Issued: August 20, 2026

State Street Sidewalk Closure (Park Street to Boardman Avenue)
August 20, 2026

Traverse City, Mich. — Motorists, bicyclists, and pedestrians should be aware that the Traverse City Department of Mobility Infrastructure will close the sidewalk on the south side of State Street between Park Street and Boardman Avenue on August 20, 2026.

The sidewalk will remain closed until the necessary repairs can be completed. The timing of the repairs will require coordination with contractors and other ongoing projects in the area.

A clearly marked pedestrian detour will be in place for the duration of the closure.

This work may cause disruptions to pedestrian, bicycle, and vehicular traffic. If possible, please use alternate routes to avoid the area, reduce congestion and delays, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact Chris Weber at (231) 922-4900 if you have any questions, comments, or concerns about the work or schedule.
