Traffic Signal Repair - Woodmere Avenue Closure

TRAVERSE CITY- Motorists, pedestrians and bicyclists should be aware that unscheduled traffic signal repairs are underway at the intersection of Woodmere Ave and Eighth St. The Traverse City Street Division has closed all lanes of traffic, including the bike lane on Woodmere Ave, from Eighth St to Boyd Ave. All crosswalks are closed at the intersection. East and westbound traffic on Eighth St will remain open. Completion of the repairs are dependent on the availability of parts and will be completed as soon as possible.

Appropriate signage will be in place and access to all businesses and residences will be maintained at all times.

Please use alternate routes, avoiding this area to reduce congestion, delay, and to promote worker safety.

This construction will generate noise and cause inconvenience. We would like to thank you in advance for your patience and cooperation. Please feel free to call Mark Jones at 922-4900, x112 if you have any questions, comments or concerns about the work or the schedule.
