PARK STREET BRIDGE CLOSURE 6/01/2021 TO 11/13/2021

TRAVERSE CITY- The City of Traverse City and Anlaan Corporation will be replacing the bridge deck and painting the steel beams of the Park Street Bridge. The project will start Tuesday, June 1, 2021 and is expected to be finished by November 13, 2021.

Work includes removal of the existing bridge deck, sidewalk and railings, painting the existing steel beams, constructing a new bridge deck, sidewalk and railings, and bridge approach street work. The bridge will be closed to all traffic including pedestrians for the duration of the project.

Detours will be provided utilizing the Grandview Parkway, Union Street and the one-way pair of Front Street and State Street. Pedestrians will be directed to use the tunnel beneath the Grandview Parkway at Cass Street. The river will be closed to traffic during weekdays and open on the weekends. During the painting there may be limited access or the river will be closed on weekends because there may not be enough vertical clearance to the scaffold system used for painting depending on water levels.

Please use alternate routes avoiding this area to reduce congestion, delay and promote worker safety. Appropriate signage and barricades will be in place in and around the work area.

This construction will generate dust, noise and cause inconvenience. We would like to thank you in advance for your patience and cooperation. Please feel free to contact Jessica Carpenter via email at jcarpenter@traversecitymi.gov or phone at (231) 922-6894 if you have any questions, comments or concerns about the work or the schedule.

###

The City of Traverse City is located in Grand Traverse County, Michigan. Traverse City was incorporated in 1891 as a Village and in 1895 as a City. It encompasses 8.09 square miles and has a population of 14,674 (2010 Census).
