

**PUBLIC SERVICE ANNOUNCEMENT
FOR IMMEDIATE RELEASE**

Contact: Alexander Yockey, Deputy City Engineer
(231) 922-4468
ayockey@traversecitymi.gov

Issued: April 30, 2026

**Seventh Street Closure
*May 6 through May 15, 2026***

Traverse City – Motorists, bicyclists, and pedestrians should be aware that contractors will be closing Seventh Street between S. Elmwood Ave. and S. Division Street to all through traffic for the City's mill and fill project on Wednesday, May 6, 2026. The project is anticipated to be completed on May 15, 2026.

A detour will be provided using S. Elmwood Avenue, W. Eleventh Street, and S. Division Street. The westerly southbound lane on S. Division Street will be closed at Seventh Street.

Northbound S. Division Street traffic with Munson Medical Center Emergency Room as their destination will be directed to use Sixth Street.

Sidewalk curb ramps are being replaced to improve ADA accessibility. All crosswalks within the work zone will be closed for the duration of the project to facilitate the construction. Pedestrian detours will be provided using S. Elmwood Avenue, W. Front Street, S. Maple Street and W. Eleventh Street.

On-street parking on Seventh Street in the work area will be prohibited for the duration of the project.

If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact Alexander Yockey at (231) 922-4468 if you have any questions, comments or concerns about the work or the schedule.
