PUBLIC SERVICE ANNOUNCEMENT
FOR IMMEDIATE RELEASE

Contact: Alexander R. Yockey P.E., Civil Engineer II

W. Front St. Bridge Closure 9/27/2021 TO June, 2022

TRAVERSE CITY- The City of Traverse City and Anlaan Corporation will be reconstructing the W. Front St. bridge over the Boardman River. The project will start Monday, September 27, 2021 and is expected to be substantially complete in June of 2022.

Work includes removal and replacement of the bridge abutments/superstructure including widened sidewalks, pedestrian scale lighting and architectural elements added to the bridge fascia beams.

The bridge will be closed to all traffic including pedestrians for the duration of the project.

A vehicular detour will be provided utilizing Hall St., Grandview Pkwy., Union St., State St. and Pine St. A pedestrian detour will be provided utilizing the pedestrian bridge over the Boardman River at Pine St. The Boardman River will be closed to traffic under the bridge.

Watermain work will require closing the Hall St. and W. Front St. intersection for a few weeks in the spring of 2022 and the detour route will be changed as necessary. Additional public service announcements for this revision will be published.

Please use alternate routes avoiding this area to reduce congestion, delay and promote worker safety. Appropriate signage and barricades will be in place in and around the work area.

This construction will generate dust, noise and cause inconvenience. We would like to thank you in advance for your patience and cooperation. Please feel free to email Alexander Yockey at ayockey@traversecitymi.gov if you have any questions about the work or the schedule.

###

The City of Traverse City is located in Grand Traverse County, Michigan. Traverse City was incorporated in 1891 as a Village and in 1895 as a City. It encompasses 8.09 square miles and has a population of 14,674 (2010 Census).
