2026 RAINBOW RUN NARRATIVE

TART Trails & Up North Pride are coming together to host the annual Rainbow Run, a color fun run and fundraiser around the Boardman Lake Loop Trail. As a way to celebrate the trail systems and the Northern Michigan 2SLGBTQ+ Community during Pride Month, the event, on June 20, 2026, will invite the community to join together at Hull Park to enjoy music and refreshments before and after the run.

The run route will start and finish at Hull Park, taking participants counterclockwise around the Boardman Lake Loop Trail. There will be five distinct and separated stations along the route for participants to receive their colors. All participants will pay a registration fee and will be clearly identified with a branded t-shirt. Similar to the Color Run, we will be using a powder made of colored cornstarch that will be human, fish, and environment-friendly and will come up after rain to have no long-lasting effects on the park or City infrastructure. There will be two color stations each located at the following locations: 16th Street, NMC University Center, Lake Pointe Village, Center Place Crossing and Hull Park.

Following the event, we will gather at Hull Park for music, refreshments, and community activities like lawn games and t-shirt decorating. All of the events at Hull Park will be open to the public. Infrastructure for this event will include a 20x20 foot tent for registration and refreshments secured with concrete blocks, a start/finish banner, yard-sign style directional signage, and up to (6) 10x10 foot booths for community organization tabling. Limited parking will be available along the train tracks in Hull Park, additional parking is available across the street at the Department of Public Works.

The Traverse Area District Library bathrooms are open to the public and the Hull Park Restrooms will be open by 7:30am. Additional bathrooms can be found on course at Medalie Park.
