**Boardman Lake Trail Closure**  
***August 31, 2026***

Traverse City, Mich. — Bicyclists and pedestrians should be aware that the Traverse City Department of Mobility Infrastructure will be closing segments of The Boardman Lake Loop Trail to conduct trail surface repairs. This work will take place along the north end of the trail along Boardman Lake from the railroad trusses to Fourteenth Street.

The work activities will begin on Monday, August 31, 2026, and is expected to be completed by the end of day Thursday, September 3, 2026.

This work may cause disruptions to pedestrian and bicycle traffic. Appropriate signage will be in place, and access to all homes and businesses will be maintained at all times.

If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact Jeffrey Komisarz at (231) 922-4901 if you have any questions, comments or concerns about the work or the schedule.
