Issued: March 19, 2026

100 Block of Park Street Closure Rescheduled

Traverse City – Motorists, bicyclists, and pedestrians should be aware that contractors will close the 100 block of Park Street from E. Front Street to E. State Street on Sunday, March 22, 2026. This closure was rescheduled due to recent weather. Work activities are anticipated to be completed by 4:00 p.m.

Access will be maintained to all businesses, residences, and public parking lots at all times. Appropriate signage will be in place.

Work is weather dependent and modifications may be necessary. If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact John McWethy at (231) 922-4467 if you have any questions, comments or concerns about the work or the schedule.
