All appointments are three-year terms expiring the first Monday in October.

The Committee meets quarterly on the third Thursday of that month.

This Committee consists of twelve members (not less than six members shall be City residents). They are selected as follows:

One member of the City Commission – selected by it

One member is the City Manager or its designee – selected by City Manager

All other members appointed by the City Commission (again, half of all members must be city residents)

Purpose: To make recommendations to restore, preserve and protect the integrity of the Brown Bridge property under the direction of the City Manager.

Committee established by the City Commission on October 4, 1993.

Resolution establishing the Brown Bridge Advisory Committee as a twelve-member committee, to

allow for the establishment of a seat to be nominated by the Traverse City Light and Power Board was adopted by the City Commission on June 4, 2001 - - this Resolution supersedes the April 3, 1993, action of the City Commission relating to the establishment and composition of the Committee.

Ordinance Amendment 651 (enacted 8-16-04) revised manner in which appointments are made; the method for appointments in light of this change is reflected above. Ordinance Amendment 872 (enacted 8-16-2010) revised manner in which appointments are made; therefore removing the provision for a Traverse City Light and Power Board seat nomination. Ordinance Amendment 1012 (enacted 2-17-15) which modifies the composition and organization of the committee, giving voting authority to the City Commissioner representative.
