The construction code office has the right to terminate a permit if there is no work performed within a 180 day time period.

Section 23 A of the State Construction Code Act of 1972, Act No 230 of the Public Acts of 1972, being section 125.1523 A of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23A are subject to civil fines. Homeowner's signature indicates compliance with the Homeowner's affidavit below.

I hereby certify the electrical, mechanical, or plumbing work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the Electrical, Mechanical or Plumbing Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the inspector. I will cooperate with the inspector and assume the responsibility to arrange for necessary inspections.

The information required for all permits is as such:
