Issued: September 26, 2025

Brown Drive Closure
Water Systems Improvements

Traverse City – Motorists, bicyclists, and pedestrians should be aware that Brown Drive will close at 5:15 pm on Friday, September 26, 2025 for the Water Systems Improvements project at Grand Traverse Commons. Work is anticipated to be completed Saturday evening, September 27, 2025, weather permitting.

This work will generate dust and noise, and may cause disruptions to pedestrian, bicycle, and vehicular traffic with intermittent closures of sidewalks and streets. Appropriate signage will be in place, and access to all homes and businesses will be maintained at all times. If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please contact the Water/Wastewater Maintenance Division at (231) 922-4923 x 2 if you have any questions or concerns regarding the work.
