Issued: July 23, 2026

Fern Street Closure
July 28, 2026

Traverse City, Mich. — Motorists, bicyclists, and pedestrians should be aware that contractors will be temporarily closing Fern Street between Boyd Avenue and Hannah Avenue beginning Tuesday, July 28, 2026. Adjacent sidewalks will be closed. Work activities are anticipated to be completed by the end of day on Saturday, August 1, 2026.

Appropriate signage will be in place, and access to all homes and businesses will be maintained at all times. Work is weather dependent and modifications may be necessary. This work may cause disruptions to pedestrian, bicyclist, and vehicle traffic. If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact John McWethy at (231) 922-4467 if you have any questions, comments or concerns about the work or the schedule.
