Issued: March 19, 2026

200 Block of Garland Street Closure Continues

Traverse City – Motorists, bicyclists, pedestrians should be aware that, due to recent weather, contractors will continue to have the 200 block of Garland Street closed to through traffic, between Hall Street and Union Street. The street is now anticipated to open by 5:00 p.m. on Friday, March 27, 2026.

Work activities will be conducted adjacent to the new hotel development. The sidewalk on the south side of the street will remain open. However, the sidewalk on the north side of the street will be closed.

Access will be maintained to all businesses, residences, and parking lots at all times. Appropriate signage will be in place. Work is weather dependent and modifications may be necessary.

If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact John McWethy at (231) 922-4467 if you have any questions, comments or concerns about the work or the schedule.
