Northbound Cass Street Lane Shift at State Street

Traverse City – Motorists, bicyclists, and pedestrians should be aware that the Department of Mobility Infrastructure will be conducting street repairs on the northbound lane of Cass Street between State and Washington Streets. To complete the repair work, a traffic shift will be placed for the northbound traffic, north of Washington. Sidewalks will remain open.

The work will begin on Thursday, July 23, 2026, and is expected to be completed by the end of day Friday, July 24, 2026.

This work may cause disruptions to pedestrian, bicycle, and vehicular traffic. Appropriate signage will be in place, and access to all homes and businesses will be maintained at all times. If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact Jeffrey Komisarz at (231) 922-4900 if you have any questions, comments or concerns about the work or the schedule.
