ARTICLE 1 RECOGNITION

Section 1.1 Collective Bargaining Unit.

The City hereby recognizes the Union as the exclusive collective bargaining representative, as defined in Act No. 336, State of Michigan Public Acts of 1947, as amended, for all the employees employed by the City in the following described unit:

All Captains and Lieutenants in the Police Department of the City, excluding Clerks, Sergeants, Chief of Police, Patrol Officers and all others.

Section 1.2 Definition.

An employee for the purpose of this Agreement shall be a person(s) regularly employed by the City in a Captain and Lieutenant classification.

Section 1.3

The recognition of the Union by the City is limited to those matters for which a labor organization is entitled to bargain under Act 336, PA 1947, as amended. The Union will not interfere with the operations of the police department.

ARTICLE 2 UNION SECURITY

Section 2.1 Agency Shop.

Membership in the Union is not compulsory. Employees covered under this agreement have the right to join, not join, maintain or drop their membership in the Union as they see fit. Neither party shall exert any pressure on or discriminate against an employee as regards such matters. Employees covered under this agreement shall be governed by State and Federal law.

The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Union, and this Agreement has been executed by the Employer.

Section 2.2 Deduction of Dues.

During the period of time covered by this Agreement, the Employer agrees to deduct from the pay of any employee who chooses to become a member of the union, all dues and/or initiation fees of Local 214, provided, however, the Union presents to the Employer, authorizations signed by such employees, allowing such deductions and payments to the Local Union. This may be done through the Steward of the Union.

- A. Amount of initiation fee and dues will be certified to the Employer by the Secretary-Treasurer of the Union.
- B. Authorized monthly, Union dues and initiation fees will be deducted by the Employer and transmitted to the Union as prescribed above.
- C. Such payments shall commence thirty-one (31) calendar days following the effective date or on the date of execution of this Agreement, whichever is later, and for new employees who choose to become members of the union, the payment shall start thirty-one (31) calendar days following the date of employment

The Union agrees that in the event of litigation against the City of Traverse City, its agents or employees arising out of this provision, the Union will co-defend and indemnify and hold harmless the City, its agents or employees for any monetary award arising out of such litigation.

ARTICLE 3 REPRESENTATION

Section 3.1 Steward.

The City agrees to recognize one Steward elected or appointed by the Union from among employees in the unit with one or more years of seniority for the purpose of processing grievances.

The Union agrees that the Steward will not let stewardship interfere with any duties or the operations of the Police Department, and the City agrees to give the Steward reasonable time and access to other officers to fulfill their obligations hereunder. The authority of the job steward and alternate so elected by the Local Union shall be limited to, and shall not exceed the following duties and activities:

A) The investigation and presentation of grievance with Employer or the designated City representative in accordance with the provisions of the Collective Bargaining Agreement;

B) The transmission of such messages and information, which shall originate with, and are authorized by the Local Union or its officers, provided such messages and information:

1. Have been reduced to writing, or
2. If not reduced to writing, are of a routine nature and do not involve work stoppage, slow-downs, refusals to handle goods, or any other interference with the City's business.

Section 3.2 Notification.

The City shall be informed in writing of the name of the Steward. All official communications from or to the City shall be from or to the Steward.

Section 3.3 Visitation.

Authorized representatives of the Union shall be permitted to visit the operation of the City during working hours to talk with the Steward of the Local Union and/or representatives of the City concerning matters covered by this Agreement, provided the representatives of the Union first announce their intentions to the officer in charge who shall make the necessary

arrangements for such consultation so as not to disrupt the work of the Department and the employee(s) involved.

Section 3.4 Bargaining Team.

The Bargaining Team shall be elected by the membership and shall be limited to one (1) member. Bargaining shall not normally be scheduled so as to interfere with departmental operations. In no event will the City compensate an officer for hours spent in bargaining or other Union activities beyond the officer's normal work shift.

**ARTICLE 4
MANAGEMENT'S RIGHTS**

Section 4.1 Rights.

Management of the City, determination of all matters of management policies; the services to be furnished; the nature and number of facilities and departments to be operated and their locations; the direction of the work force, including only by way of illustration and not by way of limitation, the right to hire, discipline, suspend or to discharge for just cause, to promote, transfer or lay off employees, or to reduce or increase the size of the work force; to establish reasonable rules and regulations, to set goals and objectives or to make adjustments as to the ability and skill is within the sole prerogative of the City, provided, however, they will not be used in violation of any provision of this Agreement. The City shall be the exclusive judge of all matters pertaining to the services that it provides, the methods, processes and means and materials used, and the City shall have the right to continue and maintain its services and operations as in the past and prior to the execution of this Agreement with the Union, and it shall also have the right to study and use alternative methods, equipment and/or outside assistance (subcontracting) at the City's sole discretion or to discontinue or to modify any operations or to subcontract any work. It is understood that the City reserves and retains solely and exclusively all of its inherent and customary rights to manage the City's operations.

