

TEMPORARY TRAFFIC CONTROL ORDER

Effective April 7, 1981

NO. 189

The intersection of Woodmere Avenue and Boyd Avenue Extension is to be designated as a 4-way stop intersection.

This temporary order is being placed in operation to facilitate safety during the period of the detour being established in connection with the reconstruction of a street with Woodmere and Railroad Avenues, not to exceed ninety (90) days.

  
R. S. Anderson
