowers etc. A building could be built on the abandoned chlorine contact basin possibly saving the cost of a foundation. Lack of storage space is causing increased congestion in process buildings. Outdoor storage is unsightly and accelerates aging of equipment. Congestion can overlap into safety concerns.
Estimated Cost: \$61,800.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Sewer Fund - \$30,900.00
Private - \$30,900.00

Project Name: Plant - WWTP SCADA operating system upgrade
Project Description: Software and hardware upgrades to keep critical plant automation reliable. The operating system for the computers that control the plant is no longer supported. It will be an opportune time to also upgrade hardware to reduce vulnerability.
Estimated Cost: \$132,000.00
Fiscal Years: Start: 12/13 End: 13/14
Funding Sources: Sewer Fund - \$66,000.00
Private - \$66,000.00

Project Name: Seive Drum Concentrator Control Upgrade
Project Description: The seive drum concentrators have increasingly unreliable controls consisting of switches and relays (one is 22 years old and the other is 18 years old). Restoring reliability will consist of replacing old electronics with a dedicated programable logic controller (PLC).
Estimated Cost: \$15,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Sewer Fund - \$7,500.00
Private - \$7,500.00

Project Name: Window Replacement 503 Hannah Ave.
Project Description: Replace original single pane windows with new energy efficient windows.
Estimated Cost: \$27,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Sewer Fund - \$27,000.00

	Carry Forward 2012-13	Fiscal Year 2013-14	Fiscal Year 2014-15	Fiscal Year 2015-16	Fiscal Year 2016-17	Fiscal Year 2017-18	Fiscal Year 2018-19	Funding Sum	Non-City Funds	Project Cost

Fund: Water

Department: Water Distribution System

Project Name: Annual Water Rehab/Replace

Project Description: Provide \$450,000 annually in both the water and wastewater funds to continue systematic improvements (repair and replacement) of the underground infrastructure. The Public Improvement Plan will also contain more detailed descriptions of proposed near-term projects.

Estimated Cost: \$2,700,000.00

Fiscal Years: Start: 13/14 End: 18/19

Funding Sources: Water Fund - \$2,700,000.00

Project Name: Auto Meter Reading System (AMR) (+WasteWater)

Project Description: Fixed base automated water meter reading system, support, software and AMR devices (two). Current meter reading system is manual, high maintenance, not cost effective, requiring monthly readings. New auto reading system can be set up to read daily, weekly, monthly, automatically and more efficiently. After installation, should help detect water loss/stopped meters and measure revenues for water and sewer departments

Estimated Cost: \$280,000.00

Fiscal Years: Start: 12/13 End: 18/19

Funding Sources: Water Fund - \$280,000.00

Project Name: Barlow Reservoir Re coating

Project Description: Remove interior and exterior coatings and apply new coatings. Now is the opportune time to re coat Barlow reservoir, delay will only result in more cost to repair structural damage and a reduction in the protective life span of newly applied coatings. The only other alternative is to build a new and larger reservoir and upon completion decommission the existing reservoir.

Estimated Cost: \$750,000.00

Fiscal Years: Start: 13/14 End: 13/14

Funding Sources: Water Fund - \$750,000.00

Project Name: Union Street Dam: Move or Sleeve Waterline

Project Description: Engineer to move or sleeve the waterline on top of Union St Dam. Then construct the results of the best solution. This project is only required if the dam is removed.

Estimated Cost: \$50,000.00

Fiscal Years: Start: 17/18 End: 17/18

Funding Sources: Water Fund - \$50,000.00

Project Name: Water Meters

Project Description: Installation of new meters and automatic reading devices. Aprox. 1600 per yr will be replaced.

Estimated Cost: \$375,000.00

Fiscal Years: Start: 13/14 End: 17/18

Funding Sources: Water Fund - \$375,000.00

Department: Water System Reliability Projects

Project Name: Carter Road Water Main Replacement (+Elmwood Twp SID)
Project Description: Construct a 12" water main along Carter Road between M-22 and the Morgan Farms Development. This project will provide more reliable water to Elmwood Township as allowed by bulk water contract and provide a loop to service the city system.
Estimated Cost: \$260,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: Water Fund - \$130,000.00
 Private - \$130,000.00

