Farmers Market Parking Lot T Closure

October 29, 2026

Traverse City, Mich. — Motorists should be aware that contractors will be closing 27 parking spaces in the north bay of Farmers Market Parking Lot T for construction beginning Thursday, October 29, 2026.

The project is expected to reopen on or by Thursday, November 12, 2026.

The work includes tree removal, grading and sidewalk installation behind the existing curb and is weather-dependent.

There will be no permanent loss of parking spaces as a result of this work.

If possible, please use alternate parking locations and avoid this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact Zach Cole at (231) 922-4492 if you have any questions, comments or concerns about the work or the schedule.
