FACTS ABOUT TRAVERSE CITY

The City of Traverse City is located in portions of both Grand Traverse County and Leelanau County within Northern Lower Michigan. Traverse City is situated on the shores of picturesque East Grand Traverse Bay and West Grand Traverse Bay, which both flow into Lake Michigan. While Traverse City's official population is 14,572, it holds a daytime population of more than twice the official population, and it is the hub of a Micropolitan Statistical Area of 143,372.

In 2010 the United States Congress dedicated Traverse City as "A Coast Guard City" for its commitment and support to local Air Station Traverse City, its Coast Guard members and families. As part of this dedication, the City of Traverse City has formed a Coast Guard City Committee to build a greater awareness of the Coast Guard's importance to our community.

Legal Status: Home Rule Charter City

Incorporated: May 18, 1895

WELCOME TO THE CITY OF TRAVERSE CITY!

Local government in Traverse City serves members of the community in many ways - police and fire protection, water and sewer systems, street maintenance, parks and recreation activities, and much more. Traverse City government plays a major role in daily life, but how is this accomplished? Who is responsible? How is the local government set up? Why is it important to know the answers to these questions? Informed citizens have a better understanding of how local government works and can take advantage of opportunities available in the community, as well as play an active role in making the community an outstanding place to live. Government in Traverse City works for the residents and through the residents.

FORM OF GOVERNMENT

The City of Traverse City operates under a Council-Manager form of government. The Mayor and City Commissioners are elected officials who set broad policy direction for the City. The City Manager is appointed by the City Commission to handle the day-to-day administrative duties of the City. The City Manager makes recommendations to the City Commission as a group and the Commission acts on business at regularly scheduled meetings held on the first and third Monday of each month.

CITY COMMISSION

The City Commission consists of a Mayor and six Commissioners. Commissioners are elected to four-year terms, staggered every two years. The Mayor is elected every two years and is the presiding officer of the Commission.

CITY MANAGER

The City Manager advises the Commission and makes recommendations on matters related to the operation of the City, including responsibility for overseeing all departments and staff.

CITIZEN PARTICIPATION

The City of Traverse City relies on citizen participation on various Commission Advisory Boards and Commissions. The advice received from these groups assists the City Commission and City Administration in making Traverse City the best place to call home. Citizens can provide the special talents and experience needed to meet the diversity of challenges facing the community today and in the future. If you are interested in becoming involved in a City Board or Commission, a volunteer **“Application to Become Involved”** is available at www.traversecitymi.gov/boards.asp or one can be picked up at the Office of the City Clerk.

CITY SERVICES & AMENITIES

City government is here to serve you, and City staff is committed to making it as easy as possible for you to obtain the City services you need. The City is also committed to offering recreational amenities and activities that are close to home for your enjoyment.

SPRING LEAF & BRUSH PICK-UP

Each spring, the City of Traverse City conducts spring leaf and brush pick-up, giving residents the opportunity to clean up their yards of debris. This is also a good time to dispose of your Christmas Tree if you haven't done so at this point. Notice of this service is published each spring on our City website and Facebook.

FALL LEAF PICK-UP

Each fall, the City of Traverse City conducts a fall leaf pick-up. Similar to the spring pick-up, this program allows you to dispose of leaves by placing them at the curb. Notice of this service is published each fall on our City website and Facebook.

SNOW REMOVAL

The City removes snow from City streets, public parking lots and the TART Trail. Snow removal from sidewalks are the responsibility of each individual resident, the City may remove snow if time allows, however residents should plan on removing snow from sidewalks. To view a map of Primary and Emergency Snow Removal Routes, visit our website at www.traversecitymi.gov/snow_removal.asp.

BROWN BRIDGE QUIET AREA

On the outskirts of Traverse City, this peaceful area is 1300 acres of beautiful hiking trails, kayaking and canoeing opportunities and bike paths! Visit our website at www.traversecitymi.gov/brownbridge.asp for more information!

PUBLIC BEACHES

Traverse City is filled with public beaches for everyone's enjoyment! Make time to visit West End Beach, Volleyball Beach, Clinch Park Beach, Sunset Beach, Bryant Park Beach, and East Grand Traverse Bay Beach. For details on location of each of these beaches, visit our website at www.traversecitymi.gov/tcpublicbeaches.asp

PUBLIC PARKS

While Traverse City has its share of public beaches, there are also numerous public parks! There's even a park designed specifically for your dog's entertainment, Wag's West. Some of the most popular parks are the Open Space, East Bay Park, and F&M Park. For a complete list of City parks, visit our website at www.traversecitymi.gov/tcparkmaplist.asp

DUNCAN L. CLINCH MARINA

The City owns and operates a marina downtown Traverse City. For details on obtaining a seasonal boat slip, contact (231) 922-4906 or visit the City's website at www.traversecitymi.gov/clinch_marina.asp.

HICKORY HILLS

Our Terrain, Your Tracks.