Project Name: High Service Pump Bearing Repair
Project Description: High Service Pump #5 (8 MGD) has a high pitched noise while running that may be caused by a worn bearing.
Estimated Cost: \$30,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: Water Fund - \$30,000.00

Project Name: Midtown Water Transmission Line
Project Description: Install approximately 7,000' of 16" water main and 200' of directionally drilled water main starting at the intersection of Washington Street and Franklin, south down Franklin to Eighth, west down Eighth to the new Boardman Lake Avenue, south down Boardman Lake Avenue to Seventeenth Street.
Estimated Cost: \$280,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: Water Fund - \$280,000.00

Project Name: Plant - Low Service Pump Upgrade - Plant
Project Description: Upgrade of the low service pump station consists of replacement of the existing pumps with more efficient pumps, and will provide for redundant water transmission lines between the low service pumps and the Water Treatment Plant.
Estimated Cost: \$2,150,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: Water Fund - \$2,150,000.00

Project Name: Plant - Raw Water Intake
Project Description: Construction of a second raw water intake in East Bay.
Estimated Cost: \$4,000,000.00
Fiscal Years: Start: 17/18 End: 17/18
Funding Sources: Water Fund - \$4,000,000.00

Project Name: Regional Water Storage
Project Description: Pending implementation of water system master plan - to raise base level pressure for fire protection
Estimated Cost: \$4,245,000.00
Fiscal Years: Start: 14/15 End: 15/16
Funding Sources: Water Fund - \$4,245,000.00

Project Name: Wayne Hill Watermain Replacement
Project Description: Construct a 12' water main from Wayne Hill booster station to Incochee Crest to replace the existing 6' water main. Cost Share with Garfield Twp
Estimated Cost: \$380,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Water Fund - \$190,000.00
Special Assessment Fund - \$190,000.00

Department: Water Treatment

Project Name: Fluoride System Upgrade
Project Description: Replace current shared bulk tank fill line for Alum with a dedicated fill line for Fluoride. Isolate Fluoride area from main room by constructing partition walls and doorway to contain Fluoride vapors and improve air quality by installing a ventilation system. Install level sensors in both Fluoride bulk storage tanks. Replace day tank and feed pump and injection line to drinking water.
Estimated Cost: \$100,000.00
Fiscal Years: Start: 13/14 End: 14/15
Funding Sources: Water Fund - \$66,000.00
Federal / State Grant - \$34,000.00

Project Name: Generator Plug Receptacle for Low Service Pump Station
Project Description: Install complete auxiliary electrical system from pumps to exterior portable generator plug at each Low Service Pump Station.
Estimated Cost: \$20,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: Water Fund - \$20,000.00

Project Name: Plant - Filter Media Replacement - Plant
Project Description: Replenish and replace some filter media in filters #1,#2,#3 with granular activated charcoal. Raise filter troughs to accommodate the additional media depth required for granular activated charcoal media. Replenish and replace some filter media in filters #4 and #5 with granular activated charcoal. The media in these filters is at least 30 years old and has been in use for all of that time. Media is lost during backwash cycles, and must be replaced periodically. The use of activated carbon would reduce disinfection byproduct concentration in the finished water, and possibly reduce taste and odor problems in the summertime. Will help reduce seasonal taste and odor and also reduce trihalomethane production which is a compliance issue to some of our wholesale customers. The concrete filter walls in all five filter bays need to be recoated. This work can be completed over a two year period.
Estimated Cost: \$400,000.00
Fiscal Years: Start: 14/15 End: 15/16
Funding Sources: Water Fund - \$400,000.00

Project Name: Plant - Freight Elevator Compliance
Project Description: Replacement of steel single wall casing with double wall casing.
Estimated Cost: \$30,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Water Fund - \$30,000.00

Project Name: Plant - SCADA
Project Description: Replace existing charts and controllers with current technology. The equipment currently in use is outdated, and much of it is no longer available in the event of an equipment failure. The computer used to control operations in the plant was installed in 1988, and must be replaced.
Estimated Cost: \$500,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: Water Fund - \$500,000.00

Project Name: Replacement of Air Compressors
Project Description: Replace air compressor (One of two was replaced in 2012)
Estimated Cost: \$10,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: Water Fund - \$10,000.00

