Twelfth Street Reconstruction
Work Begins September 24, 2025

Traverse City – Motorists, bicyclists, and pedestrians should be aware that the City of Traverse City’s contractor, Team Elmer’s, will begin reconstructing Twelfth Street between Union and Cass Streets. Work is anticipated to begin on Wednesday, September 24, 2025 and be completed Friday, November 14, 2025, weather permitting.

Work activities include:

- Full reconstruction including new curbs, asphalt, bioswales, and two hydrant replacements
- Utility Upgrades: Improving sanitary sewer, watermain, and storm sewer utilities
- No parking on a section of E. Twelfth Street during certain times and provides for two-hour parking during certain times for weekdays

During the project, Twelfth Street will be closed between Union and Cass Streets. Streets. Sidewalks within the construction area will also be closed. Intermittent closures of the sidewalk intersections at Cass and Union will occur, but not simultaneously. Access to driveways and nearby side streets will be maintained as much as possible; however, some temporary restrictions may be necessary during specific construction activities. Proper barricades and signage will be in place to ensure safety and provide clear directions.

This construction will generate dust, noise and cause inconvenience. We would like to thank you in advance for your patience and cooperation. Please feel free to call Zach Cole at (231) 922-4492 if you have any questions, comments or concerns about the work or the schedule.

The Twelfth Street Reconstruction Project is part of the 2025 Reconstruction Project. Learn more, <https://www.traversecitymi.gov/projects/2025-2026-pavement-preservation-and-reconstruction-project.html>
