Park Street and State Street Sidewalk Improvements and Pedestrian Detour
November 16, 2026

Traverse City, Mich. — Pedestrians, bicyclists, and motorists should be aware that the City of Traverse City will be conducting sidewalk improvements along Park Street and State Street beginning November 16, 2026. To accommodate the work, a pedestrian detour will be in place, directing pedestrians west across Park Street, north to the midblock crosswalk, and back east. Pedestrian access along State Street will be maintained throughout construction.

The project is anticipated to continue through December 7, 2026.

Please follow posted detour signage and use caution when traveling through the work area to promote worker and pedestrian safety.

This construction may generate dust, noise and cause inconvenience. We would like to thank you in advance for your patience and cooperation. Please feel free to contact Zach Cole, at 231-922-4492 if you have any questions, comments or concerns about the work or schedule.