Project Name: Replacement of Filter Valves
Project Description: Replace all valves on Filters #1, 2, and 3. Also need to address pipe corrosion issues where steel outlet piping meets the concrete wall at the clearwell.
Estimated Cost: \$100,000.00
Fiscal Years: Start: 13/14 End: 15/16
Funding Sources: Water Fund - \$100,000.00

Project Name: Security System Upgrade
Project Description: Install security motion detection cameras at Water Treatment Plant, Barlow & Wayne Hill Reservoirs and Low Service Pump Station.
Estimated Cost: \$15,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: Water Fund - \$15,000.00

Project Name: Sump Pump Replacement
Project Description: Replace pumps that drain the filter backwash lagoons.
Estimated Cost: \$40,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: Water Fund - \$40,000.00

Project Name: Variable Frequency Drive for High Service Pump
Project Description: Install a Variable Frequency Drive on High Service Pump #4 (8 MGD).
Estimated Cost: \$50,000.00
Fiscal Years: Start: 16/17 End: 16/17
Funding Sources: Water Fund - \$50,000.00

Project Name: Water Plant High Service & Raw Water Meters Replacement

Project Description: Replace three outdated master meters in the Water Plant. Two measure the High Service Pumps discharge to the water distribution system and one measures the raw water intake. These meters are original equipment from 1964 and due to their age and potential inaccuracies, they should be replaced with new meters.

Estimated Cost: \$40,000.00

Fiscal Years: Start: 13/14 End: 13/14

Funding Sources: Water Fund - \$40,000.00

Fund: Garage

Department: Garage

Project Name: Annual Vehicle and Equipment Replacement (Garage)

Project Description: The garage annually purchases new equipment, vehicles, and machinery to replace existing assets. These items to be replaced on an annual basis are based on cost effectiveness of ownership. This allocation will not replace all vehicles and equipment due for replacement. Older fleet is more expensive to maintain. Cost effectiveness is evaluated annually.

Estimated Cost: \$10,705,000.00

Fiscal Years: Start: 13/14 End: 17/18

Funding Sources: Garage Fund - \$10,705,000.00

Project Name: DPS Telephone System

Project Description: Replace telephone system. The current telephone system that services DPS, Garage, parks has become unreliable, and regularly drops calls. The old Merlin System is no longer expandable and cannot be upgraded.

Estimated Cost: \$35,000.00

Fiscal Years: Start: 12/13 End: 13/14

Funding Sources: Garage Fund - \$35,000.00

Project Name: Emergency generator install at Public Services building

Project Description: To install new generator that is in 631 Woodmere at 625 public service building. Will need to have generator checked to see if it can be reprogrammed (if possible) to suit our needs. Will need new control box. Construct enclosure behind shop and install bypass relays and wiring to function. I have demand sheets. Have to conduct a load calculation study of building.

Estimated Cost: \$28,000.00

Fiscal Years: Start: 13/14 End: 13/14

Funding Sources: Garage Fund - \$28,000.00

Project Name: Fleet Management Software/Hardware Upgrade

Project Description: Upgrade software and hardware for fleet management system that is used for our Garage operation.

Estimated Cost: \$50,000.00

Fiscal Years: Start: 12/13 End: 13/14

Funding Sources: Garage Fund - \$50,000.00

Project Name: Fuel Island Reconditioning

Project Description: Metal band around island has been sliced many times with underbody blades, and is rusted and concrete is broken. Would like to replace island with new concrete and stainless steel banding around it. Replace dispensers with digital ones, and interface them with current Petrovend system.

Estimated Cost: \$28,000.00

Fiscal Years: Start: 13/14 End: 13/14

Funding Sources: Garage Fund - \$28,000.00

Project Name: Retrofit Sander Trucks With Updated Sander Controls.

Project Description: Updated systems are required to be able to inventory sand, salt, and brine distributed. Accurate accounting is needed for State reimbursement

Estimated Cost: \$21,000.00

Fiscal Years: Start: 12/13 End: 13/14

Funding Sources: Garage Fund - \$21,000.00

Department: TIF 2

Project Name: Cass & Lake: Streetscape Improvements (+SID)
Project Description: Approximately 813 feet of streetscape improvements on Cass and Lake Streets. Improvements include trees, curb & gutter, benches, trash cans and other improvements.
Estimated Cost: \$545,500.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: TIF 2 - \$272,750.00
 Private - \$272,750.00

