## **HYDRANT USE GUIDELINES:**

It is the responsibility of the hydrant user to protect against the possibility of water backflow and to protect the hydrant and meter from damage.

Items needed in order to use a City hydrant:

- RPZ- Backflow device and meter with current backflow test
- Proper fire hydrant wrench- 1/8" pentagon
- Hose

It is the responsibility of the hydrant user to provide these items. If you do not have access to these items, contact a local rental provider or supply company.

A \$50 permit fee will be charged at the time of application submission. Either submit the application with a \$50 check (made out to The City of Traverse City), OR the City can send an invoice (please provide billing name and address if you choose this option).

Please be sure to provide the starting read from the water meter. When the work is completed, please call **(231) 922-4923 x 2** or email **[jstout@traverscitymi.gov](mailto:jstout@traverscitymi.gov)** to provide the final read from the meter. The usage charge will be based upon the total consumption.

Water Consumption Rate:

- |                                     |             |
|-------------------------------------|-------------|
| • First 600 cubic feet              | <b>\$52</b> |
| • Every additional 1,000 cubic feet | <b>\$11</b> |

If you have any additional questions or concerns, please call (231) 922-4923 x 2.