It is further agreed that these enumerations of Management's prerogatives shall not be deemed to exclude other prerogatives not enumerated and except as specifically abridged,

delegated, modified by this Agreement, all of the rights, powers and authorities the City had prior to the signing of the Agreement are retained by the City and remain with the rights of the City.

Section 4.2 Inter-Local Agreement.

If the City, in its sole discretion, enters into an inter-local agreement, such agreement shall be under the terms of the Urban Cooperation Act, and the City shall notify the Union in advance of entering into such an agreement. The City and the Union agree to bargain about only the effects of such an agreement on the bargaining unit personnel. If such bargaining does not result in agreement between the City and the Union, then referral of that dispute only to mediation and, if necessary, compulsory arbitration under the provisions of Act 312 is required.

If the City, in its sole discretion, decides to enter into integration of emergency services, it will notify the Union in advance of entering such integration. The Union agrees to participate in discussion about the effects of such integration on the bargaining unit. This provision does not constitute a contract re-opener.

**ARTICLE 5
LIMITATION OF AUTHORITY AND LIABILITY**

Section 5.1 No Strike Clause.

It is the intent of the parties of this Agreement that the grievance procedure herein shall serve as a means for the peaceable settlement of all disputes that may arise between them concerning the terms of this Agreement. Recognizing this fact, the Union agrees that during the life of this Agreement, neither the Union, its agents, nor its members will authorize, instigate, aid or engage in work stoppage, slowdown or a strike against the City of Traverse City. The City agrees that during the same period there will be no lockout.

Section 5.2.

Any individual employee or group of employees who violate or disregard the prohibition of Section 5.1 above may be summarily discharged by the City without liability on the part of the City or the Union.

ARTICLE 6
GRIEVANCE AND ARBITRATION PROCEDURE

Section 6.1 Definition of a Grievance.

A grievance shall be a complaint by an employee or the Union concerning the application and interpretation of this Agreement which is subject to the grievance procedure established herein.

Step 1

A) Verbal Procedure. An employee with a complaint shall discuss the matter with their immediate supervisor within seven (7) days of the employee's knowledge of the incident which gave rise to the complaint or within seven (7) days of the date by which an employee should have been reasonably aware of such incident. If requested by the employee, the employee may have a Steward present. If the complaint is not satisfactorily settled, it may be advanced according to the written procedure.

B) Written Procedure. Within seven (7) days from the supervisor's answer in the verbal procedure, the complaint shall be reduced to writing, reciting the sections of the contract which are alleged to have been violated and signed by the employee or the Union and then presented to the Chief of Police. The Chief of Police and the Steward and the grieving party, if requested by the Steward, shall discuss the grievance in an attempt to resolve the matter. The Chief shall place his/her answer on the grievance form and return it to the Steward within seven (7) days after the grievance is presented to the chief. If the grievance is not satisfactorily settled, it may be advanced according to Step 2.

Step 2

Within seven (7) days after the City's written answer in Step 1, the grievance may be presented to the City Manager. The City Manager and the Steward shall discuss the grievance in an attempt to resolve the matter. Either party may have non-employee representatives present if desired. The City shall give its answer on the grievance form and return it to the Steward within ten (10) days after the grievance is presented to the City Manager. If the grievance is not satisfactorily settled, it may be advanced by the Union according to Step 3.

Step 3

Mediation (Optional): If the grievance has not been resolved in the foregoing steps, and if both the grievance may be submitted to the Michigan Employment Relations Commission for the purposes of grievance mediation in advance of proceeding to arbitration within thirty (30) calendar days after receiving the Step Three answer from the City Manager, or his/her designee. If the matter is not resolved through mediation either party may submit for arbitration.

Step 4

Arbitration Request. In the event the last step fails to settle the grievance, the Union, within sixty (60) calendar days, may submit the issues to an Arbitrator selected from the Federal Mediation and Conciliation Service for final determination. Such decision will be binding on both parties.

Section 6.2 Selection of Arbitrator.