Project Name: Eighth Street Bridge Repair
Project Description: The work will include concrete box beam deck removal and replacement, railing replacement, sidewalk widening, riverbank slope protection, approach work and related work including aesthetic treatments. Twenty percent of the composite deck area is delaminated/defective. The City received \$750,000 in funding thru the MDOT Local Bridge Program which requires a 5% local match and the City to perform engineering for the project.
Estimated Cost: \$900,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: TIF 2 - \$150,000.00
 Federal / State Grant - \$750,000.00

Project Name: South Cass Street Bridge Repair (+TIF97)
Project Description: Concrete arch rehabilitation.
Estimated Cost: \$132,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: TIF 2 - \$66,000.00
 TIF 97 - \$66,000.00

Project Name: South Union Street Bridge Repair (+TIF97)
Project Description: Rehabilitate bridge superstructure.
Estimated Cost: \$592,500.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: TIF 2 - \$102,500.00
 TIF 97 - \$102,500.00
 Federal / State Grant - \$387,500.00

Project Name: WIFI(&TIF97)
Project Description: Public wireless network in downtown to serve visitors and parking control.
Estimated Cost: \$450,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: TIF 2 - \$150,000.00
 TIF 97 - \$300,000.00

Department: TIF 97

Project Name: 200 Block Alley Enhanced Improvements
Project Description: Pedestrian bridge, riverwalk and pedestrian improvements to north East Front alley between Cass and Park.
Estimated Cost: \$817,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: TIF 97 - \$817,000.00

Project Name: Cass Street Tunnel/Entrance
Project Description: Lighting, aesthetic and snow melt improvements to the existing Cass Street pedestrian tunnel.
Estimated Cost: \$506,500.00
Fiscal Years: Start: 12/13 End: 13/14
Funding Sources: TIF 97 - \$506,500.00

Project Name: East Front Street, 300 Block Mid-Block Crosswalk
Project Description: Install mid-block crosswalk in 300 block of E. Front St. including bump-outs, a brick paver crosswalk and signage.
Estimated Cost: \$55,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: TIF 97 - \$55,000.00

Project Name: East Front Streetscapes (Boardman to Grandview Parkway)
Project Description: New curbs, street trees, benches, bike racks and sidewalk along East Front between Boardman Avenue and Grandview Parkway.
Estimated Cost: \$515,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: TIF 97 - \$257,500.00
 Private - \$257,500.00

Project Name: Farmers Market
Project Description: Upgrade electrical outlets, accomodate tent tie-downs, install a central shelter, re-pave the lot with a decorative surface.
Estimated Cost: \$1,000,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: TIF 97 - \$1,000,000.00

Project Name: Garland Street Reconstruction/streetscapes
Project Description: Redirect Garland Street from Grandview Parkway to Union Street on the east end; provide a shared space street for pedestrians and motor vehicles.
Estimated Cost: \$1,315,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: TIF 97 - \$542,500.00
 Hardy Deck Balance - \$772,500.00

Project Name: Grandview Parkway Pedestrian Crossing Enhancement
Project Description: Pedestrian enhancements and intersection rehabilitation at Union and Grandview Parkway.
Estimated Cost: \$750,000.00
Fiscal Years: Start: 16/17 End: 16/17
Funding Sources: TIF 97 - \$750,000.00

Project Name: Lower Boardman River Enhancements
Project Description: To beautify and enhance the river environment for recreationalist and fisheries.
Estimated Cost: \$700,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: TIF 97 - \$700,000.00

Project Name: North Union Street Bridge Repair
Project Description: Bridge superstructure repair and painting.
Estimated Cost: \$212,000.00
Fiscal Years: Start: 16/17 End: 16/17
Funding Sources: TIF 97 - \$212,000.00

Project Name: Park Street Bridge Repair
Project Description: Rehabilitate bridge superstructure
Estimated Cost: \$900,000.00
Fiscal Years: Start: 16/17 End: 16/17
Funding Sources: TIF 97 - \$150,000.00
 Federal / State Grant - \$750,000.00

Project Name: Park Street Streetscapes
Project Description: Replace brick (with brick) on Park Street, streetscape west side of Park Street, and build public pedestrian entrance to the Hardy Deck with public restrooms.
Estimated Cost: \$515,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: TIF 97 - \$515,000.00

