jroy@traversecitymi.gov

**Issued:** June 16, 2025

---

**Boardman Avenue & Sidewalk Closure**  
***June 17 - 20***

Traverse City – Motorists, bicyclists, and pedestrians are advised that the City of Traverse City Water/Wastewater Maintenance Division will be conducting water valve repairs on Boardman Avenue between Webster and Washington Streets, beginning Tuesday, June 17, 2025. Work is expected to be completed by the end of the day on Friday, June 20, 2025, weather permitting.

Boardman Avenue, between Webster and Washington, will be closed to traffic during active work hours and reopened in the evenings. The southeast and southwest sidewalks at the Boardman and Washington intersection will remain closed for the duration of the project.

This work will generate dust and noise, and may cause disruptions to pedestrian, bicycle, and vehicular traffic. Appropriate signage will be in place, and access to all homes and businesses will be maintained at all times. If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please contact the Water/Wastewater Maintenance Division at (231) 922-4923 x 2 if you have any questions or concerns regarding the work.
