Issued: October 21, 2025

600 Block of West Fourteenth Street Lane Shifts

Traverse City – Motorists, bicyclists, and pedestrians should be aware that contractors will be closing and shifting the south lane of the 600 block of W. Fourteenth Street between S. Division Street and Maple Street starting on Thursday, October 23, 2025. Work activities will impact the intersection at Division Street. The lane will be restored by the end of the day on Monday, October 27, 2025.

Access will be maintained to all businesses, parking lots and residences at all times and appropriate signage will be in place. Sidewalks will remain open and passable.

Work is weather dependent and modifications may be necessary. If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact John McWethy at (231) 922-4467 if you have any questions, comments or concerns about the work or the schedule.