Project Name: Pine Street Pedestrian Way
Project Description: Pedestrian walkway and bridge over the Boardman River connecting West Front Street with Grandview Parkway.
Estimated Cost: \$1,360,000.00
Fiscal Years: Start: 13/14 End: 14/15
Funding Sources: TIF 97 - \$760,000.00
 Light & Power - \$600,000.00

Project Name: Public Restrooms at Lot O
Project Description: Provide public restroom for shoppers and other visitors in Downtown
Estimated Cost: \$316,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: TIF 97 - \$316,000.00

Project Name: South Cass Street Bridge Repair(+TIF2)
Project Description: Concrete arch rehabilitation.
Estimated Cost: \$852,000.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: TIF 97 - \$66,000.00
 Federal / State Grant - \$720,000.00
 TIF 2 - \$66,000.00

Project Name: South Union Street Bridge Repair (+TIF2)
Project Description: Rehabilitate bridge superstructure.
Estimated Cost: \$592,500.00
Fiscal Years: Start: 15/16 End: 15/16
Funding Sources: TIF 97 - \$102,500.00
 TIF 2 - \$102,500.00
 Federal / State Grant - \$387,500.00

Project Name: Triangle Park (Mini Park)
Project Description: Improvements to Triangle Park
Estimated Cost: \$110,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: TIF 97 - \$110,000.00

Project Name: Wellington Plaza
Project Description: Upgrade Wellington Plaza
Estimated Cost: \$175,000.00
Fiscal Years: Start: 14/15 End: 14/15
Funding Sources: TIF 97 - \$175,000.00

Project Name: West Front St Redevelopment (BOND)
Project Description: Build an approximately 410 space parking deck to serve the west side of downtown
Estimated Cost: \$5,500,000.00
Fiscal Years: Start: 14/15 End: 18/19
Funding Sources: TIF 97 - \$5,500,000.00

Project Name: West Front Street Bridge Replacement
Project Description: This project includes the complete removal and replacement of the existing concrete arch bridge with a new concrete bridge including aesthetic treatments. The current condition of the Front Street bridge is poor and very poor and it cannot be properly evaluated and renovated to meet current service and load carrying requirements. The City received \$1,100,000 in funding thru the MDOT Local Bridge Program which requires a 5% local match and the City to perform engineering for the project.
Estimated Cost: \$1,320,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: TIF 97 - \$220,000.00
Federal / State Grant - \$1,100,000.00

Project Name: WIFI (&TIF2)
Project Description: Public wireless network in downtown to serve visitors and parking control.
Estimated Cost: \$450,000.00
Fiscal Years: Start: 13/14 End: 13/14
Funding Sources: TIF 97 - \$300,000.00
TIF 2 - \$150,000.00

SIX YEAR CAPITAL IMPROVEMENTS PLAN – 2013

GENERATION:

Community Solar Garden II (CHANGE)

Location: Local solar generation either inside or outside city limits

Character: Free standing solar panels

Extent: Installation of solar panels to provide up to 84.6 KW of generation.

Estimated Cost: \$250,000 – Amount to be recovered through 25 year Sun Shares to customers

Fiscal Year(s): 2014-15

DISTRIBUTION and SUBSTATION:

Line Improvements, Extensions, New Services

Location: Throughout the entire service area

Character: Construction/replacement of overhead and underground distribution facilities involving the use of wire, poles, meters, cabinets, and transformers.

Extent: This is an annual project in which wages, benefits, and equipment charges are capitalized for upgrades to existing services or new customer services.

Estimated Cost: \$5.625 Million

Fiscal Year(s): 2013-14 through 2018-19 (Annual Program)

Distribution Circuit Rebuild

Location: Throughout the entire service area. In 2013-14 the circuit BW-31 will be rebuilt which includes the service area at the base of the peninsula.

Character: Replace deteriorated overhead/underground facilities with new wire, conduit, poles, etc. to include conversion of overhead facilities to underground as appropriate.

Extent: New circuits and upgrade of existing circuits to improve reliability and serve anticipated growth to include undergrounding facilities as appropriate.

Estimated Cost: \$5.85 Million

Fiscal Year(s): 2013-14 through 2018-19 (Annual Program)

69kV/13.8kV Distribution Substation-SOUTH

Location: South central portion of service area outside city limits

Character: Construction of new 69/13.8kV distribution substation.

