

Dear Prospective Event Holder:

Subject: Low Impact Park and Public Land Use Permit

Thank you for your interest in having your event here in Traverse City! Traverse City is a vibrant community that welcomes events in our parks! The City looks forward to working with you.

Park Use

Low Impact and High Impact Park and Public Land usage requests are processed differently and have different requirements, as outlined in the City's Park and Public Land Use Policy. By answering the questions below, you will be able to determine if your event is considered Low Impact or High Impact. Low Impact uses are approved by the Parks and Recreation Division. High Impact uses are approved by the City Clerk's Office. In some cases, the City Commission must approve high impact event permits; and the Parks and Recreation Commission may also be required to review your application.

Determining if the event is "Low Impact" or High Impact"

1. Is the event 3 days or more in duration excluding set up and take down? Yes ___ No ___
2. Will a for-profit or commercial entity receive direct financial benefit from your event, such as directly selling goods or services, or displaying their goods/products/promotional materials? Yes ___ No ___
3. Will you be requesting, or is it likely the City will require, that you utilize City personnel during the course of your event? Yes ___ No ___
4. Will you be setting up significant infrastructure, such as stages or amusements? Yes ___ No ___
5. Will the total square footage of ***ALL*** of your infrastructure exceed 1,000 square feet? Yes ___ No ___ N/A ___
6. Will you be utilizing a parking lot or structure for a purpose other than parking, for example - such as setting up tents? Yes ___ No ___
7. Will you be selling alcohol in connection with your event? Yes ___ No ___

If you answered yes to any question, you are considered **high impact**, otherwise you are low impact and you should complete the attached low impact application. If your event is **high impact**, please do not complete this application; instead, complete the high impact application with the City Clerk's Office.

Again, thank you for choosing Traverse City! We look forward to working with you very soon.

All applicants should answer/acknowledge the following questions/statements:

1. Are you setting up any equipment such as tables, chairs, portable toilets, public address systems, bounce house, or tents? (circle all that apply)

- Yes
- No

2. List any additional equipment/items, if any, being set up in the park: _____

3. Will you be staking or driving anything into the ground such as tents?
 As of September 2019, for safety reasons, as a result in the procedures for marking underground utilities, the city prohibits driving anything into the ground within any city park (e.g. staking) until we have identified exactly where all underground utilities are located. (We hope to have this resolved in time for the 2020 events season)

- No
4. Are you staking or driving anything into the ground such as tent stakes?
- Yes – If yes, recognizing that, as outlined in Question 2, staking in city parks is prohibited, how will you weigh down the tents or other structures (i.e. using sand bags or water weights) _____
- No
5. How many tents will you be setting up and list their dimensions: _____

The total square footage of any tent or combination of tents and additional infrastructure should not exceed 1000 square feet. If it does, you will need to complete a Parks and Public Land Use –High Impact Event form located at www.traversecitymi.gov/permits_and_form.asp.