Any grievance that is arbitrable, upon proper notification as provided in the Agreement, may be submitted to one Arbitrator chosen by mutual agreement by the parties. If mutual agreement cannot be obtained the Arbitrator will be selected from a panel of Arbitrators obtained from the Federal Mediation and Conciliation Service by each party alternately striking a name from the panel with the remaining name serving as Arbitrator. The compensation and expenses of the Arbitrator shall be shared equally by the City and the Union.

Section 6.3 Arbitrator's Powers.

The Arbitrator shall be limited to the application and interpretation of this Agreement and shall have no power to add to, subtract from or modify this Agreement in any respect. The Arbitrator shall also be obligated to interpret this Agreement in light of laws applicable to and affecting municipalities.

Section 6.4 Time Computation.

Saturday, Sunday and holidays shall not be counted under the time procedure established in the grievance procedure.

Section 6.5 Grievance Form.

The grievance form shall be mutually agreed upon.

Section 6.6 Pursuit of Remedy State or Federal.

During the grievance process, the parties agree that once an employee has elected to pursue a remedy under State or Federal law for alleged conduct which may be a violation of the Collective Bargaining Agreement, such employee shall not have simultaneous resort to the grievance procedure and any grievance then being processed shall be deemed withdrawn by the party filing. Any decision rendered shall be binding on both parties. This shall not preclude employees from exercising their rights guaranteed under State or Federal law.

**ARTICLE 7
DISCHARGE AND DISCIPLINE**

Section 7.1

In a case of disciplinary action taken by the City involving discharge, reduction in rank or pay, or suspension from office against any member of the bargaining unit, all appeals to such action shall be in accordance with the grievance and arbitration procedures of this Agreement.

A) The City shall not discharge or suspend for disciplinary reasons, any non-probationary employee except for just cause. Just cause may include, but is not limited to, violation of departmental rules and regulations, failure to obey superior officers' commands or failure to perform the duties of this position in a competent and professional manner. A consistent failure to meet organizational objectives as clearly set forth may also be grounds to discipline or discharge after an appropriate opportunity is given the employee to begin to meet such objectives. It is mutually agreed that progressive discipline for minor matters should be typically employed to correct minor problems. The non-probationary employee shall first receive an oral and/or written notice before more severe discipline is issued. It is acknowledged, however, that a warning notice, whether verbal or written, need not be issued first for major rule and regulation infractions or for any other major cause. Discharge must be by proper written notice to the employee and a member of the bargaining unit who is a Union official citing specific reasons for such discharge.

B) Discharged or suspended non-probationary employees will be permitted to review their discharge or suspension with their Steward. Upon request, the City or designated representative may discuss the discharge or suspension with such employee and the Steward.

C) Should a non-probationary employee, who has been discharged or given a disciplinary suspension, consider such discipline to be improper, a grievance may be processed initially at the written step of the grievance procedure, provided the grievance is submitted within seven (7) working days from the date discipline was imposed on the aggrieved employee. Discharge of probationary employees is not subject to the grievance procedure.

D) The parties hereby agree that once an employee has elected to pursue a remedy under State or Federal law for alleged conduct which may be a violation of the Collective Bargaining Agreement, such employee shall not have simultaneous resort to the grievance procedure and any grievance then being processed shall be deemed withdrawn by the party filing. Any decision rendered shall be binding on both parties.

E) This shall not preclude employees from exercising their rights guaranteed under State or Federal law.

ARTICLE 8 SENIORITY

Section 8.1

A new employee shall work under the provisions of this Agreement but shall be employed only on a twelve (12) month probationary period during which time the employee may be discharged without further recourse. After the probationary period, the employee shall be given regular seniority status in the department. In case of discipline during the probationary period, the City shall notify the Union in writing. Fringe benefit eligibility for a new hire shall commence on the first day of the month following three (3) completed months of employment, with the exception of Hospitalization Coverage which the new employee is eligible on the first of the month following the date of hire. Employees promoted to Captain shall serve a twelve (12) month probationary period. During such probationary period the employee may be demoted to their former rank without loss of seniority for just cause.

Section 8.2 Seniority Definition.

Seniority shall be defined to mean the length of the employee's service with the City in the Police Department, commencing from the last date of hire. The application of seniority shall be limited to the preferences recited in this Agreement.

Section 8.3 Seniority List.

The City shall post a list of the employees arranged in order of their seniority. This list shall be posted in a conspicuous position at the place of employment.

Section 8.4 Layoff.

Section 1

A) The word "layoff" means a reduction in the working force. Layoff of employees shall be by job classification seniority, and the following order shall be followed, provided that the employees who remain are capable of performing the work available:

1. Probationary employees.
2. Remaining seniority employees within the classification affected shall then be laid off in order of their classification.