Extent: To include land purchase and facilities

Estimated Cost: \$4.6 Million

Fiscal Year(s): 2013-14 through 2014-15

SIX YEAR CAPITAL IMPROVEMENTS PLAN – 2013

DISTRIBUTION and SUBSTATION (continued):

Overhead to Underground Conversion Projects (NEW)

Location: Throughout the entire service area

Character: Conversion of overhead distribution facilities to underground.

Extent: Annual Program for Approved Projects.

Estimated Cost: \$2.025 Million

Fiscal Year(s): 2013-14 through 2018-19 (Annual Program)

Pine Street Overhead to Underground Conversion

Location: Starting from behind Hall Street Substation crossing the Boardman River South along Pine Street

Character: Convert existing overhead distribution facilities to underground.

Extent: In concert with TIF 97 Plan for Pine Street projects – this is a two phase project as directed by the DDA through the TIF 97 Plan.

Estimated Cost: \$1 Million

Fiscal Year(s): 2013-14

Street Lighting System Addition (CHANGE)

Location: New street lighting along Silver Drive in the Grand Traverse Commons Area and Old Towne Neighborhood

Character: LED street lighting on Silver Drive and acorn lights in neighborhood.

Extent: Installation of new LED street lights; and low level pedestrian lights.

Estimated Cost: \$325,000

Fiscal Year(s): 2013-14 through 2014-15

Street Lighting (LED) System Replacements

Location: Throughout the entire utility service area

Character: LED street lighting replacements.

Extent: Removal of any old high pressure sodium street lights and replace with LED lights.

Estimated Cost: \$595,000

Fiscal Year(s): 2013-14 through 2018-19 (Annual Program)

TRANSMISSION and SUBSTATION:

69kV Load Break Switches

Location: Three separate locations – South Airport Sub Junction on LaFranier Road, Barlow Junction near Barlow Substation, & Cass Road Junction near Twelfth Street

Character: New steel poles & transmission switches

Extent: Replacing wood poles and switches with new steel poles & switches

Estimated Cost: \$600,000

Fiscal Year(s): 2014-15 through 2016-17

SIX YEAR CAPITAL IMPROVEMENTS PLAN – 2013

TRANSMISSION and SUBSTATION (continued):

69kV Transmission Line and Substation – EAST

Location: East Side of Service Area (substation and majority of the transmission line will be outside the city limits)

Character: Overhead transmission facilities to include new poles and wire

Extent: From a new transmission substation to an existing distribution substation

Estimated Cost: \$4.2 Million

Fiscal Year(s): 2013-14

Substation Transformer (NEW)

Location: Parsons Substation & Cass Road Substations

Character: Installation of higher rated Transformers.

Extent: Upgrade existing substation transformers for system reliability due to load growth.

Estimated Cost: \$3 Million

Fiscal Year(s): 2017-18 through 2018-19

Transmission Line Reconductor

Location: Existing transmission corridor along Hammond, Barlow, LaFranier, Cass, Wadsworth, and north end of Boardman Lake

Character: Overhead transmission facilities to include new poles and wire.

Extent: Reconductor/rebuilding of existing 69kV transmission lines with new 69kV transmission lines.

Estimated Cost: \$4.275 Million

Fiscal Year(s): 2014-15 through 2018-19

FACILITIES:

M-72 Wind Turbine Refurbishment

Location: Bugai Road @ M-72

Character: Replace existing gear box with new gear box

Extent: Repair or replacement due to normal wear.

Estimated Cost: \$350,000

Fiscal Year(s): 2018-19

Hastings Service Center Facility Improvements (CHANGE)

Location: 1131 Hastings Street

Character: Site improvements to existing facility

Extent: Entrance security & construction of outdoor covered area for inventory & equipment

Estimated Cost: \$700,000

Fiscal Year(s): 2013-14 through 2014-15

SIX YEAR CAPITAL IMPROVEMENTS PLAN – 2013

SCADA, COMMUNICATIONS, and OTHER ITEMS:

Smart Metering Technologies (AMI)

Location: Entire Service Area

Character: Electric meters and software to accommodate smart metering capabilities.

Extent: A program to provide for the migration to electronic smart meters that will assist utility customers on energy use and reliability.

