

ADDENDUM

TRAVERSE CITY PARKS EXTERIOR SIGNAGE FABRICATION & INSTALLATION

RFP: TC Parks Exterior Signage Fabrication & Installation Addendum

1. Would Corbin provide a sample of the look to be achieved on the painted faux corten sign faces?
Yes, Corbin will provide examples of the faux CORTEN finish to the awarded fabricator.
2. What is the expectation in consistency from the corten post and the painted faux corten sign faces?
The posts will patina naturally and the faces will have an accelerated patina faux finish.
3. Our assumption is that the corten posts will be installed mill finish and seasoning will take place naturally after installation. Correct?
Yes, that is correct.
4. Are breakformed seams on top of the sign cabinets acceptable?
Yes, seams along the top are acceptable.
