Veterans Drive Sidewalk Work Extended
Work Anticipated for Completion October 3, 2025

Traverse City – Motorists, bicyclists, and pedestrians should be aware that the City of Traverse City’s contractor conducting sidewalk work on the south side of Sixteenth Street and on Veterans Drive is extended and is not anticipated to be completed Friday, October 3, 2025, weather permitting. The project involves the removal and replacement of approximately 200 feet of sidewalk on the west side of Veterans Drive, north of Boughey Street.

During work, the east-west ramp will be closed at Boughey Street. The sidewalk will be closed on Veterans Drive, south of the Tides apartments.

This work will generate dust and noise, and may cause disruptions to pedestrian, bicycle, and vehicular traffic with the closure of the sidewalk and shoulder of Veterans Drive. Appropriate signage will be in place, and access to all homes and businesses will be maintained at all times. If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to call Zach Cole at (231) 922-4492 if you have any questions, comments or concerns about the work or the schedule.