Estimated Cost: \$200,000

Fiscal Year(s): 2015-16 through 2018-19

Substation Security Cameras (NEW)

Location: Cass, Parsons, Hall Street, & Barlow substations

Character: Installation of security cameras

Extent: New cameras to allow for 24/7 monitoring by system operators.

Estimated Cost: \$75,000

Fiscal Year(s): 2013-14

JOINT TCL&P, CITY OF TRAVERSE CITY, and DDA PROJECTS:

Bayfront Trail Lighting Phase I & II (NEW)

Location: Bayfront Redevelopment Project

Character: LED lights and decorative poles as determined by the City.

Extent: At locations along the trail to include installation costs

Estimated Cost: \$150,000

Fiscal Year(s): 2013-14 through 2014-15

Cass & Lake Street Streetscapes (NEW)

Location: Cass Street from Eighth St to Cass Street bridge and along Lake Street from Cass St to Eighth Street.

Character: New street lighting installations in conjunction with planned streetscape

Extent: To be determined in coordination with DDA.

Estimated Cost: \$350,000

Fiscal Year(s): 2014-15

East Front Street Streetscapes (NEW)

Location: Along East Front Street from Boardman Ave. to Grandview Parkway

Character: New street lighting installations in conjunction with planned streetscape

Extent: To be determined in coordination with DDA.

Estimated Cost: \$400,000

Fiscal Year(s): 2015-16

SIX YEAR CAPITAL IMPROVEMENTS PLAN – 2013

JOINT TCL&P, CITY OF TRAVERSE CITY, and DDA PROJECTS (continued):

Garland Street Streetscapes (NEW)

Location: Garland Street in the Warehouse District

Character: New street lighting installation

Extent: To be determined in coordination with DDA.

Estimated Cost: \$300,000

Fiscal Year(s): 2013-14 through 2014-15

Park Street Streetscapes (NEW)

Location: From State Street to Grandview Parkway

Character: New street lighting installation & underground existing overhead services

Extent: Removal of existing fixtures/poles/wires in coordination with DDA project.

Estimated Cost: \$100,000

Fiscal Year(s): 2013-14

Pine Street Pedestrian Way (companion project to Pine Street O/H to U/G) (NEW)

Location: Bridge over Boardman River North of Front Street at Pine Street

Character: New pedestrian bridge as determined by the DDA/City

Extent: To accommodate new electric circuit from Hall Street substation to alley between State Street & Front Street along Pine Street.

Estimated Cost: \$680,000

Fiscal Year(s): 2013-14

Total Generation		0	250,000	0	0	0	0	250,000		400,000	(150,000)
Distribution and Substation:											
no change	Line Improvements, Extensions, New Services	825,000	850,000	900,000	950,000	1,000,000	1,100,000	5,625,000	Annual Program	\$ 6,350,000	\$ (725,000)
DELETED	Distribution Circuit Additions/Upgrades (project better defined elsewhere in Plan - funding removed)	---	---	---	---	---	---	0		\$ 5,400,000	\$ (5,400,000)
no change	Distribution Circuit Rebuild (amounts reduced to better reflect anticipated actual cost)	850,000	900,000	950,000	1,000,000	1,050,000	1,100,000	5,850,000	Annual Program	\$ 11,400,000	\$ (5,550,000)
no change	69kV/13.8kV Distribution Substation-SOUTH (funding increased due to better estimates on actual cost)	3,750,000	850,000	---	---	---	---	4,600,000		\$ 3,800,000	\$ 800,000
NEW	OH to URG Conversion Projects (residential projects to enhance system reliability)	75,000	550,000	350,000	350,000	350,000	350,000	2,025,000	Annual Program	\$ -	\$ 2,025,000
no change	Pine Street Overhead to Underground Conversion	1,000,000	---	---	---	---	---	1,000,000		\$ 1,000,000	\$ -
CHANGE	Street Lighting System Addition (2013 - Silver Drive : 2014 - Old Towne Neighborhood)	100,000	225,000	---	---	---	---	325,000	SID funds for neighborhood lighting	\$ 100,000	\$ 225,000
no change	Street Lighting (LED) System Replacements (reduced funding to better reflect anticipated actual cost)	95,000	100,000	100,000	100,000	100,000	100,000	595,000	Annual Program	\$ 960,000	\$ (365,000)
Total Distribution and Substation		6,695,000	3,475,000	2,300,000	2,400,000	2,500,000	2,650,000	20,020,000		29,010,000	(8,990,000)
Transmission and Substation:											
no change	69kV Load Break Switches	---	200,000	200,000	200,000	---	---	600,000		\$ 600,000	\$ -
no change	69kV Transmission Line & Substation - EAST (Updated anticipated cost to complete)	4,200,000	---	---	---	---	---	4,200,000		\$ 4,500,000	\$ (300,000)
NEW	Substation Transformer Upgrades	---	---	---	---	1,500,000	1,500,000	3,000,000	GRP Study Recommendation	\$ -	\$ 3,000,000
no change	Transmission Line Reconductor	---	575,000	1,000,000	1,500,000	600,000	600,000	4,275,000		\$ 3,675,000	\$ 600,000
Total Transmission and Substation		4,200,000	775,000	1,200,000	1,700,000	2,100,000	2,100,000	12,075,000		8,775,000	3,300,000
Facilities:											
no change	M-72 Wind Turbine Refurbishment	---	---	---	---	---	350,000	350,000		\$ 150,000	\$ 200,000
CHANGE	Hasting Service Center Facility Improvements (funding reduced due to changed project scope to include inventory covered area & office security)	125,000	575,000	---	---	---	---	700,000		\$ 1,280,000	\$ (580,000)
Total Facilities		125,000	575,000	0	0	0	350,000	1,050,000		1,430,000	(380,000)

