**Issued:** June 29, 2026

---

**Washington St resurfacing project (Rose St to Prospect St)**

Traverse City – Motorists, cyclists, and pedestrians should be aware that the Traverse City Mobility Infrastructure Department will be closing Washington St, between Rose St and Prospect St as part of our in-house mill and fill program. The work will begin on Tuesday, June 30, 2026 and is expected to be completed by Thursday July 2, 2026 by 5:00pm. This work may cause disruptions to pedestrian and vehicle traffic. Appropriate signage will be in place, and access to all homes and businesses will be maintained at all times.

If possible, please use alternate routes avoiding this area to reduce congestion, delay, and promote worker safety.

We would like to thank you in advance for your patience and cooperation. Please feel free to contact Chris Weber at (231) 922-4900 if you have any questions, comments or concerns about the work or the schedule.
