

PLEASE JOIN THE CITY OF TRAVERSE CITY:

“Green” Ribbon Cutting Celebration for New Water Bottle Filling Stations

Monday, June 16 at 1:00pm

Open space west of Duncan L. Clinch
Marina at the Hagerty sponsored Water
Bottle Filling Station.

For more information please contact Deputy City Clerk
Katie Lowran (231) 922-4480 or klowran@traverseciymi.gov

Newly-installed water bottle filling stations will serve two purposes: 1) to function as a traditional drinking fountain; and 2) to have a special feature to fill reusable water bottles. This initiative is intended to allow users the ability to enjoy a drink of fresh, local water using the fountain or to fill their reusable water bottle for water on the go which contributes to a healthy lifestyle. 

A special thanks to Hagerty for its collaborative efforts in obtaining sponsorships, as well as, to our additional sponsors National Cherry Festival, and CH2M HILL.