B) When employees have the same classification seniority, the employee with the least seniority in the Department shall be laid off first.

C) Upon being laid off from their classification, an employee who so requests shall, in lieu of layoff, be permitted to take another classification in the department provided, however, that the employee is able to perform the required duties of that classification and that the employee has more seniority than the employee being replaced. Employees who change classifications in lieu of layoff shall be paid the salary in accordance with the schedule for that classification.

D) Employees to be laid off for an indefinite period of time will have at least ten (10) working days' notice of layoff. The Steward shall receive a list from the City of the employees being laid off on the same date the notices are issued to the employees.

Section 2

A laid off seniority employee, if recalled to a job identical or higher in rate to the job from which he was laid off and provided said employee has the ability to perform the job, shall be required to take the recall. Failure to take such offered work shall result in loss of seniority and discharge.

Section 3

A) The order of recalling of laid off employees shall be in the inverse order in which the employees are laid off and shall be subject to the same conditions of layoff.

B) Notices of recall shall be sent by certified or registered mail to the employee's last known address as shown on the City's records and it shall be the obligation of the employee to provide the City with a current address and telephone number. A recalled employee shall give notice of their intent to return to work within three (3) consecutive calendar days, and shall return within seven (7) calendar days or their employment shall be terminated without recourse to this Agreement. Exceptions may be made due to circumstances beyond the control of the employee.

C) In the event a recall is necessary on less than three (3) days' notice, the City may call upon the laid off employee(s) either personally or by telephone, until an employee able to return to work immediately is located. In such case, the employee able to return to work immediately will be given a temporary assignment not to exceed three (3) days, and employees passed over (because of their inability to return to work immediately) will be given notice to report for work at the end of said three (3) day period.

Section 8.5 Loss of Seniority.

An employee's seniority with the City will terminate upon the following reasons:

- A) If the employee quits or retires;
- B) If the employee is discharged for just cause;
- C) After three (3) consecutive days of unauthorized absence;
- D) If the employee fails to report for work as required following notice of recall;
- E) If the employee fails to return to work within three (3) days of a date following a leave of absence or vacation unless a satisfactory reason is given or because of an emergency situation.

Section 8.6 Vacancies.

The City will fill all permanent classification vacancies as soon as possible when need for such action is necessary (as determined and/or established by the City).

- A) A classification may not be removed from the bargaining unit by merely changing the title or by modifying the classification specifications for the purpose of undermining the Union.

Section 8.7 Promotions.

Promotions within the Traverse City Police Department to the positions of Captain shall be based on the following factors:

1. Promotions shall be on a competitive basis.
2. Eligible employees must have three (3) years continuous service in the Lieutenant and/or Sergeant Classification with at least five (5) years combined service as a federal/state certified law enforcement officer.
3. Employees must meet the eligibility requirements for promotion prior to taking any test for promotion in order to be placed on the eligibility list.
4. Written and oral examinations are to be based upon the classification of vacancy to be filled.

The City agrees that eligibility for full-time promotional vacancies within the Police Department as stated above shall be determined by competitive examination using the following criteria:

1. Assessment Center 80 percent
2. Internal Interview 20 percent

The assessment center process shall be completed first, followed by the internal interview. A three-person panel scoring the employees in the internal interview shall consist of the Chief of Police, City Human Resources and the City Manager or his/her designee. The City shall establish an eligibility list of those employees. In ranking order of the scores obtained in the Assessment Center Testing and Internal Interview. Such eligibility list shall remain in effect for a minimum of twenty-four (24) calendar months from the date the results of the examinations are received by the City. If mutually agreed the eligibility list may remain in effect an additional six (6) months. This list shall be used to fill vacancies occurring in the respective classifications.

Section 8.8 Testing Criteria

The assessment centers shall be developed in accordance with the Guidelines and Ethical Consideration for Assessment Center Operations (2014), International Taskforce on Assessment Center Guidelines. These guidelines establish specific requirements and procedures for conducting assessment centers. The specific job-related exercises shall be used in a custom assessment center will be developed by an approved third party administrator. The assessment center testing may consist of the following criteria: Interview Exercise; Oral Presentation Exercise; In-Basket Exercise; and Role-Play Scenario Exercises.

There may be special community events when the Police Chief requires Captain(s) and Lieutenant (s) to work. If these special events reimburse the City for all expenses, including direct labor, and the required work exceeds the normal work day and work week schedule, such excess hours worked shall be paid at time-and-one-half (1½) the Captain's or Lieutenant's regular rate of pay. This would include Federal and State grants which reimburse overtime costs.
