PUBLIC SERVICE ANNOUNCEMENT
FOR IMMEDIATE RELEASE

Contact: John McWethy, Public Services Assistant, (231) 922-4467

Revised Intersection Closure of W. Front St. and Hall St. and Wadsworth St.

TRAVERSE CITY- Motorists and pedestrians should be aware that Anlan Corp. will be closing the entire intersection of W. Front St. and Hall St./Wadsworth St. for utility work. This work will cause closures and disruptions to pedestrian and vehicular traffic including the existing W. Front St. Bridge Detour Route. A new route will be in place and properly signed. This closure will take place beginning Wednesday, May 11th, at 7:00 a.m. and is anticipated to be reopened on Tuesday May 17th, by 5:00 p.m. however this assumes that the new watermain is appropriately pressure tested, disinfected and connected to be placed into service. The work is weather dependent. The intersection will not be reopened for the weekend to facilitate the completion date for the bridge project. Appropriate signage will be in place and access to all businesses will be maintained at all times. Please visit the City of Traverse City website for a map showing the impacted areas.

Please use alternate routes avoiding this area to reduce congestion, delay and inconvenience for your travels.

This construction will generate dust, noise and cause inconvenience. We would like to thank you in advance for your patience and cooperation. Please feel free to call John McWethy at 922-4467 if you have any questions, comments or concerns about the work or the schedule.
