Intersection Closure: Parsons Road and Airport Access Road 4/26 – 6/25/2021

TRAVERSE CITY- The City of Traverse City and the Michigan Department of Transportation have awarded the Parsons Road and Airport Access Road Roundabout Project to Molon Excavating, Inc. This project includes the removal of the existing traffic signals and pavement, roundabout construction, and lighting improvements.

During construction, the intersection will be closed to through traffic. Access to the TART trail crossing of Airport Access Road will be maintained as much as possible, with a slight detour to the south. The expected construction dates are April 26th through June 25th, 2021 and are subject to change due to weather or other unforeseen circumstances.

Delays can be expected. Please use alternate routes avoiding this area to reduce congestion. Appropriate signage and barricades will be in place in and around the work areas.

This construction will generate dust, noise and cause inconvenience. We would like to thank you in advance for your patience and cooperation. Please contact Jessica Carpenter via email at jcarpenter@traversecitymi.gov or phone at (231) 922-6894 with any questions.
