- **Notes**
Align the padlock tab back toward the tee to have the hole number decal face the tee area. We recommend 60-80 lb of concrete for installation. Sprinkler Valve Box Covers make nice finishing treatments to sleeves that will have multiple pin placements. A removable cover both protects mowers from hitting the sleeve, and prevents dirt and rocks from going down the sleeve when target is not in this location. **Lock, Sprinkler Valve Box, and concrete not included.**
