

US-31/M-37 (Division Street)

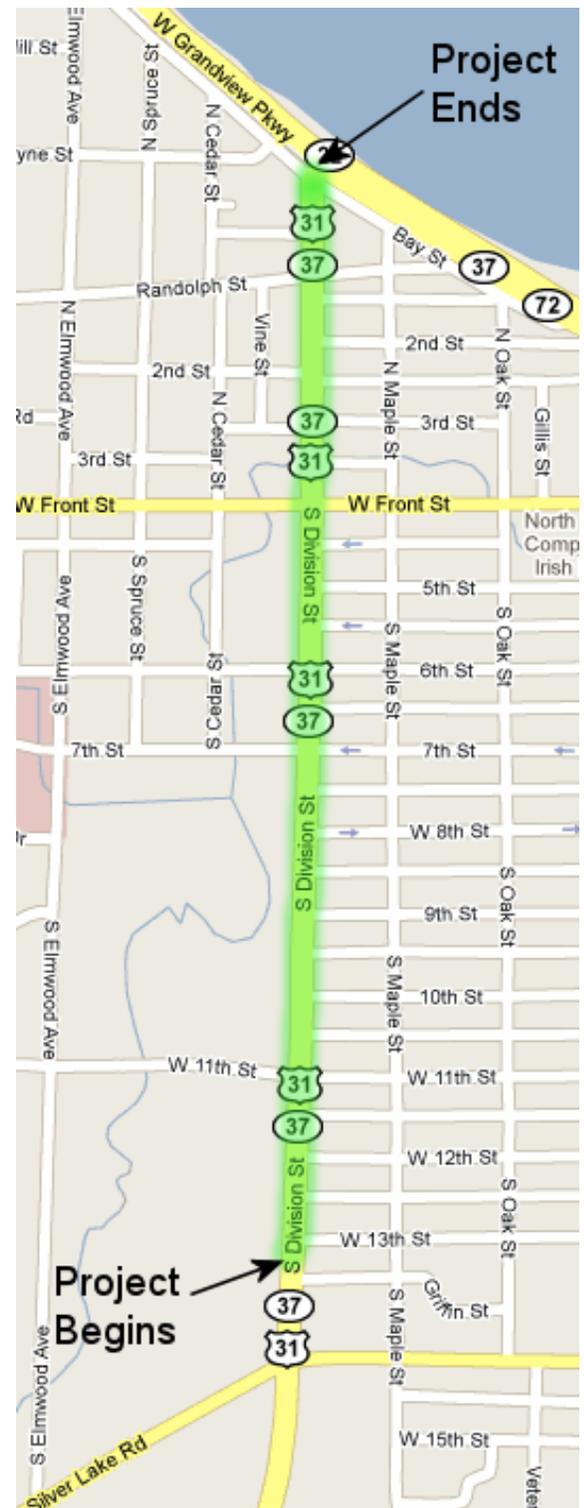

Information-sharing Session Traverse City

When: Wednesday, April 27, 2011
4 - 7 p.m.

Where: Traverse City Area Chamber of Commerce
Main Floor
202 East Grandview Parkway
Traverse City

- View plans for upcoming work planned on US-31/M-37 (Division Street) by the Michigan Department of Transportation (MDOT), Michigan Department of Environmental Quality (MDEQ) and Traverse City Light & Power (TCL&P). Agency representatives and MDOT's contractor (Elmer's Crane and Dozer) will be available to discuss this planned construction one-on-one with the public.
- Beginning mid-May, in advance of MDOT's project, independent work will begin on Division Street from Front Street to the Grandview Parkway in Traverse City. The work includes environmental cleanup near the intersection of Front Street (overseen by MDEQ) and underground utility work near the Bay Street intersection (overseen by TCL&P.) These projects are expected to be complete by the end of May.
- MDOT work begins in June with road construction on Division Street from north 14th Street to the Grandview Parkway. This project includes joint repairs, milling and resurfacing, concrete sidewalk/pedestrian ramp upgrades and crosswalk markings.
- MDOT work between Front Street and Grandview Parkway is scheduled for completion by the end of June. During June, surfacing will be performed at night, with Saturday work expected.
- No work will occur during July and August. MDOT work resumes after Labor Day, from south of Front Street to north of 14th Street, and is scheduled to be completed by early October.
- Two-way traffic will be maintained at all times with access to adjacent properties accommodated.
- For more information on these projects:
 - MDOT: Traverse City Transportation Service Center - 231-941-1986 or 888-457-MDOT
 - MDEQ: Ann Emington - 231-876-4453
 - TCL&P: Glen Dine - 231-932-4551

Special Accommodations: Please contact Gary Niemi at 888-457-6368 at least two days in advance.
