Mike McIntosh Memorial Car show and open house narrative

In celebration of the 75th year of NMC and the 20th year of the car show we want to also have an open house to include the technical division of NMC. Closing off a 300 ft section of Aeropark between the auto tech bldg. and construction trades will facilitate a connection between the two buildings and allow for safe pedestrian traffic to cross the road. The street will be used for show cars with a 10 foot Ems corridor down the center.

There will be a food truck at both the north and south end and a tent the west side of the road to house student projects. (on NMC property) Michigan national guard is going to have a bounce house and or an obstacle course located on NMC property

Tentatively we are planning on having wccw on site for announcements and light car show type music.

Parking will be on the south end at the Parson Stullen bldg. and the NMC construction trades to the north. We also have permission from Clark Automotive manufacturing to use their lot if needed.

We plan on being set up by 7 am and tear down by 6 for the tent but the event will be till 3 and the cars should be gone then which will allow the road to open as the tent will not be in the road.

Respectfully
