

STREET TREE FERTILIZATION POLICY

(Adopted by City Commission on May 15, 1986, as per the following):

“Motion by Crough, supported by Greene, that the street tree fertilization program on a request and pay basis, which was adopted on April 7, 1986, be rescinded; and further, that the City adopt a policy whereby all street trees owned by the City will be fertilized on an as-needed basis at no direct cost to the abutting property owner; and further still, that the City staff be directed to make a cost estimate therefor for City Commission approval at the earliest possible date.

Vote on the motion: Yes - Crough, Greene, Nelson, Williams
No - Markl, Piche, Weese

Motion carried.”
