

CITY OF TRAVERSE CITY  
MICHIGAN

Effective January 5, 1981

TRAFFIC CONTROL ORDER NO. 186

A traffic light signal shall be placed at the following intersection and shall be used primarily during the high volume hours and shall be switched to "flasher" operation at times when intersection control is not required:

Traffic light at the intersection of Cass and 14th Street. At times when "flasher" is used, eastbound and westbound 14th Street traffic shall be required to stop on red, and northbound and southbound Cass Street traffic shall observe the "caution" amber light.