**TRAVERSE CITY LIGHT & POWER
SIX YEAR CAPITAL IMPROVEMENTS PLAN 2013**

(This worksheet is for illustration purposes only and is supplemental information to the Plan)

		Fiscal Year 2013-14	Fiscal Year 2014-15	Fiscal Year 2015-16	Fiscal Year 2016-17	Fiscal Year 2017-18	Fiscal Year 2018-19	Project Totals	Project Notes	2012 Funding Level	Change
SCADA, Communications, and Other Items:											
no change	Smart Metering Technologies (AMI) (amounts reduced to provide a more planned deployment)	---	---	50,000	50,000	50,000	50,000	200,000		\$ 750,000	\$ (550,000)
NEW	Substation Security Cameras	75,000	---	---	---	---	---	75,000		\$ -	\$ 75,000
Total SCADA, Communications & Other Items		75,000	0	50,000	50,000	50,000	50,000	275,000		750,000	(475,000)
Joint TCL&P, City of Traverse City, and DDA Projects											
NEW	Bayfront Trail Lighting Phase I & II	50,000	100,000	---	---	---	---	150,000		\$ -	\$ 150,000
NEW	Cass & Lake Street Streetscapes	---	350,000	---	---	---	---	350,000		\$ -	\$ 350,000
NEW	East Front Street Streetscapes	---	---	400,000	---	---	---	400,000		\$ -	\$ 400,000
NEW	Garland Street Streetscapes	200,000	100,000	---	---	---	---	300,000		\$ -	\$ 300,000
NEW	Park Street Streetscapes	100,000	---	---	---	---	---	100,000		\$ -	\$ 100,000
NEW	Pine Street Pedestrian Way (In coordination with Pine Street Overhead to Underground)	655,000	---	---	---	---	---	655,000		\$ -	\$ 655,000
Total Joint City, DDA & TCL&P Projects		1,005,000	550,000	400,000	0	0	0	1,955,000		0	1,955,000
TOTAL		\$ 12,100,000	\$ 5,625,000	\$ 3,950,000	\$ 4,150,000	\$ 4,650,000	\$ 5,150,000	\$ 35,625,000		\$ 40,365,000	\$ (4,740,000)

FIBER FUND PROJECTS:

DELETED	Fiber Extensions - Customer Installations (funding removed until such time that the Board decides to offer Lit Fiber services)	---	---	---	---	---	---	\$ -		\$ 450,000	\$ (450,000)
DELETED	Wi-Fi Project - DDA (funding removed as DDA is seeking alternate option for Wi-Fi services)	---	---	---	---	---	---	-		\$ 160,000	\$ (160,000)
Total Fiber Fund Projects		\$ -		\$ 610,000	\$ (610,000)						

(Actual fiscal year that a project may be undertaken may differ from the fiscal year depicted in this spreadsheet. Dollar amounts are estimates.)
