300 Block of East State Street Closure
September 23, 2026

Traverse City, Mich. — Motorists, bicyclists, and pedestrians should be aware that contractors will be closing the 300 block of E. State St. between Park St. and Boardman Ave. on Wednesday, September 23, 2026.

The street will be reopened by the end of the day.

Access will be maintained to all businesses and residences at all times and appropriate signage will be in place. Work is weather-dependent and modifications may be necessary.

If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact John McWethy at (231) 922-4467 if you have any questions, comments or concerns about the work or the schedule.
