**100 Block of East Front Street Lane Shift & Sidewalk Closure**

Traverse City – Motorists, bicyclists, and pedestrians should be aware that contractors will be closing and shifting the south lane of the 100 block of E. Front St. between Union and Cass Streets starting on Monday, May 19, 2025. The lane will be restored by the end of the day on Thursday, May 22, 2025 for the holiday weekend.

Access to all businesses and residences will be maintained throughout the project, with appropriate signage in place. Work will take place in front of 120 E. Front Street and will require a temporary sidewalk closure in that area. However, all other sidewalks and crosswalks will remain open and accessible, and clear signage will be installed.

Work is weather dependent and modifications may be necessary.

If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact John McWethy at (231) 922-4467 if you have any questions, comments or concerns about the work or the schedule.
