1200 Block of Milliken St. Closure
August 11, 2026

Traverse City, Mich. — Motorists, bicyclists, and pedestrians should be aware that contractors will be closing the 1200 block of Milliken Street on Tuesday, August 11, 2026.

The project is expected to be completed by 2:00 P.M. on Friday, August 14, 2026.

After Friday August 14, 2026 Milliken Street will be down to one lane with temporary traffic signals in place for a few weeks but will remain passable. Sidewalks will be impacted during the project but will be intermittent.

The entrances to all businesses and residences will be maintained at all times.

Work is weather-dependent and modifications may be necessary.

If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact John McWethy at (231) 922-4467 if you have any questions, comments or concerns about the work or the schedule.
