Mens Trail Closure

**The Mens Trail will be closed to all traffic
August and September, 2020**

TRAVERSE CITY- Pedestrians and Cyclists should be aware that Molon Excavating will be closing the Mens Trail and the Trail running along the 14th St. drainage ditch from Elmwood Ave. to Division St. for drainage work. This closure will begin on August 3rd and will likely take two months to complete. This closure duration is weather dependent.

The work will require the trails to be closed to all traffic while the work is being done.

Please use alternate routes avoiding this area to reduce congestion, delay and inconvenience for your travels. Appropriate signage and barricades will be in place in and around the work areas.

This construction will generate dust, noise and cause inconvenience. We would like to thank you in advance for your patience and cooperation. Please feel free to call John McWethy at 922-4467 if you have any questions, comments or concerns about the work or the schedule.
