Sewing / Hemming

Product prices include sewing on patches or hemming pants if applicable. Hemming, sewing, and embroidery work is done by the 5.11 Tactical Custom Shop, or by a local third party. Any customization to waterproof or ANSI rated products is done exclusively by the 5.11 Custom Shop in order to maintain product warranty.

Delivery Time

Tele-Rad's ability to deliver products is dependent upon availability from the manufacturer (5.11 Tactical). Standard delivery time is within 30 days, but special sizes or customized products may be subject to delay.

Term

Product availability and pricing is subject to change at the discretion of the manufacturer (5.11 Tactical). Due to this uncertainty and lack of control Tele-Rad has included pricing for a 2-year term.
