## DRAFT AGENDA – BROWN BRIDGE ADVISORY COMMITTEE

### Review of Action Items

**Action Item 12-2 (2017):** Per recommendation from City Staff and City Manager, GTCD staff to investigate a new more concise management plan format to present to the BBAC in March.

**Background:** The Brown Bridge Management Plan needs updating. After discussion with the City Manager and City Planner, it was suggested that we use a more condensed, concise format for this update. The current Management Plan uses the same format as when it was first drafted and approved 25 years ago. **Status:** Open. Agenda Item III.

**Action Item 8-I (2020):** Largent to locate draft letter (re: A.I. 11-1-2019) and contact Paradise Township to ask if there's been any plans submitted for the state 130 adjacent to the BBQA that was traded to a private individual.

**Action Item 8-II (2020):** Millican to provide GTCD with language from state statute to include in the draft letter to Paradise Township regarding the City being notified of any land applications related to the state 130.

**Action Item 8-III (2020):** GTCD staff to provide the Committee with ChronoLog info sheet and updated draft version of the Management Plan prior to the September meeting.

**Action Item 8-IV (2020):** GTCD staff to invite Harvey Calcutt to September meeting to discuss the South side trail.

**Action Item 8-V (2020):** GTCD will investigate and provide an update regarding the Brown Bridge Trust Parks Improvement Fund for the September meeting.
