Dear Prospective Event Holder:

Thank you for your interest in adding to our community by putting together an event in Traverse City! Traverse City is fortunate to be a vibrant community complete with many festivals and events. The City of Traverse City looks forward to working with you.

Street Use

All Street Use requests are handled by the City Clerk's Office. Street Uses where the street closure is greater than 24 hours require City Commission approval.

Park Use

Low Impact and High Impact Park and Public Land usage requests are processed differently and have different requirements, as outlined in the City's Park and Public Land Use Policy. By answering the questions below, you will be able to determine if your event is considered Low Impact or High Impact. Low Impact uses are approved by the Parks and Recreation Division. High Impact uses are approved by the City Clerk's Office. In some cases, the City Commission must approve high impact event permits; and the Parks and Recreation Commission may also be required to review your application. While event organizers may charge a fee for people to participate in certain aspects of their event, the park must remain open to the general public. However, if your event is held in a parking lot, an event holder has the option of their event being a ticket only event.

Determining if the event is "Low Impact" or High Impact"

1. Is the event 3 days or more in duration excluding set up and take down? Yes ___ No X
2. Will a for-profit or commercial entity receive direct financial benefit from your event, such as directly selling goods or services, or displaying their goods/products/promotional materials?
Yes ___ No X
3. Will you be requesting, or is it likely the City will require, that you utilize City personnel during the course of your event? Yes ___ No X
4. Will you be setting up significant infrastructure, such as stages or amusements? Yes ___ No X
5. Will the total square footage of ***ALL*** of your tent(s) exceed 1,000 square feet? Yes ___ No X
N/A ___
6. Will you be utilizing a parking lot or structure for a purpose other than parking, for example - such as setting up tents? Yes X No ___
7. Will you be selling alcohol in connection with your event? Yes ___ No X

If you answered yes to any question, you are considered **high impact**, otherwise you are low impact and you should complete a Low Impact Event application.

Again, thank you for choosing Traverse City! We look forward to working with you very soon.

City Clerk