Hickory Hills is a great place for family fun! Visitors of the park can enjoy disc golf and hiking, as well as downhill and cross country skiing. Check out what Hickory Hills has to offer by stopping by: 2000 Randolph Street, Traverse City or by visiting www.traversecitymi.gov/hickory_hills.asp

ICE SKATING

In the winter, the City creates and maintains ice skating rinks, two of which have warming houses! There is no charge for use of these rinks. For more information, visit www.traversecitymi.gov/publiciceskating.asp

GOOD NEIGHBOR TIPS

Having good neighbors is a great way to maintain Traverse City's strong sense of community. Below are some tips on how to establish this!

Vehicles

Each residential parcel is required to have one off-street parking space to park their vehicles, trailers and boats. These vehicles shouldn't be parked in a front yard.

Garage, Yard and Estate Sales

During a 12 month period, residents may have up to two yard sales; there is no permit required! The signs advertising your sale may only be displayed during that time.

Noises

During the timeframe of 10:00 PM - 7:00 AM residents should refrain from creating a noise disturbance. Radios and other noise devices disturbing neighbors may be in violation of the noise ordinance. If disturbances do occur, please contact the Noise Control Officer.

Lawns and Landscaping

Residents are responsible for the maintenance of their lawns. It is important to trim your lawn so that it does not exceed the height of eight inches. If comfortable, offer assistance to your neighbor in mowing their lawn if you see their grass growing over eight inches!

Rental Properties

The owner of the rental dwelling is required to maintain the quality of the interior and exterior surfaces of the unit, including lights and ventilation, plumbing, heating and cooking facilities, electrical, and fire safety. It is important that the renter of the unit allows access to the owner or operator when an inspection, a repair, or maintenance is needed.

Animals

City residents are welcome to partake in urban farming by having up to four chickens or two honeybee hives. When having honeybees you should have a flyaway barrier that is at least six feet tall and located in the rear or side yard, and at least 10 feet away from the sidewalks, roadways and alleys. If you have chickens, they should be in an enclosed coop.

DOWNTOWN DEVELOPMENT AUTHORITY

The Traverse City Downtown Development Authority was created in 1978 to halt property value deterioration, to increase property valuation where possible in the business district of the City, to eliminate the causes of deterioration, and to promote economic growth. The DDA was created under Michigan Public Act 197 of 1975.

Downtown Traverse City has been a vacation destination for Midwesterners for years. One of the best kept secrets in the North, Downtown Traverse City is full of culture, education, and business capital. Residents of Traverse City and visitors alike find more than t-shirt and fudge shops as they walk through downtown; they find Northern Michigan's most diverse cuisine, best shopping, and great culture! The City invites you and your visitors to enjoy and experience all Downtown Traverse City has to offer.

PARKING IN TRAVERSE CITY

Whatever your Downtown destination, a parking space is readily available. One and two hour meters are located close to retail establishments, most with a free 30 minutes for the quick trips! Longer term, 10 hour meters are generally located along Grandview Parkway and in lots south of State Street. Don't worry about having coins for the meter, Traverse City offers mobile payment for parking! Parking lots are also conveniently located throughout Downtown Traverse City. All day, affordable parking is available at the Larry C. Hardy and OldTown Parking Garages. For the bike riding enthusiast, Downtown Traverse City has many bike racks placed at various locations and bike lockers available for rent at the Larry C. Hardy Parking Garage and the OldTown Parking Garage.

OVERNIGHT PARKING

The City does not allow overnight parking from November 16 through April 14 of each year. Vehicles found parking on any street or alley between the hours of 3:00 a.m. and 6:00 a.m. may be towed at the owner's expense. Overnight parking is generally permitted during the spring and summer months on Saturday, Sunday, and Monday only.

TRAVERSE CITY LIGHT & POWER

The mission of Traverse City Light & Power is to provide the Public Power benefits of safety, lower rates, high reliability, local control and exceptional customer service to the City and its residents and all Traverse City Light & Power customers.

Traverse City Light & Power (TCL&P) has been providing electric service to Traverse City and parts of the outlying townships since 1912. Although the core purpose of TCL&P is electricity, we have grown to provide the operations and maintenance of traffic signals, a complimentary downtown WiFi network, a dark fiber system and street lighting.

TCL&P FREQUENTLY ASKED QUESTIONS

Why isn't my due date on the utility bill the same every month?

TCL&P's service territory is broken into five zones. There are instances when the meters are not read on the same day of the month due to inclement weather or some other circumstance that results in a delay in the billing cycle.

Why is my utility bill high?

Some utility bills reflect multiple services such as electric (EL), water (WA) and sewer (SE). If you have time, review your bill prior to contacting Customer Service to determine what service is causing your bill to increase and the possible problem such as a water leak.

How do I know if my bill was based on an estimate?

An estimate will be noted on your utility bill as an "E" next to your Meter Number. In the absence of this, an actual was performed.

Can I view my account online?

Yes, you can view current and past utility bills and view up to 36 months of electric usage history. To learn more, visit www.tclp.org and select "Payment Options & Account Access."

What are my payment options?

You can have your utility bill automatically drafted from your bank account or pay by credit card, cash or personal check. You also have the option of going paperless with Bill E-Notifications. To learn more, visit www.tclp.org and select "Payment Options & Account Access" or contact Customer Service at (231)-922-4431.
